GILA COUNTY - DISTRICT II
BOARD OF SUPERVISORS

Re: Re-Appointment to Gila County Personnel Commission

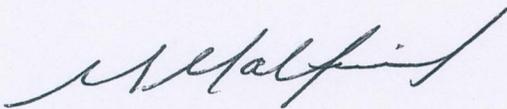

Dear Michael,

This letter is to inform you that I will no longer seek reappointment by you as a member of the Gila County Personnel Commission. My current 4-year term expires December 31, 2011.

Having been originally appointed to the Commission by District II Supervisor Edward (Bunch) Guerrero I have enjoyed working with the Personnel Commission, and the County, and will miss it. I feel however that due to my current involvement as Board Chairman of the Tri-City Fire District, Board Member of the Tri-City Regional Sanitary District, and the City of Globe Fire Department Retirement Board, my available time when necessitated becomes an issue.

Please know that I appreciate your consideration of reappointing me to this position and if and when I can be of further assistance on anything in the future, I am open for consideration of such.

Respectfully,

Mitchell Malkovich
