Dear Gila County Resident:

In order to maintain the safety of Gila County residents and assist our emergency service agencies it is suggested that the unnamed road that affects your parcel be named. An area map has been included.

In order to accomplish this, our office has received the suggested name "E Nail Ranch Rd". There is no charge associated with the naming; However residents would be responsible for posting signage if they so wished. As the naming was initiated by a citizen, the signatures of 75% of the property owners who own property adjacent to the road to be named must be received.

If you are in agreement of the name "E Nail Ranch Rd" please sign and return the petition to our office by August 1, 2014. If the needed signatures are received by August 1<sup>st</sup> you will receive public notification of the review date set by the Board of Supervisor's, providing you with an opportunity to voice any objections of the proposed road name.

Please feel free to contact our Rural Addressing Analyst, Steve McGill at (928) 402-8597 with any questions or concerns. Our offices are open from 8:00 a.m. to 5:00 p.m. Monday through Friday.

Respectfully,

Steve McGill
