Amendment No. 5 to Energy Wise Weatherization Program Agreement for January 1, 2010 to December 31, 2010

Dear David:

Enclosed is Amendment No. 5 for the Agreement for APS Energy Wise Low Income Weatherization Program between the Gila County Community Action Agency and APS for the March 1, 2010 to December 31, 2010 timeframe. Please review, sign, and return one copy of the entire package to APS.

The Amendment addresses the following provisions of ACC Decision No. 71444, Docketed December 23, 2009, "In the Matter of the Application of Arizona Public Service Company for the Approval of its 2010 Energy Efficiency Implementation Plan:

- Additional Weatherization funding for the term of \$25,131. Please note that this funding can only be used specifically for weatherization activities and program delivery costs. These funds are not eligible to be used for Repair and Replace, Health and Safety, or Bill Assistance.

The ACC Decision also approved an increase in the customer income eligibility guideline from 150% to 200% of FPL. This change was addressed in the previous amendment. This Decision also provides additional funds to cover the cost of refrigerator replacement (up to \$150) in instances where replacement is determined to be cost effective. Additionally, if your organization would like to provide some weatherization kits to your clients, funds are available; please contact me if you are interested in either of these new program elements.

Please acknowledge this Amendment No. 5 to the Agreement by signing and returning it to my attention. If you have any questions or require further clarification, please feel free to contact me. I look forward to working with your agency as we strive to improve the lives of our limited income customers.

Sincerely,

Jerry Mendoza
