Re: Agreement # 928369 (The "Agreement")

To Whom It May Concern:

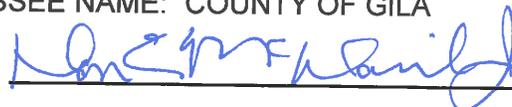

We understand that you are contemplating entering into an agreement with GreatAmerica for the lease/rental of certain office equipment and that you desire to have GreatAmerica sign the Agreement before you sign it. Ordinarily, we do not sign agreements until after the lessee/customer has signed the document(s) and after we have confirmed with the customer/lessee that the equipment has been delivered and is satisfactory. However, if you have a strong desire that we sign the Agreement first, we are okay with that; provided that you understand that our signature on the Agreement is subject to your confirmation that: (a) the equipment is delivered to you by your vendor, (b) the equipment is unconditionally accepted by you, (c) the Agreement shall be deemed to have been executed in Iowa and (d) there are no cross offs or changes of any kind made to the Agreement.

Upon our receipt of a countersigned copy of this letter, we will send you a copy of the Agreement bearing our original signature as you requested. In turn, you will need to provide us with a copy of the Agreement bearing your original signature and per the requirements of our lenders, such Agreement, whether received by fax, mail or otherwise, will be determined to be the original Agreement for this transaction. If you have any questions, feel free to contact us.

Thank you.

Sincerely,

LESSEE NAME: COUNTY OF GILA
