**CONTRACT 041613-2
WASTE WORKS SOFTWARE SUPPORT**

CAROLINA SOFTWARE

Effective April 25, 2013, Gila County and Carolina Software entered into a contract whereby Carolina Software agreed to provide annual software support for the Waste Works software for the Gila County Solid Waste Department.

In November 2013, the Gila County Solid Waste Department purchased WasteWORKS laser tickets, which totaled Three Hundred Thirty-four dollars and 63/100's (\$334.63). The laser tickets are the forms used by the software program, to print invoices for landfill transactions.

Amendment No. 1 will serve to increase the contract amount by Three Hundred Thirty-four dollars and 63/100's (\$334.63) to cover the additional expense.

Contractor will continue to bill for services pursuant to Attachment "A" to Service Agreement No. 041613-2 of the original contract, but in no event shall charges for the July 1, 2013 to June 30, 2014 contract term exceed \$1,534.63 without prior written agreement of the County.

All other terms and conditions of the original agreement shall remain in full force and affect during the term of the contract.

IN WITNESS WHEREOF, two (2) identical counterparts of this amendment, each which shall include original signatures and for all purposes be deemed an original thereof, have been duly executed by the parties hereinabove named, on this 15TH day of JANUARY, 2014.
