Scope of Work: Properly remove and properly dispose of an 8'x3' asbestos panel located behind a rock-mortar coating at the entrance of the Gila County Courthouse, as identified in the four pictures attached to this contract. Refer to attached Attachment "A" to Service Agreement No. 032614, by mention made a binding part of this agreement as set forth herein.

Contractor Fee's: Refer to Attachment "A" to Service Agreement No. 032614, by mention made a binding part of this agreement as set forth herein. To the extent that the terms and conditions of this Service Agreement conflict with the Terms and Conditions of Attachment "A" to Service Agreement No. 032614, the terms and conditions of this service agreement will prevail and govern the contractual relationship between the parties.

ARTICLE 2 – TERMINATION: The County reserves the right to terminate the Contract, in whole or in part at any time, when in the best interest of the County, without penalty or recourse. Upon receipt of the written notice, the Contractor shall stop all work as directed in the notice. ARTICLE 3 - INDEMNIFICATION: Contractor shall indemnify, defend, save and hold harmless the County of Gila and its officers, officials, agents, and employees (hereinafter referred to as "Indemnatee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Contractor or any of its owners, officers, directors, agents, employees or subcontractors. This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnatee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by Contractor from and against any and all claims. It is agreed that Contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. Contractor shall further ensure that each subcontractor who performs any work for Contractor under this contract likewise complies with the State and Federal Immigration Laws. County shall have the right at any time to inspect the books and records of Contractor and any subcontractor in order to verify such party's compliance with the State and Federal Immigration Laws.

Any breach of Contractor's or any subcontractor's warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, shall be deemed to be a material breach of this Contract subjecting Contractor to penalties up to and including suspension or termination of this Contract. If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Contractor shall be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor as soon as possible so as not to delay project completion.

Contractor shall advise each subcontractor of County's rights, and the subcontractor's obligations, under this Article by including a provision in each subcontract substantially in the following form: "Subcontractor hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to Subcontractor's employees, and with the requirements of A.R.S. § 23-214 (A). Subcontractor further agrees that County may inspect the Subcontractor's books and records to insure that Subcontractor is in compliance with these requirements. Any breach of this paragraph by Subcontractor will be deemed to be a material breach of this contract subjecting Subcontractor to penalties up to and including suspension or termination of this contract."

Any additional costs attributable directly or indirectly to remedial action under this Article shall be the responsibility of Contractor. In the event that remedial action under this Article results in delay to one or more tasks on the critical path of Contractor's approved construction or critical milestones schedule, such period of delay shall be deemed excusable delay for which Contractor shall be entitled to an extension of time, but not costs.

ARTICLE 6- WARRANTY: Contractor expressly warrants that all goods or services furnished under this agreement shall conform to all specifications and appropriate standards, will be new, and will be free from defects in material or workmanship. Contractor warrants that all such goods or services will conform to any statements made on the containers or labels or advertisements for such goods, or services, and that any goods will be adequately contained, packaged, marked and labeled. Contractor warrants that all goods or services furnished hereunder will be merchantable, and will be safe and appropriate for the purpose for which goods or services of that kind are normally used. If Contractor knows or has reason to know the particular purpose for which County intends to use the goods or services, Contractor warrants that such goods or services will be fit for such particular purpose. Contractor warrants that goods or services furnished will conform in all respects to samples. Inspection, test, acceptance of use of the goods or services furnished hereunder shall not affect the Contractor's obligation under this warranty, and such warranties shall survive inspection, test, acceptance and use. Contractor's warranty shall run to County, its successors, and assigns. Contractor agrees to replace or correct, at Contractor's sole cost and expense, defects of any goods or services not conforming to the foregoing warranty, or improperly installed, as well as guarantee to the County and to the Owner, against liability, losses or damage to any or all parts of the work arising from said installation during a period of two (2) years from date of completion. All guarantees will inure to the benefit of the County and the Owner, their successors or assigns, including equipment warranties, ordinary wear and tear and unusual abuse or neglect excepted.

In the event of failure of Contractor to correct defects in or replace nonconforming goods or services promptly, County, after reasonable notice to Contractor, may make such corrections or replace such goods and services and charge Contractor for the cost incurred by the County in doing so. Contractor recognizes that County's requirements may require immediate repairs in reworking of defective goods, without notice to the Contractor. In such event, Contractor shall reimburse County for those costs, delays, or other damages which County has incurred.

ARTICLE 7 - LAWS AND ORDINANCES: This agreement shall be enforced under the laws of the State of Arizona. Contractor shall maintain in current status all Federal, State and Local licenses and permits required for the operation of the business conducted by the Contractor. ARTICLE 8 - CANCELLATION: This agreement is subject to cancellation pursuant to A.R.S. §38-511. If the Agreement is terminated, the county shall be liable only for payment for services rendered and accepted material received by the County before the effective date of termination.

Contractor represents that he has or will secure, at his own expense, all personnel required in performing the services under this contract. Such personnel shall not be employees of or have any contractual relationship with the County. All personnel engaged in work under this contract shall be fully qualified and shall be authorized or permitted under State and local law to perform such services. Contractor warrants that he has obtained or will obtain Worker's Compensation Insurance for his employees working on this contract and that any subcontractors will likewise obtain Worker's Compensation Insurance for of their employees working on this contract. It is further agreed by Contractor that he shall obey all state and federal statutes, rules, and regulations which are applicable to provisions of the services called for herein. Neither Contractor nor any employee of the Contractor shall be deemed an officer, employee, or agent of the County.

ARTICLE 10 - NON-APPROPRIATIONS CLAUSE: Contractor acknowledges that the County is a governmental entity, and the contract validity is based upon the availability of public funding under its authority. In the event that public funds are unavailable and not appropriated for the performance of County's obligations under this contract, then this contract shall automatically expire without penalty to County after written notice to Contractor of the unavailability and non-appropriation of public funds. It is expressly agreed that the County shall only activate this non-appropriation provision as an emergency fiscal measure. The County shall not activate this non-appropriation provision for its convenience, to circumvent the requirements of this contract, or to enable the County to contract with another Contractor for the same supplies or services covered under this Addendum.

ARTICLE 11 - ENTIRE CONTRACT CLAUSE: The Contractor and the County have read this Contract and agree to be bound by all of its terms, and further agree that it constitutes the entire contract between the two parties and may only be modified by a written mutual contract signed by the parties. No oral agreement or oral provision outside this Contract shall have any force or effect.

ARTICLE 12 - NON-WAIVER OF ENFORCEABILITY: Failure of the County to enforce, at any time, any of the provisions of this Contract, or to request at any time performance by Contractor of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way affect the validity of this contract or any part thereof, or the right of the County to enforce each and every provision

ARTICLE 13 - GOVERNING LAW: Both parties agree that this Contract shall be governed by the laws of the state of Arizona. The parties further agree that the jurisdiction for any legal disputes arising out of this Contract shall be the Superior Court of the State of Arizona. The parties agree that even if this Contract does not specifically reference any provision required by state or federal law, those state and

federally required provisions are incorporated into this Contract by this reference as though they were specifically listed herein.

ARTICLE 14- TERM: The term of the Contract shall commence on the date signed by County Manager and remain in effect for sixty (60) days from that date.

ARTICLE 15 - PAYMENT/BILLING: Contractor shall be paid a flat fee amount, up to but not to exceed, \$1,335.83 for completion of the projects as outlined in the Article 1-Scope of Services.

The Contractor shall have a current I.R.S. W-9 form on file with the County unless not required by law. The County shall not remit payment if the Contractor does not have a current W-9.

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or

• Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
