Hi Lorraine,

Your current contract with ENTECH has expired and I am sending you a renewal contract for signature.

If you could please review the contract and have page 6 signed, you could either email or fax a copy of the signature page to me for signature by our Administrator. Once our Administrator signs it I will send a copy to you for your records.

If you prefer that I mail the contract to you instead of email please let me know and I will get a copy in the mail to you right away.

Thank you and I hope you have a great rest of your week.
