Dear Michael/Shane:

On behalf of the FDA, I am pleased to inform you that your application for 2012 Program Standards funding has been **approved**. Your Agency will receive \$2,500.00 upon completion of the following activity per your proposal.

The Environmental Health section of the division have no policies for how to perform an inspections using HACCP principles (Standard 3). We like to use the grant monies to complete all the policies and procedures required to meet standard 3. This process would also require the training all personnel to follow the new policies.

You will have until **July 31, 2013** for completing your project and submission of all required paper to me including:

- documentation described in your application of completed project
- signed invoice on official letterhead (original or pdf)

Sincere congratulations to you. Your diligence and dedication will provide greater public health protection to the community that you serve. Please feel free to contact me if you have any questions or need more information.

Best Regards,

John A. Marcello
