Beau,

I want to thank you for submitting an application to do a rezoning on parcel No. 301-19-055B in Pine, Arizona. I am sorry that things did not work out as plan, but I have to congratulate you for acknowledging the fact that the support system from the locals would not be there for you and it was time to withdraw. I enjoyed working with you and I wish you the best.

Please send me a letter stating you have withdrawn the rezoning application. You can send it via email.

Let me know how Mr. Gould, myself or any other staff member can be of help to you now or in the near future.

I appreciate your prompt response on this matter.

Thanks!
