Re: C.A.R.E. Fair Supplies for Local Schools

Dear Ms. Lopez:

Pinto Valley Mining Corp. a subsidiary of Capstone Mining Corporation has been involved with the planning meetings and received a request from Gila County Community Services Division to help support the bi-annual C.A.R.E. Fair Supplies for Local Schools. We commend the county's effort to continue to help provide the needed supplies for the less fortunate children in our area when they begin school again in the fall.

Therefore, after careful review of the request letter by our community review team, we are very happy to partner with the county in this effort and are providing a check in the amount of \$5,000 to purchase the identified supplies for the schools. By partnering together our dollars will go a lot further in providing the requests.

We presented a receipt for signature at the time of presenting the check and if you need a copy of that receipt, please let me know and I will be happy to send you a copy for your records. If you have any questions or concerns about this donation, please contact me at 928-473-6211 or via e-mail at Anna.Petty@Pintovalleymine.com.

On behalf of Pinto Valley Mining Corp., I wish you every success with your continued efforts to support the teachers with the supplies that they desperately need to make their classrooms successful this coming year.

Warmest regards,

Anna Petty
