In the event the County exercises such a right, all terms, conditions and provisions of the original contract shall remain the same and apply during the renewal period.

3. Changes

   The County reserves the right to revise the delivery schedule and make other changes within the general Scope of Work as may be deemed necessary to best serve the County. All changes shall be documented by formal amendments to the contract.

4. Bid Evaluation

   In accordance with A.R.S. §41-2533, Competitive Sealed Bidding, awards shall be made to the lowest responsible and responsive bidder whose bid conforms in all material respects to the requirements and criteria set forth in this Invitation of Bid.

5. Invoicing

   Separate invoices are required for each shipment of product. The contractor shall submit invoices to the Bill to Address listed on each purchase order document.

   Each separate invoice shall include at a minimum.

   - Description and listing of quantities
   - Date the items were purchased or delivered to the requested location
   - Purchase Order and Contract Number
   - Price per unit and total per unit

   The County will make every effort to process payment for the purchase of product within thirty (30) calendar days after receipt by the Accounts Payable department. Delivery of the product to the County does not constitute acceptance, therefore, only the County invoice receipt date will be a valid date for starting the thirty (30) day payment period.

6. Prompt Payment Discount
Prompt payment discounts of thirty (30) days or more set forth in the Offer shall be deducted from the Offer for the purpose of evaluating that price. Refer to, Price Sheet, Attachment "C".

7. Quantities
Contractors specifically understand and agree that the quantities used for bidding purpose are estimates of County needs and in no event shall the County be obligated to purchase the exact quantities of any item set forth in the Bid. The County does not guarantee any maximum or minimum amounts of purchase. No commitment of any kind is made concerning quantities and that fact should be taken into consideration by each potential contractor.

8. Price Reduction
A price adjustment may be offered at any time during the term of a contract and shall become effective upon notice.

9. Price Adjustment
Prices shall be in effect for the duration of the contract at the unit prices bid, with a price adjustment based upon the ADOT Price Adjustment for Bituminous Material Index.

- The term "bituminous material" as used herein shall include asphalt cement, liquid asphalt and emulsified asphalt.
- "Initial Cost" of bituminous materials as used herein shall mean the cost as determined by the ADOT Price Adjustment for Bituminous Material for the month bids are opened (See http://www.azdot.gov/highway/cns/bitmat/asp).

The contract unit price for each item that contains bituminous material will be considered to include all costs of materials as required, including the "initial cost" of bituminous material.

- Compensation shall be adjusted (either increase or decrease) based on the dollar amount change in the ADOT Monthly Index from the month in which the contract was bid compared to the month in which the material was used, on a calendar month basis. This adjustment will apply only to the amount of bituminous material used in the bid item and not to the overall unit cost. The amount of bituminous material in each bid item will be as follows: MC's and liquid asphalt 100%, Terminal blend asphalt rubber 93%, Emulsions, Concentrate 60% (diluted 2:1 40%, diluted 1:1 30%).
- Additionally, the adjustment for compensation of bituminous materials will be based on the tons of bituminous material prior to dilution. This adjustment will apply to bituminous material only.
- Bid price per ton shall be adjusted up or down by an amount equal to the percent of bituminous material multiplied by the dollar amount change in the ADOT Index from the month the bid was opened until the month material was used. (Adjustment per ton = dollar amount change in ADOT Index X percentage of bituminous material.) For example, assuming bids for terminal blend asphalt rubber were opened April 2008 when the ADOT Index for Bituminous Material was $395.00 per English ton, the terminal blend was actually used in June 2008, and that the ADOT Index in June is $415.00 per English ton, then the adjustment per ton would be calculated by taking the dollar amount change in

the ADOT Index ($20.00) and multiplying it by the percentage of bituminous material of terminal blend asphalt rubber (%93). Thus, the bid price per ton would be adjusted up $18.60.

The Contractor certifies in signing the Bid that the price will be no higher than the lowest price the bidder charges other buyers for similar quantities under similar conditions.

The Contractor shall provide the RACK price to the County upon request.

10. Ordering

Gila County does not warrant the order quantity of any materials or services prior to actual need. Gila County's Public Works personnel may re-order materials as it becomes necessary or based on the required needs within the county during the term of this contract.

Material Vendor shall be given a 72 hour advance notice of material order as needed by Gila County. The Vendor shall make materials available for pick-up and/or arrange delivery within this timeframe as directed by the County.

SAMPLES: Contractor may be requested to furnish samples of products for examination by the County. Any items so requested shall be furnished within five (5) working days from the date of request and furnished at no cost to the County and sent to the address designated in the Invitation for Bid. Unless otherwise specified, materials purchased will be inspected by the Using Agency to ensure the product meets the quality and quantity requirements of the Specifications. Material may be sampled for compliance, as deemed necessary by the County. Any material not meeting the specifications of the contract will be rejected.

The Board of Supervisors may designate other or alternate delivery sites at any time during the term of the Contract. These needs may be based on, but not limited to, seasonal emergency, historical usage data.

Contractor may be required to deliver material on a twenty-four (24) hour notice to any region of Gila County.

Distributor trucks shall comply with ADOT Standard Specifications for Road and Bridge Constructions, Section 404, latest edition and revision, and must have a computerized distribution system. If in the opinion of the Public Works director or his designee, the CRS-2 Chip Seal Oil product is placed utilizing equipment which is not capable of accurately measuring and/or applying the liquid asphalt product at a uniform rate as specified, shall be cause for the liquid asphalt product to be applied at no additional cost to Gila County.

SECTION 4
INSTRUCTIONS TO SUBMITTERS

IMPORTANT: SECTION 4, INSTRUCTIONS TO CONTRACTORS AND SECTION 2, CONTRACTORS AWARD AGREEMENT ARE BASIC CONTENT TO GILA COUNTY BID PACKAGES. INDIVIDUAL BIDS MAY REQUIRE DIFFERENT LANGUAGE FOR INSTRUCTIONS AND AWARD AGREEMENTS. WHERE APPLICABLE, SUCH CHANGES WILL APPEAR IN SECTION 1, PRODUCT SPECIFICATIONS AND INFORMATION AND TAKE PRECEDENCE OVER THE LANGUAGE APPEARING IN SECTIONS 4 AND 2.

Preparation of Bid

A. Sealed Bids will be received by the County of Gila Public Works Division, from individuals and Contractors to deliver the product(s), goods and services contained to establish a contract for specified locations within Gila County. The County seeks sealed offers only from qualified, experienced Contractors able to provide service which is, in all respects, responsive to the specifications. All offers shall be on the forms provided in this Invitation for Bid package. It is permissible to copy these forms if required.

B. Before submitting its Bid each Contractor shall familiarize itself with the Scope of Work, and laws, regulations and other factors affecting performance of work. It shall carefully correlate its observations with requirements of the Contract and otherwise satisfy itself of the expense and difficulties attending the performance of the work. The submission of an Offer will constitute a representation of compliance by the Contractor. There will be no subsequent financial adjustment, other than that provided for by the Contract, for lack of such familiarization.

C. Contractors must complete the Attached Forms provided in this Invitation for Bid package in full, **original signature** in ink, by the person(s) authorized to sign the forms and to be submitted at the time of Bid opening, and made a part of this contract. The County will use the Attached Forms in evaluating the capacity of contractors to perform the Scope of Services as set forth in the Contract. Failure of any contractor to complete and submit the Price Sheet and the Offer and Contract Award Pages at time and place of opening shall be grounds for automatic disqualification of contractor from further consideration.

D. The names of all persons authorized to sign the bid must also be legibly printed below the signature. Evidence of the authority of the person signing shall be furnished.

E. The full name of each person or company interested in the Bid shall be listed on the offer.

F. No alterations in Bids, or in the printed forms therefore, by erasures, interpolations, or otherwise will be acceptable unless each such alteration is signed or initialed by the Contractor; if initialed, the County may require the Contractor to identify any alteration so initialed.

Amendments

Any addendum issued as a result of any change in this Invitation for Bid must be acknowledged on the Contractor Check List and Addenda Acknowledgment Form, Attachment "G".

Failure to indicate receipt of addenda in one of the above manners may result in a Bid being rejected as non-responsive.

Inquires

A. Any questions related to this Invitation for Bid must be directed to those whose names appear on the Notice. Questions should be submitted in writing when time permits. The Gila County Supervisors, at their sole discretion, may require all questions be submitted in writing. Any correspondence related to the Invitation for Bid should refer to the appropriate page and paragraph number. However, the Contractor(s) must not place the Invitation for Bid number on the outside of an envelope containing questions since such an envelope may be identified as a Sealed Bid and may not be opened until after the official Invitation for Bid due date and time. Questions received less than three (3) working days prior to the date for opening Bids will be answered only if time permits. Only questions answered by formal written addenda will be binding. Oral and other interpretations or clarifications will be without legal effect.

B. Bid results ARE NOT provided in response to telephone inquires'. Bidder must be present at bid opening for results. A tabulation of offers received is on file in the Gila County Board of Supervisors and Procurement offices and available for review after contract award.

Late Offers

Any Bid received later than the date and time specified on notice for Sealed Bid will be returned unopened. Late offers shall not be considered. Any Contractor submitting a late Bid shall be so notified.

Submittal Bid Format

It is requested that One (1) Original and Two (2) copies (3 TOTAL), ORIGINAL SIGNATURES ON ALL COPIES, of the Attached Forms, shall be submitted in the format specified in the Invitation for Bid. The County will not be liable for any cost incident to the preparation of offers, materials, reproductions, presentations, copy-right infringements, etc. It is permissible to copy these forms if required. Facsimiles or mailgrams shall not be considered.

1. By signature in the Offer Section of the Offer and Contract Award Form, contractor certifies:
   A. The submission of the offer did not involve collusion or other anti-competitive practices.
   B. The contractor has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted offer.

   C. In order to conserve resources, reduce procurement costs, improve timely acquisition and cost of supplies and to improve efficiency and economy of procurement, any political subdivision, Stated, County, City, Town, etc., of the State of Arizona, will be allowed by Contractor awarded the contract to purchase the same products, goods and services, at the same prices stated in the Bid. Delivery charges may differentiate depending on geographical location.

2. Offers submitted early may be modified or withdrawn by notice to the party receiving offers at the place and prior to the time designated for receipts of offers.

3. The County is not responsible for any Contractor's errors or omissions. Negligence in preparing an offer confers no right to the Contractor unless the Contractor discovers and corrects such errors prior to Bid deadline.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
