Humane Society of Central Arizona

To whom it may concern,

The Humane Society of Central Arizona is eager to offer their support to Gila County for spay and neuter grant purposes. We are willing to offer our mobile clinic on a monthly to bi-monthly basis to provide spay and neuter services to members of the community.

The veterinarian available to perform surgeries is DVM Sheena Christensen, license #6307. She currently is employed with Payson Pet Care and graduated from Iowa State in 2011. Dr. Sheena currently provides affordable spay/neuter services to the public for HSCAZ and operates out of the mobile clinic. She is able to perform 15 surgeries a day. Dr. Sheena will also have an experienced Vet Tech accompany her for surgeries.

If you have any questions, please feel free to contact me directly.
