- (b) Audio Monitoring/Recording. Customer's decision to install video equipment with audio recording and/or monitoring capability ("Video with Audio") is based solely on Customer's own independent business judgment, without any involvement or approval of ADT. Certain laws may limit or preclude the use of CCTV with Audio. By installing Video with Audio in Customer's premises, Customer accepts the responsibility of knowing and fully complying with all applicable laws, including but not limited to all requirements that clear and conspicuous notice be posted in Customer's premises warning of Customer's use of audio recording and/or monitoring equipment on its premises.

D. Electronic Media; Personal Information.

1. Electronic Media. Either party may scan, fax, email, image, or otherwise convert this Agreement into an electronic format of any type or form, now known or developed in the future. Any unaltered or unadulterated copy of this Agreement produced from such an electronic format will be legally binding upon the parties and equivalent to the original for all purposes, including litigation. ADT may rely upon Customer's assent to the terms and conditions of this Agreement, if Customer has signed this Agreement or demonstrated its intent to be bound whether by electronic signature or otherwise.
2. Personal Information. Customer represents and warrants that Customer has obtained all consents and has the right to (a) disclose to ADT all personal information disclosed hereunder concerning individuals/employees/or other third parties including all information contained in Customer's Emergency Call List ("ECL"); (b) collect (including consent to record telephone conversations with ADT), use, disclose and transfer such personal information; and (c) authorize ADT to use such personal information to administer the relationship between Customer and ADT, including the administration of this Agreement. Customer acknowledges and agrees that ADT may share all such information with its parents, subsidiaries, affiliates and its/their successor corporations or any subcontractor or assignee, within and outside the country in which the Customer is located and thereby subject such information to the laws of such countries.

E. Limitation of Liability, Indemnification (Sale of Access/Video Equipment and Installation Only). Notwithstanding anything to the contrary in this Agreement or any purchasing document presented by Customer, only Video and/or Access Equipment and Services shall be provided by ADT under the terms and conditions of this Agreement. 1. Indemnity. (a) ADT shall defend, indemnify and hold Customer, its corporate affiliates, and their respective officers, directors, agents and employees harmless from damage, liability and expense resulting from the negligent acts or willful misconduct of ADT's agents and employees committed while performing Services on Customer's premises, to the extent that they are the direct cause of the loss, damage or injury to third parties or Customer's property (e.g. equipment dislodging and striking a third party due to improper installation), as opposed to being caused by an occurrence or the consequences therefrom that the Equipment or Services were intended to deter, detect or avert. (b) Customer shall defend, indemnify and hold ADT, its corporate affiliates, and their respective officers, directors, agents and employees, harmless from damage, liability and expense to the extent that any such loss is not directly caused by the negligent acts or willful misconduct of ADT's agents and/or employees, or arises out of any claim related to invasion of privacy, infliction of emotional distress, harassment, violation of eavesdropping/wiretapping laws or similar claims arising out of Customer's use of the Equipment and/or Services.

2. Limitations on Liability. If Customer uses the Equipment and/or Services to aid in monitoring or controlling the location or activities of persons on or about its property and premises, Customer acknowledges that the Equipment and/or Services are not intended to be the sole means for doing so. ADT's Equipment and Services do not cause and cannot eliminate occurrences of the events they are intended to deter, detect, avert or record. ADT is not an insurer of the safety or security of any person, entity or property, or against the risks attendant to a person's presence in, or ingress to or egress from any building, property or area that may be monitored by the Equipment and/or Services. The amounts ADT charges Customer are not insurance premiums. Such charges are based upon the value of the Equipment and Services ADT provides and are unrelated to any such risk of loss. ADT does not undertake and assumes no liability for such risk by providing the Equipment and/or Services. If ADT is nevertheless found liable under any legal theory for loss, damage or injury caused directly or indirectly by occurrences or the consequences therefrom which the Equipment and/or Services are intended to deter, detect, avert or record, ADT's liability shall be limited to the sums paid by Customer for the Equipment or Services at issue as Customer's sole remedy. ADT is not responsible for the preservation of any computer programs or data and Customer is responsible for maintaining adequate back-ups.

F. Other Charges; Remedies; Termination.

1. There may be a service charge to Customer for cancelled installation/service appointments if Customer cancels less than 24-hours prior to dispatch, or if ADT's representative is sent to the Customer's premises in response to a service call for false alarm or System malfunction caused by Customer's operation contrary to instructions, failure to close or properly secure a window, door or other protected point, or improper adjustment of monitors or accessory components.
2. Failure to pay amounts when due shall give ADT, in addition to any other available remedies, the right to terminate this Agreement and to charge interest at the highest legal rate on delinquent amounts. Customer agrees to pay all costs, expenses and fees of ADT's enforcement of this Agreement, including collection expenses, court costs, and attorneys' fees. Installation Charge(s) are based on ADT performing the installation with its own personnel. If for any reason installation must be performed by outside contractors, Installation Charge(s) may be subject to revision.
3. In addition to any other remedies available to ADT, ADT may terminate this Agreement and discontinue any Service(s) if (a) ADT's CMC is substantially damaged by fire

or catastrophe or if ADT is unable to obtain any connections or privileges required to transmit signals between the Customer's premises, ADT's CMC or the Municipal Fire or Police Department or other first responder; (b) Customer fails to follow ADT's recommendations for the repair or replacement of defective parts of the System not covered under the Warranty or QSP/Maintenance Service; (c) Customer's failure to follow the operating instructions provided by ADT results in an undue number of false alarms or System malfunction; (d) in ADT's sole opinion, the premises in which the System is installed are unsafe, unsuitable, or so modified or altered after installation as to render continuation of Service(s) impractical or impossible; (e) ADT is unable to obtain or continue to support technologies, Communication Facilities, Equipment or component parts thereof that are discontinued, become obsolete or are otherwise not commercially available; or (f) Customer fails to make payments when due or otherwise breaches this Agreement. ADT will not be liable for any damages or subject to any penalty as a result of any such termination.

G. Hazardous Materials. For all projects except those involving new construction, Customer represents and warrants that to the best of Customer's knowledge the work site is free of any hazardous materials. The term "hazardous materials" shall include but not be limited to asbestos, asbestos-containing material, polychlorinated biphenyl ("PCB"), formaldehyde or other potentially toxic or otherwise hazardous material. If any such substance is discovered on the work site, ADT will not be required to install or service the Equipment at such site unless and until Customer certifies the removal or safe containment of such hazardous materials. Customer shall indemnify, defend, and hold ADT, its officers, directors, and agents harmless from any damages, claims, injuries, liabilities resulting from the exposure of ADT's employees, contractors, or subcontractors to hazardous materials at the work site; provided, however, that the foregoing provision will not apply when it has been determined that such hazardous materials were brought to the work site by ADT.

H. Waivers.

1. Waiver of Jury Trial. CUSTOMER AND ADT BOTH AGREE TO WAIVE THEIR RIGHT TO A JURY TRIAL IN ANY LEGAL PROCEEDING ARISING OUT OF OR IN ANY MANNER CONNECTED WITH OR RELATED TO THIS AGREEMENT.

2. Mutual SAFETY Act Waiver. Certain of ADT's systems and services have received Certification and/or Designation as Qualified Anti-Terrorism Technologies ("QATT") under the Support Anti-terrorism by Fostering Effective Technologies Act of 2002, 6 U.S.C. §§ 441-444 (the "SAFETY Act"). As required under 6 C.F.R. 25.5 (e), to the maximum extent permitted by law, ADT and Customer hereby agree to waive their right to make any claims against the other for any losses, including business interruption losses, sustained by either party or their respective employees, resulting from an activity resulting from an "Act of Terrorism" as defined in 6 C.F.R. 25.2, when QATT have been deployed in defense against, response to, or recovery from such Act of Terrorism.

Customer shall, at its own expense, defend, indemnify and save harmless ADT from and against all third party claims, liability, loss or damage (including attorneys' fees and other defense costs), assessed against or suffered by ADT as a result of an allegation or claim of noncompliance by Customer with this Section. The obligations contained in this Section shall survive the termination or expiration of this Agreement.
