Upgrade from Lenel 32ES to Lenel ADV system License File

Contract No.:

13412 City of Avondale/S.A.V.E. Co-op

Statement of Purpose and Need (3-5 Sentences)

The Sheriff requests numerous card readers on several buildings to enhance employee security. We have a 32ES card reader system through Stanley and the maximum number of readers is 64. However, we have already expanded up to 96, so we must purchase a license for an ADV system. This will go well beyond 256 readers once it is installed. This system upgrade is \$8,362.73 installed. The Globe County jail hardware is \$6,424.10 installed.
