### **SOFTWARE AGREEMENT**

#### **OPENGOV, INC.**

Effective March 01, 2014, Gila County and OpenGov, Inc. entered into an agreement whereby OpenGov, Inc. agreed to provide proprietary web applications that make Gila County financial data available, through an online portal, for the purpose of Transparency, to citizens and staff. Per Section 7 - Term & Termination of the agreement, the initial term of the agreement shall be from the Effective Date and shall continue for a period of twelve (12) months from that date.

Amendment No. 1 will serve to change the Effective Date from March 01, 2014 to July 01, 2014. Additionally, Amendment No. 1 will serve to cap the automatic renewals for a period not longer than four (4) years. Thereby, the Software Agreement with OpenGov, Inc. shall be amended for an initial period of twelve months, from July 01, 2014 to June 30, 2015. The Agreement shall automatically renew for four twelve (12) month periods, ending on June 30, 2019, unless terminated sooner upon thirty (30) day written notice.

Contractor will continue to bill for services pursuant to the terms of the original Software Agreement, but in no event shall charges for the July 01, 2014 to June 30, 2015 term exceed \$4,900.00 without prior written agreement of the County.

All other terms and conditions of the original agreement shall remain in full force and affect during the term of the Agreement.

**IN WITNESS WHEREOF**, two (2) identical counterparts of this amendment, each which shall include original signatures and for all purposes be deemed an original thereof, have been duly executed by the parties hereinabove named, on this 17 day of SEPTEMBER, 2014.
