Re: Water Festival at O'Brien Field Ball Park

Dear Sir:

Freeport-McMoRan Miami Inc. (FMMI) hereby provides its consent for the premises known as the O'Brien Field Ball Park to be used by the Gila County School Superintendent's office for the purpose of sponsoring the Arizona Water Festival on March 27, 2014.

FMMI's consent is granted in accordance with the terms and conditions of that certain Lease Agreement, dated May 1, 1988, by and between Inspiration Consolidated Copper Company, predecessor in interest to FMMI, and the Board of Supervisors of Gila County. FMMI's consent is subject to Gila County providing a current certificate of liability insurance naming FMMI as an "additional insured" party.

We believe that the Water Festival will provide a great educational opportunity for area students and wish all participants the greatest success. If you need further assistance, please contact Jay Spehar at 473-7161.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Derek J. Cooke', written over a horizontal line.

Derek J. Cooke, General Manager
Freeport-McMoRan Miami Inc.
