

AMENDMENT NO. 1

The following amendments are hereby incorporated into the contract documents for the below stated project:

SERVICE AGREEMENT NO. 102513-1 SEPTIC SERVICE - FAIRGROUNDS

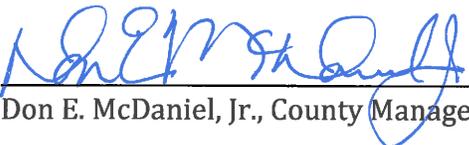

EARTHQUEST PLUMBING, INC.

Effective October 30, 2013, Gila County and Earthquest Plumbing, Inc. entered into a contract whereby the Contractor agreed to provide septic system inspections at the Fairgrounds. Public Works was unable to find any records indicating the two septic systems at the Fairgrounds had ever been serviced. Service Agreement No. 102513-1 was issued for the Contractor to inspect the two septic tanks and determine the cost of pumping them. The original contract was issued in the amount of \$350.00 for the inspection of both septic systems.

At the time Service Agreement No. 102513-1 was executed, the Contractor quoted a rate of \$175 per 1,000 gallons to pump out. A total of 5,000 gallons had to be pumped out.

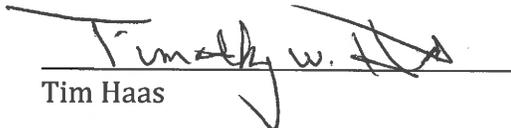

Amendment No. 1 will increase the original contract amount by Eight Hundred, Seventy-five dollars and no/100's (\$875) to cover the costs associated with pumping the two septic tanks at the Fairgrounds. All other terms and conditions of the original agreement shall remain the same.
