Gila County Board of Supervisors
Attn: Chairman Michael Pastor
1400 E. Ash Street
Globe, AZ 85501

Dear Sir,

The purpose of this letter is to provide a recommendation of a very qualified individual capable of stepping into my office in a smooth transition because of his background and personality.

I feel that Tony McDaniel, who has recently retired; after 24+ years of service; from the Arizona Department of Public Safety (DPS) would be the best choice that this county government could appoint as my replacement.

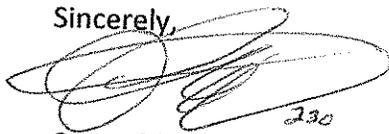

I have personally served closely with Tony in the Gila County Narcotics Task Force and in other areas of law enforcement throughout the years. Tony's integrity, honesty, work ethic, and abilities are 100% genuine. All of these attributes would be valuable assets to this office and to the Gila County taxpayers. Tony's experience and training as a proficient law enforcement officer promote safety for the public, his employees and himself, reducing liability and increasing a great public image.

The Judges, Attorneys, Sheriff, and most of their staff with whom Tony would be working, already know of him and his reputation. If you were to interview any of these people, they would have nothing but positive praise for Tony and would recommend him for the position of Constable. Because of this, it would be a smooth transition and take-over for the office and its operation.

Tony has received numerous awards for his work, two of which came personally from the President of the United States and will be presented in more detail in his resume.

I wish to maintain my valuable reputation with the recommendation I make to you for a replacement for Constable. It is a great burden in considering who would be a replacement that would live up to and/or exceed the reputation that I have worked hard to obtain. For the reasons listed above and as previously stated, I feel that Tony McDaniel would be the best choice that Gila County could appoint as Constable for The Payson Regional Constable's Office.

Sincerely,
