Information

Request/Subject

Approval of a request for a waiver of fees by Gila County Fair, Janet Cline, Gila County Fair Chairperson to use the Fairgrounds Exhibit and Commercial Hall or other areas at the Fairgrounds for:

1. Ranger Party Fund Raiser Dinner, Dance and chance to win a Polaris Ranger on August 27th, 2011
2. Gila County Fair, September 17 thru September 25, 2011.

Background Information

The Gila County Fair has, for many years, provided the community of Gila County a yearly fair to be able to bring their families to participate, enjoy, and learn from the variety of activities available at the fair. The fair also allows our youth involved in 4-H programs to show their projects they have been working on all year long. It is a place where local businesses can come display and advertise their products and/or businesses. It is a place where many come from all areas, including outside of Gila County, and bring business to our community. It is a family tradition and one of the main reasons the Gila County Fairgrounds was built.

Evaluation

The use of the Fairground's facility will give us a chance to raise money to keep our fair and heritage going. It will provide the youth of our community to emerge as leaders through hands-on learning and adult mentorship. It will provide a place for families to meet and experience the hospitality that Gila County offers to all.

Conclusion

This waiver of fees would greatly assist the Gila County fair financially so that we can continue to improve and hold our annual fair. It would allow our youth to continue to dream, set goals, and strive for success in their 4-H projects.

Recommendation

The recommendation is to approve the waiver of fees for the use of the Fairgrounds for all Fair related activities starting with our Ranger Party August 27, 2011.

Thank you,
Janet Cline,
Gila County Fair Chairperson

Gila County Fair Ranger Party

**Win Polaris
Ranger**

Support your fair while having fun &
a chance to win a Polaris Ranger
