Cooperator Agreement No. _____

ROAD PROJECT AGREEMENT
Between The
GILA COUNTY
And The
USDA, FOREST SERVICE, TONTO NATIONAL FOREST

This Project Agreement (agreement) is hereby made and entered into by and between Gila County, hereinafter referred to as "Cooperator," and the USDA, Forest Service, Tonto National Forest, hereinafter referred to as the "U.S. Forest Service," as specified under the authority and provisions of the Cooperative Forest Road Agreement #10-RO-11031200-006 executed between the parties on September 30, 2009.

I. BACKGROUND:

The parties entered into a Forest Development Road Cooperative Agreement (Coop Agreement) on September 30, 2009. This Coop Agreement allows for the parties to cooperate in the planning, survey, design, construction, reconstruction, improvement and maintenance of certain forest roads. The Schedule A, which is attached to the Coop Agreement, identifies the maintenance responsibilities of the parties to the specific road systems and may be revised as necessary. The process of revising the Schedule A can be labor intensive and time consuming due to requiring extensive valuations and several levels of formal review. Accordingly, formal revision of the Schedule A does not readily lend itself to rapid response times, adjusting to limited funding opportunities and a high degree of site condition specificity.

The Coop Agreement allows for specific Project Agreements between the parties with the intent of completing work as expeditiously as available funds or work opportunities allow.

The Coop Agreement identifies numerous requirements for the development of Project Agreements. These requirements include but are not limited to:

- The specific project (road) must be included in an approved U.S. Forest Service – Cooperator plan (Schedule A).
- Mutual approval.
- The cost to be borne by each party.
- The amount of cooperative funds as set forth in the Project Agreement shall be the maximum commitment of either party unless changed by a formal modification prior to incurring any expense.
- Work must be completed in accordance with agreed upon standards.

II. PURPOSE:

The purpose of this Project Agreement (agreement) is to document the parties' cooperation in the Annual Maintenance Plan as provided for in the Cooperative agreement between Gila County and the Tonto National Forest. The work is as described in the hereby incorporated Operating plan, attached as Exhibit A.

III. THE COOPERATOR SHALL:

- A. Perform in accordance with the Operating Plan, Exhibit A.
- B. Bill the U.S. Forest Service for actual costs incurred, not to exceed \$72,114.

IV. THE U.S. FOREST SERVICE SHALL:

- A. Perform in accordance with the Financial and Operating Plan, Exhibit A.
- B. PAYMENT/REIMBURSEMENT. The U.S. Forest Service shall reimburse the Cooperator for the U.S. Forest Service's share of actual expenses incurred, not to exceed \$72,114 as shown in the Financial Plan. Incremental Funding will occur due to the Continuing Resolution. At this time \$38,000 is to be obligated. A modification will be processed to add additional funds when they become available. The U.S. Forest Service shall make payment upon receipt of Cooperator's quarterly invoice. Each invoice from the Cooperator must display the total project costs for the billing period.

Each invoice must include, at a minimum:

- 1) Cooperator's name, address, and telephone number
- 2) U.S. Forest Service agreement number
- 3) Invoice date
- 4) Performance dates of the work completed (start and end)
- 5) Total invoice amount for the billing period

The invoice must be forwarded to:
