Dear Linda,

We are requesting a waiver of the fees for the rental of the fairgrounds building on February 11, 2012. We made an agreement with the Gila County Racing Commission some years ago to provide the security at the horse races in exchange for free use of the fairgrounds for our annual Sweetheart Dance. The free security we provide is patrol of the grounds and escorting the money to and from the bank. We also provide security for the horse barn and the jockey room, which we were told was paid because it was state mandated.

We sincerely hope you will consider our request and thank you for your help.

Sincerely,

Commander Bill Newman
