Dear Jacque:

I am pleased to inform you that your 2011 Library Services and Technology Act (LSTA) grant application "We Were There 1912-2012" has been approved by the State Library for partial funding for the total amount of \$24,300.00. This award was reduced by cutting the cost of the lapel pins. Please apply for Centennial Legacy status at <http://www.azcentennial.gov>.

Please let us know by June 30, 2011, whether this partial award will let you effectively implement your modified project. If it will, initial the bottom of the revised budget page, and return it with your certifications. The application that you submitted, along with criteria outlined in this letter, will be the only contractual documents necessary for the implementation of your project. Federal funds can only be used as stipulated in the guidelines, application and this letter, and projects may be monitored periodically by State Library staff.

Enclosed you will find a sheet on "Managing Your LSTA Grant Award." Please refer to this sheet for information on federal regulations, requesting your grant funds, acknowledging the Arizona State Library Archives and Public Records and LSTA, and final reports.

Please note that all grant funds must be spent prior to August 3, 2012. Your final report is due by September 7, 2012.

Laura Stone, the LSTA consultant, is responsible for the distribution of funds and any ongoing administration of the grant award, including the final report. If you have any questions concerning your application or other supporting documents, please contact Laura at lstone@lib.az.us or call her at 602-926-3469 or 1-800-255-5841 statewide.

Sincerely,

Janet Fisher
