### Acceptance of Appointment

I agree to serve as a Precinct Committeeman. I will support the goals of the Arizona Republican Party and the Gila County Republican Committee, and help promote the Republican message in Arizona and Gila County.

The generally accepted duties of a Precinct Committeeman shall include:

1. Active participation in the Gila County Republican Party. A Precinct Committeeman should regularly attend Party Precinct Committeeman meetings as well as other Republican meetings and events and become actively involved in the affairs of the Party.
2. Support for nominees of the Republican Party. (Campaigning for a nominee of an opposition party constitutes failure to fulfill this duty.)
3. Active assistance to the Republican Party in obtaining Republican registered voters.
4. Active assistance to Republican voters on Election Day.
5. Financial assistance or time commitment to fund-raising activities of the Republican Party.
