Gila County Courthouse Security Committee Proposal

Background Information

In March 2011, a request was made by Honorable Judge Cahill and County Manager Don McDaniel to make the Courthouse secure within the bounds of reasonableness and budgetary consideration. The focus was the Globe Courthouse. The Committee divided issues into three areas. The first being "extremely important" issues, the second being "very important" issues and the third being "important" issues. The Committee members include the following: Mary Hawkins, Jacque Durbin, Anita Escobedo, Sadie Tomerlin, Debi Savage, Major Jim Eskew, Lt. Mike Johnson, Steve Stratton, Robert Hickman, Darryl Griffin, Eloise Price, Ruben Mancha and Berthan DeNero.

Evaluation

It is recognized that there has been an issue in violence in our society and that courts deal with emotional issues. It is also recognized that the court system deals with a diverse population. These recommendations are not mandates rather, they are goals that which courts and local communities should aspire to to ensure safe access to all.

Conclusion

The Security Committee needs approval from the Board of Supervisors to fund security recommendations.

Recommendation

At this time, it is recommended that the Gila County Courthouse Security Committee be allowed to present recommendations to implement Courthouse security measures and discuss anticipated related costs.

Suggested Motion

Information/Discussion regarding a Courthouse security proposal from the Gila County Courthouse Security Committee. **(Berthan DeNero)**

Gila County Boards, Commissions and Committees (BC&C) Review

Background Information

The Board of Supervisors appoints and/or is responsible for several BC&Cs in Gila County. Some of the BC&Cs are created by the Board, some are created by Statute and some by outside agencies, but all must conform to various sections of Arizona State Statutes. Ultimately the Board is responsible for the lawful conduct and operation of each of the BC&Cs. To assist in this effort it was necessary to research and report on all known BC&Cs and prepare a compilation of the findings in one comprehensive report. The BC&C Report was presented to and approved by the Board of Supervisors at its October 26, 2010, Regular Meeting.

Evaluation

The Board approved the BC&C Report subject to the following conditions: 1) that future Work Sessions will be held to further review specific BC&Cs, 2) that the BC&C Report be completed, 3) that a BC&C coordinator be named by the County Manager, 4) that the coordinator name a staff liaison to each BC&C, 5) that each BC&C be informed and trained as to Arizona Open Meeting Laws as amended, 6) that the Report be maintained as up to date, and 7) that each BC&C report to the Board on a regular basis.

At this Work Session staff will discuss with the Board of Supervisors, each Board, Commission or Committee in the order they are listed in the Report. Items to be reviewed will be as follows: date of creation, legal basis for the group, bylaws, charter, legally and officially assigned areas of responsibility, assigned, appointed and retained legal counsel, operation procedures, Corporation Commission status, membership, terms of office, appointing authority, County staff or department liaison, meeting schedule and location, record keeping authority and location, last two years of expenditure amounts and for what, funding sources and amounts, and historical and recent significant actions and accomplishments.

Conclusion

Staff estimates that in this Work Session all of the Board of Supervisors' boards and districts will be covered. Depending upon the findings during the review, it may be appropriate to invite the Board, Commission, and/or Committee in question to a future Work Session.

Recommendation

Staff is proposing to have a complete review and discussion of each BC&C in the BC&C Report previously provided to the Board of Supervisors. Please bring your copy of the Report for reference. Any items discovered that need Board action will be placed on a future Regular Meeting agenda for action.

Suggested Motion

Presentation/Discussion regarding the Boards, Commissions, and Committees (BC&C) Report and an analysis and evaluation of each BC&C's current status of compliance with applicable statutes, laws, policies and procedures. **(Don McDaniel)**
