

April 10, 2014

Mr. Don McDaniel  
County Manager, on behalf of the  
Gila County Board of Supervisors  
1400 East Ash Street  
Globe, Arizona

Dear Don,

On behalf of Bose Public Affairs Group (Bose) and for our federal government relations services for Gila County, enclosed is the April 2014 invoice reflecting March's monthly retainer and ordinary business expenses. Please note that, in accordance with our contract, Bose bills our monthly retainer for the work completed the month before along with covered expenses accrued the month before.

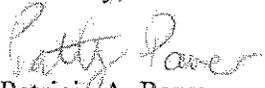

The NACo meeting reported in last month's letter continued into the beginning of March. We also monitored federal budget issues related to forest and transportation issues. In accordance with our current contract, I provide the following activity update:

- Provided support for Supervisor Martin's visit to Washington for the annual National Association of Counties (NACo) legislative meeting.
- Continued to discuss County priorities including forest health and wildfire threats and 4FRI, transportation needs, including ongoing forest road projects and the Tonto Creek Bridge, PILT and SRS, Endangered Species Act decision impacts, water projects in Payson, and broader issues like immigration.
- Researched US Department of Transportation programs like FLAP.
- Prepared for the Supervisor Martin's visit to Washington for the Rural Action Caucus meeting in early April.

Please let me know if you have any questions about this month's invoice or report.

And as always, we are honored to serve the citizens of Gila County. Thank you for the opportunity.

Sincerely,

  
Patricia A. Power  
Enclosure

POWERFUL PERSUASION
