Gila County Library District

DESCRIPTION OF EXPECTED USE OF SGIA FUNDS:

The Gila County Library District will be using the SGIA 2014 monies to provide training, travel, equipment upgrades, collection development, and provide for special projects throughout the Gila County Library District. We will keep a portion of the funds at the district level, and give a portion of the funds to each of the libraries.

FOR THE DISTRICT AS A WHOLE: 30% or \$7,000

We use these funds in various ways to supplement our services to the eight affiliate libraries.

- Part of SGIA funds are earmarked for the AZLA conference to encourage networking with other library peers, travel and training opportunities, both for the district staff, and staff at the eight libraries.
- We will continue to provide the Wilson Standard Catalog "5 pack" database for the Affiliate and District staff's use.
- We will continue to purchase public access to a genealogy database and the Learning Express Databases.
- The District will again bulk purchase Movie Licensing USA for the Affiliate Libraries in order for all to comply with the copyright laws.

FOR THE INDIVIDUAL LIBRARIES: 70% OR \$16,000

Each library in the district will be allocated \$2,000.00 to be spent on programs, projects or materials that the local librarian has determined is important to them, but that they do not have funds for in their regular budgets. These projects may include computer upgrades, collection development of both print and non-print materials, supplies, equipment, and summer reading supplies. In past years, SGIA funds have been used at the local level to provide for special programs, such as guest speakers and workshops in connection with Summer Reading Programs. Since the eight libraries are vastly different, their needs are also vastly different and varied. In fact, the only common thread is that they all have needs that their regular budgets do not cover.
