WITNESSETH: The Contractor, for and in consideration of the sum to be paid him by the County, in the manner and at the time hereinafter provided, and of the other covenants and agreement's herein contained, hereby agrees, for himself, his heirs, administrators, successors, and assigns as follows:

ARTICLE 1 – SCOPE OF SERVICES: The Contractor shall provide the services and products listed in the Scope of Work below and shall do so in a good, workmanlike and substantial manner and to the satisfaction of the County under the direction of the Facilities Manager Director or designee.

All work performed by the Contractor shall be completed to local codes and regulation per Gila County and the State of Arizona and consistent with all Gila County guidelines.

Scope of Work: Refer to attached Attachment “A” by mention made a binding part of this agreement as set forth herein.

Contractor Fee’s: Refer to Attachment “A” by mention made a binding part of this agreement as set forth herein. To the extent that the terms and conditions of this Service Agreement conflict with the Terms and Conditions of Attachment “A”, the terms and conditions of this service agreement will prevail and govern the contractual relationship between the parties.

ARTICLE 2 – TERMINATION: The County reserves the right to terminate the Contract, in whole or in part at any time, when in the best interest of the County, without penalty or recourse. Upon receipt of the written notice, the Contractor shall stop all work as directed in the notice. If the contract is terminated, the County shall be liable only for the services rendered under this contract and accepted material received by the County before the effective date of termination.

This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnatee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by Contractor from and against any and all claims. It is agreed that Contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. In consideration of the award of this contract, the Contractor agrees to waive all rights of subrogation against the County, its officers, officials, agents and employees for losses arising from the work performed by the Contractor for the County.

The County project/contract number and project description shall be noted on the certificate of insurance. Contractor shall further ensure that each subcontractor who performs any work for Contractor under this contract likewise complies with the State and Federal Immigration Laws. County shall have the right at any time to inspect the books and records of Contractor and any subcontractor in order to verify such party’s compliance with the State and Federal Immigration Laws.

Any breach of Contractor’s or any subcontractor’s warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, shall be deemed to be a material breach of this Contract subjecting Contractor to penalties up to and including suspension or termination of this Contract. If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Contractor shall be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor as soon as possible so as not to delay project completion.

Contractor shall advise each subcontractor of County’s rights, and the subcontractor’s obligations, under this Article by including a provision in each subcontract substantially in the following form: “Subcontractor hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to Subcontractor’s employees, and with the requirements of A.R.S. § 23-214 (A). Subcontractor further agrees that County may inspect the Subcontractor’s books and records to insure that Subcontractor is in compliance with these requirements. Any breach of this paragraph by Subcontractor will be deemed to be a material breach of this contract subjecting Subcontractor to penalties up to and including suspension or termination of this contract.”

Any additional costs attributable directly or indirectly to remedial action under this Article shall be the responsibility of Contractor. In the event that remedial action under this Article results in delay to one or more tasks on the critical path of Contractor’s approved construction or critical milestones schedule, such period of delay shall be deemed excusable delay for which Contractor shall be entitled to an extension of time, but not costs.

ARTICLE 6 – LAWS AND ORDINANCES: This agreement shall be enforced under the laws of the State of Arizona. Contractor shall maintain in current status all Federal, State and Local licenses and permits required for the operation of the business conducted by the Contractor. The Contractor shall comply with the applicable provisions of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the Act.

ARTICLE 7- ANTI-TERRORISM WARRANTY: Pursuant to A.R.S. § 35-393.06(B) and 35-301.06(A) the Contractor certifies that it does not have scrutinized business operations in Iran or Sudan and that they are in compliance with the Export Administration Act and not on the Excluded Parties List.

ARTICLE 8 – CANCELLATION: This agreement is subject to cancellation pursuant to A.R.S. §38-511. If the Agreement is terminated, the county shall be liable only for payment for services rendered and accepted material received by the County before the effective date of termination.

ARTICLE 9 – RELATIONSHIP OF THE PARTIES: Contractor is an independent contractor of the County. Contractor represents that he has or will secure, at his own expense, all personnel required in performing the services under this contract. Such personnel shall not be employees of or have any contractual relationship with the County. All personnel engaged in work under this contract shall be fully qualified and shall be authorized or permitted under State and local law to perform such services. Contractor warrants that he has obtained or will obtain Worker’s Compensation Insurance for his employees working on this contract and that any subcontractors will likewise obtain Worker’s Compensation Insurance for of their employees working on this contract. It is further agreed by Contractor that he shall obey all state and federal statutes, rules, and regulations which are applicable to provisions of the services called for herein. Neither Contractor nor any employee of the Contractor shall be deemed an officer, employee, or agent of the County.

ARTICLE 10 – NON-APPROPRIATIONS CLAUSE: Contractor acknowledges that the County is a governmental entity, and the contract validity is based upon the availability of public funding under its authority. In the event that public funds are unavailable and not appropriated for the performance of County’s obligations under this contract, then this contract shall automatically expire without penalty to County after written notice to Contractor of the unavailability and non-appropriation of public funds. It is expressly agreed that the County shall only activate this non-appropriation provision as an emergency fiscal measure. The County shall not activate this non-appropriation provision for its convenience, to circumvent the requirements of this contract, or to enable the County to contract with another Contractor for the same supplies or services covered under this Addendum.

ARTICLE 11 – ENTIRE CONTRACT CLAUSE: The Contractor and the County have read this Contract and agree to be bound by all of its terms, and further agree that it constitutes the entire contract between the two parties and may only be modified by a written mutual contract signed by the parties. No oral agreement or oral provision outside this Contract shall have any force or effect.

ARTICLE 12 – NON-WAIVER OF ENFORCEABILITY: Failure of the County to enforce, at any time, any of the provisions of this Contract, or to request at any time performance by Contractor of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way affect the validity of this contract or any part thereof, or the right of the County to enforce each and every provision

ARTICLE 13 – GOVERNING LAW: Both parties agree that this Contract shall be governed by the laws of the state of Arizona. The parties further agree that the jurisdiction for any legal disputes arising out of this Contract shall be the Superior Court of the State of Arizona. The parties agree that even if this Contract does not specifically reference any provision required by state or federal law, those state and federally required provisions are incorporated into this Contract by this reference as though they were specifically listed herein.

ARTICLE 14– TERM: The term of the Contract shall commence upon award and remain in effect for a period of sixty days.

ARTICLE 15 – PAYMENT/BILLING: Contractor shall be paid a flat fee of \$ 3,374.45 for completion of the projects as outlined in the Scope of Services.

- Contract Number
- Invoice Number

Any alterations to the scope of work resulting in a change in cost must have prior written approval by the County. Any unauthorized work may result in non-payment to the vendor.

Gila County employs a "Net 15" payment term for services meaning the payment will be issued fifteen (15) days from the date the County receives the invoice from the Contractor. Purchase orders sent to the Contractor reflect these terms and conditions.

The Contractor shall have a current I.R.S. W-9 form on file with the County unless not required by law. The County shall not remit payment if the Contractor does not have a current W-9.

IN WITNESS WHEREOF, Service Agreement No. 030613 has been duly executed by the parties hereinabove named, on the date and year first above written.
