ONBOARDING - STANDARD

OVERVIEW

The standard onboarding is right-sized to support small to medium organizations on deploying all basic Mass Notification and Interactive Visibility functionality. A dedicated onboarding specialist is provided to guide you through the onboarding process and provide strategic advice, tailored to your organization.

Included Standard Onboarding Resources

- + Client portal
- + Knowledgebase
- + Everbridge University
- + Up to 10 hours of an onboarding specialist

TIME FRAME

Standard Everbridge Onboarding requires approximately 15 days to complete. Depending on the size and complexity of the organization, it may take more or less time. The timeframe can be tailored within the following limits for standard onboarding:

- + Access to an Onboarding Specialist for up to 10 hours.
- + Onboarding Specialist hours must be used within 60 days of contract signing.
- + Additional hours are billable at \$250/hr.

SCOPE

A standard onboarding will provide the following:

- + Orientation to your onboarding resources, including the Everbridge Client Portal, knowledgebase articles library, and Everbridge University.
- + Access to your functional account, configured with default templates and default notification paths.
- + 30-minute hands-on demo of creating new users, the basic setup of contacts and the sending of a test notification.
- + Best practices and onboarding guidance as outlined in this document.
- + The onboarding specialist will ensure the client has demonstrated the ability to upload a sample of their contact data, send a notification and interpret the results.

KEY MILESTONES

ORIENTATION CALL

This call will provide an orientation to Everbridge onboarding resources and a review of preparation necessary to conduct a successful onboarding.

KICK-OFF CALL

The Kick-off call will focus on reviewing the basic settings and developing the onboarding project plan.

CONSULTATION CALL

The Consultation Call will focus on reviewing the completion of the project plan and identifying gaps and next steps.

CLOSE-OUT CALL

The Close-out Call will provide guidance on go-live strategies and mark the account's transition to customer success.

KEY MILESTONES

ORIENTATION CALL

The purpose of the orientation call is to prepare for the onboarding process. The Everbridge specialist will provide an overview of the onboarding process to key client stakeholders, introduce the stakeholders to the various onboarding resources, provide a short, interactive demo and access to a live, working account preloaded with default templates and settings. Orientation calls will be held within 5 days of the completion of your order processing. The specialist will also provide a checklist of actions to be completed in order to kick-off the onboarding process. The Call Agenda will include the following:

- + Introductions
- + Review communication goals/use cases
- + Review onboarding process
- + Review resources available to the client
- + Review the success criteria of the Milestone calls
- + Schedule all follow up calls
- + Review the Getting Started checklist
- + An onboarding specialist will provide a demo of the product showing how to create a new user, how to create a contact, and how to send a message using a pre-loaded test template. At the conclusion of the demo, the customer will be provided with their live production account.

Time: 1.5-2 hours

KICK-OFF CALL

The Kick-off call will be held as soon as the actions on the Getting Started checklist are complete, but no later than 3 weeks after the Orientation Call. The agenda will include the following items:

- + Review completion of the Getting Started checklist
- + Verify settings and configurations selected
- + Discuss design and strategy of the organization hierarchy in relation to the client's needs.
- + Review Role-based access control and its application with the client's organization.
- + Review the contact data quality of the sample uploaded by the customer.
- + Upon successful setup of the basic settings, the onboarding specialist will provide a customized Project Plan to guide the remainder of the onboarding. The Project Plan will include guidance on topics such as: data management strategy, reporting, groups and filters, mobile manager, awareness campaigns, training plans, member portal, Weather, IV, and mobile member.

Time: 1-2 hours

CONSULTATION CALL

The Consultation Call should be scheduled to take place within 5 days of the Kick-off Call. The call is a strategy session between the onboarder and the customer, with the following objectives:

- + Review Project Plan action items
- + Define testing strategy
- + Review contact management strategy
- + Review relevant advanced configuration topics

Time: 1-2 hours

CLOSE-OUT CALL

The close out should occur approximately 3-4 weeks after Orientation (not to exceed 60 days). The call will provide a final opportunity for the client to strategize with the onboarding specialist and will cover the following topics:

- + Functional testing conducted by customers/or review results of functional testing
- + Discuss transition to customer success
- + Provide best practices for troubleshooting issues
- + Where to find support information
- + Roll-Out Planning:
 - Review project plan for completing system-wide test
 - Review best practices for system test planning
 - Awareness programs

Time: 1 hour

EVERBRIDGE UNIVERSITY

- + Learning modules and training are continuously available and free for customers and partners to learn or review
- + Use Adobe flash videos with audio narrations
- + Self-paced training that allows students to learn when they have time and at their own pace
- + Just-in-time learning using small, focused content modules
- + No travel or facilities required, the classroom is anywhere a learner has Internet access
