Subject: IDA Board: William Byrne and Mickie Nye

Hello, Marian.

As per our conversation, I spoke with IDA Board Members William Byrne and Mickie Nye. Both Mickie Nye and William Byrne expressed interest in continuing to serve the community through the IDA Board.

Please consider this e-mail as a request by the Gila County Industrial Development Authority to reappoint William Byrne and Mickie Nye for another term on the Board.

Kind regards,

Sandy Palmer

Administrative Manager
Industrial Development Authority
