Dear Supervisor Martin,

Again this year I anticipate our Northern Gila County Fair will be a great success! It is a pleasure to be involved with every aspect from the photography, botanicals, baked goods, arts & crafts and the animal auction. This year we will be having a motocross event which will be fun for the entire family!

As we do every year, we invited the local schools to bring the children for a day at the fair on Friday. They will get to see all the exhibits and animals. What a great learning day for them!

This was my second year as the treasurer of the organization, and I am happy to report all our bills are paid in full. We really appreciate the County Supervisors continued help to support our tradition with a donation which helps us get going for next year's fair.

Funds provide exhibit tents, announcers, judges, awards, ribbons, buckles, night security, and of course port-a-potty facilities and trash removal. It would be very much appreciated if you could help us out with whatever possible.

If you have any questions or concerns please feel free to contact me.

Thanking you in advance,

Rick Korth
