

## PHOENIX METRO BICYCLE CLUB

February 14, 2014

Gila County Administrative Offices  
1400 E. Ash Street  
Globe, AZ 85501

To whom it may concern:

The Phoenix Metro Bicycle Club will be hosting in conjunction with the town of Superior and the Apache Leap Festival, a bicycle ride, *The Mining Country Challenge*, which will pass through your area on Saturday, March 15. The Phoenix Metro Bicycle Club is seeking permission to utilize the parking lot area of the county court house on that day as a rest stop for the cyclist's participating in the ride.

This is a "ride and not a "race". The Phoenix Metro Bicycle Club will provide to the appropriate persons proof of insurance which shows the Club will assume any liability associated with the Mining Country Challenge bicycle ride.

Thank you,

Charlie Davis, Board Member
