Gila County Sheriff's Office

Annual Report 2015

A Message from Sheriff Shepherd

To the Citizens of Gila County,

Welcome to the 2015 Annual Report from the Gila County Sheriff's Office.

You may notice that this year's edition has gone through considerable reformatting from our previous annual reports. This is the result of feedback from our stakeholders, including members of the public. It is our sincere hope that the information contained herein is presented in such a way that is informative, interesting and useful to the people of Gila County who fund our operations. We encourage all members of the public to contact our office should they need any specific information regarding a case we have worked on.

Once again I would like to bring your attention to the various methods in which members of the public can obtain information without contacting our office. If you are a Facebook user, please search for 'Gila County Sheriff's Office,' and follow our page for emergency notices and regional information, including our daily news releases. 'Offender Watch' is an automated sex-offender tracking system where residents can search their neighborhoods and sign up for alerts (http://www.gilacountyaz.gov/government/sheriff/sex_offender_search.php). Also this year we continue to be able to offer a completely anonymous reporting system for criminal activity thanks to partnerships with Freeport McMoran and the County Attorney's Office, called 'WeTip' (information can be provided online at www.wetip.com or by calling 1-800-78-crime). Statewide road conditions can be found through the State of Arizona's information system on the internet at www.AZ511.gov, or by calling 511.

We are always looking for persons who would like to explore a career in law enforcement, or who have served in another jurisdiction and would like to continue in public service. We have a wide diversity of opportunities that come up for employment throughout the year, including Deputy Sheriff, Detention Officer, Dispatcher, and various administrative positions. For information on employment with the Sheriff's Office please visit:
http://www.gilacountyaz.gov/government/human_resources/employment/employment_opportunities.php
by internet, or contact the Sheriff's Office or Gila County Human Resources in person (Globe, 928-425-4449 or Payson 928-474-2208).

In addition to paid employment, there is also a wide array of opportunities for citizens wishing to volunteer their time. We have Sheriffs Posses located at both ends of the county. The volunteers serve in a number of capacities, including patrol, security, search and rescue and other specialty areas. If you are interested in volunteering your time to your community, please come by one of our offices or contact us at the numbers shown.
Sincerely,

J. Adam Shepherd

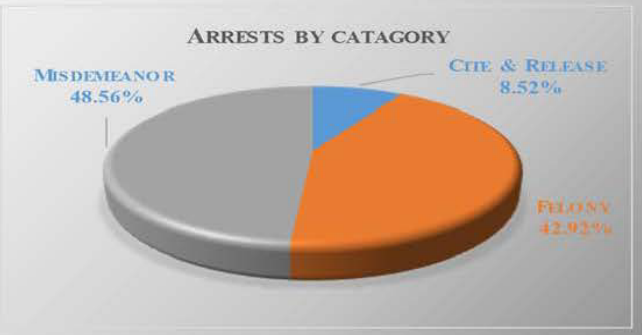
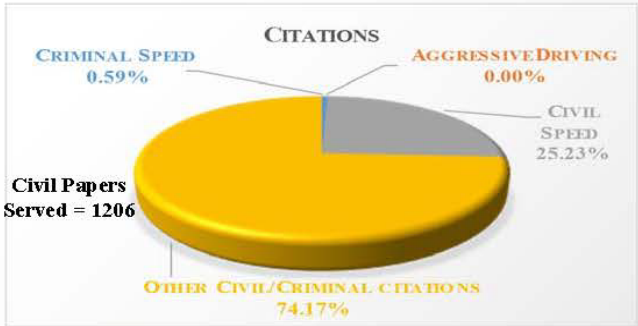
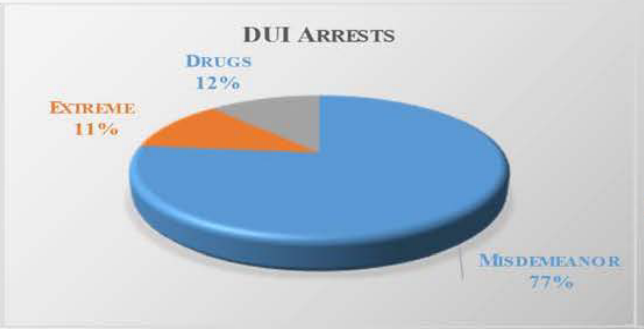
Crime Statistics 2015 Summary

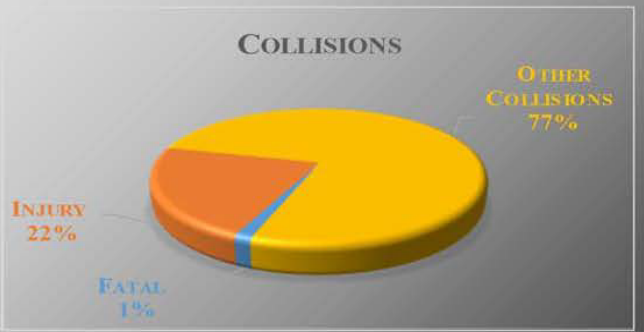
Annual statistics are compiled for the purpose of providing information to a number of county, state and federal agencies. This data helps to identify successful programs and initiatives set forth by this office and also identifies areas that may need to be re-evaluated.

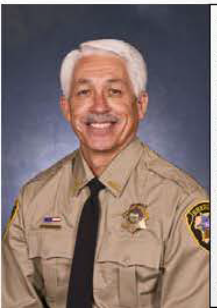
Administration Serivices is responsible for gathering and compiling raw data from each Bureau, then providing the information to the Command Staff for assessment. The following statistics are for county Fiscal Year 2015.











Update from the Chief Deputy:

The Sheriff's Office commitment to the public safety and security of our communities means that we want to share as much information as possible with the people we serve. The Crime Statistics show us where we may need to improve our systems, update equipment, streamline data collection processes, or shift resources to a program that may be seeing an increase in activity. The work of each employee contributes to our overall Common Operating Picture, so we are also constantly evaluating training requirements and needs. The following report includes additional information specific to area disiplines and programs.
We hope you find this year's format interesting and informative.

In 2015 a number of updates and improvements were made to Sheriff's Office systems that support Deputy Activities. Spillman Mobile Software was rolled out to patrol vehicles. This allows each deputy to access the Computer Aided Dispatching (CAD) and mapping from their vehicles. Deputies are able to see the same screen that Dispatchers are using, allowing both Dispatch and Deputies in the field to share real time information.

The installation of C-Soft equipment and software in dispatch is also enhancing Deputies ability to manage a multi-agency or multijurisdiction scene because Dispatch can create talk groups for specific areas of response. This function reduces radio traffic when communication needs to be clearly understood.

The mission of the Patrol Bureau is to protect and serve the communities of Gila County through patrol, education, training and other community involvement that reduces or eliminates criminal activity, teaches crime prevention, and encourages residents to enjoy safe homes and neighborhoods.

The mission of the Gila County Adult Detention Centers is to create an environment that promotes community safety, facility safety and the welfare of staff and inmates. Our goal is that facility operations comply with the standards for detention facilities set forth by the National Sheriff's Association, the Arizona Jail Guidelines and the National Commission of Correctional Health Care.

The effective operations of the Payson and Globe Detention Centers are dependent on the highly motivated and well trained men and women who strive to improve their individual job performances as well as their areas of responsibility within the Detention Centers. To encourage professional growth, staff members are provided training within the Detention Bureau as well as opportunities to attend specialized training at the state and national level.

The Officers of the Gila County Detention Centers represent the State of Arizona's finest.

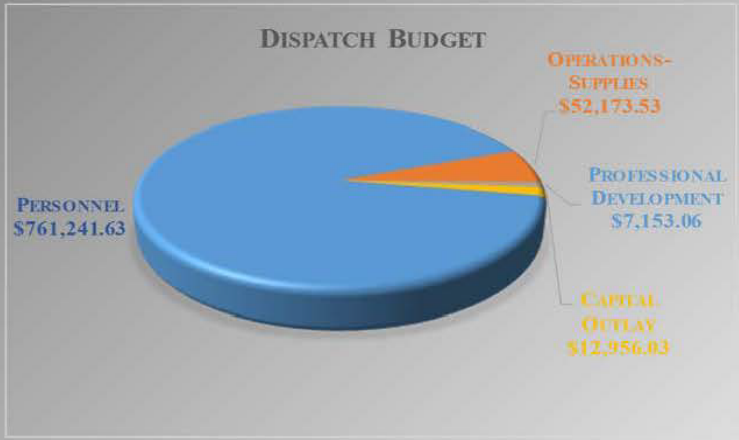
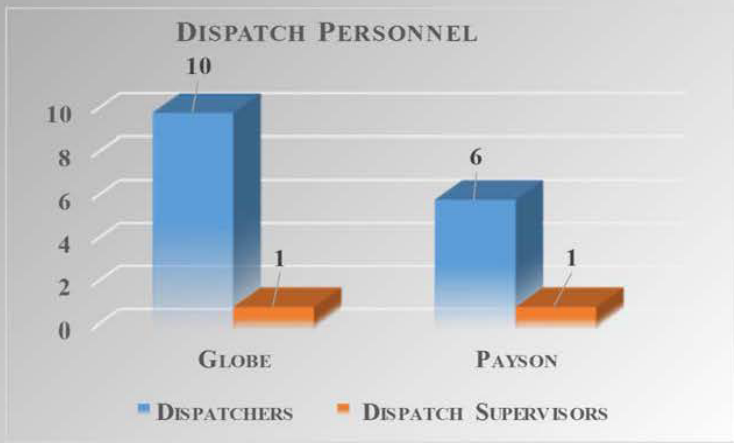
COMMUNICATIONS (DISPATCH) 2015 SUMMARY

FISCAL YEAR 2015 OPERATING BUDGET AND PERSONNEL

JULY 1, 2014 THRU JUNE 30, 2015





NATIONAL PUBLIC SAFETY TELECOMMUNICATORS WEEK

EACH YEAR, THE SECOND FULL WEEK OF APRIL IS DEDICATED TO THE MEN AND WOMEN WHO SERVE AS PUBLIC SAFETY TELECOMMUNICATORS. IT WAS FIRST CONCEIVED BY PATRICIA ANDERSON OF THE CONTRA COSTA COUNTY (CALIF.) SHERIFF'S OFFICE IN 1981 AND WAS OBSERVED ONLY AT THAT AGENCY FOR THREE YEARS. MEMBERS OF THE VIRGINIA AND NORTH CAROLINA CHAPTERS OF THE ASSOCIATION OF PUBLIC-SAFETY COMMUNICATIONS OFFICIALS (APCO) BECAME INVOLVED IN THE MID-1980S. BY THE EARLY 1990S, THE NATIONAL APCO ORGANIZATION CONVINCED CONGRESS OF THE NEED FOR A FORMAL PROCLAMATION. REP. EDWARD J. MARKEY (D-MASS.) INTRODUCED WHAT BECAME H.J. RES. 284 TO CREATE "NATIONAL PUBLIC SAFETY TELECOMMUNICATORS WEEK." ACCORDING TO CONGRESSIONAL PROCEDURE, IT WAS INTRODUCED TWICE MORE IN 1993 AND 1994, AND THEN BECAME PERMANENT, WITHOUT THE NEED FOR YEARLY INTRODUCTION.

DISPATCHING PARTNERSHIPS

AFTER MANY YEARS OF PLANNING, THE SHERIFF'S OFFICE DISPATCH CENTER GLOBE, SOON TO BE KNOWN AS THE COPPER CORRIDOR COMMUNICATIONS CENTER, WAS EQUIPPED AND READY TO OFFER DISPATCHING SERVICES TO THE CITY OF GLOBE. ON SEPTEMBER 21, 2015 GCSO BECAME THE OFFICIAL DISPATCH CENTER FOR GLOBE FIRE AND POLICE DEPARTMENTS.

SINCE THAT TIME GCSO HAS WORKED WITH THESE AGENCIES TO PROVIDE DISPATCH SERVICES WITH EFFICIENCY AND DEPENDABILITY.

SYSTEM UPDATES: A NEW SPILLMAN SOFTWARE INTERFACE IS NOW ALLOWING THE GLOBE FIRE DEPARTMENT TO SEE THE LATEST CALL INFORMATION IN THEIR UNITS BY PROVIDING AUTOMATIC UPDATES FROM DISPATCH AT 20 SECOND I NTERVALS. ADDITIONALLY, NEW MODULES WERE INSTALLED ON THE COMPUTER AIDED DISPATCH (CAD) SYSTEM THAT IS MAKING IT EASIER FOR DISPATCHERS TO ENTER INFORMATION THAT PREVIOUSLY WAS NOT EASILY ACCESSIBLE, SUCH AS PAWN SHOP TICKETS. DATA ENTRY IS TAKING 1/2 THE TIME! RADIO COMMUNICATIONS WERE ENHANCED WITH THE INSTALLATION OF C-SOFT, A RADIO FREQUENCY MANAGEMENT TOOL THAT ALLOWS DISPATCH TO CREATE TALK GROUPS ACROSS FREQUENCIES. THIS FUNCTION IS CUTTING DOWN ON RADIO TRAFFIC, ALLOWING SPECIALIZED RESPONDERS TO TALK TO EACH OTHER WHEN THERE IS NO NEED FOR DISPATCH TO MONITOR, FREEING UP DISPATCHERS AS THEY PERFORM ANY NUMBER OF THE MANY FUNCTIONS OF THE OFFICE.

Some other community events include: Downtown Globe Trick or Treat; Gila County Health Fair; Gila County Job Fair; the Payson Rodeo, to name a few. The guiding values of the Sheriff's Office help create positive, accessible role models within our organization.

Deputy Halenar with the Gila County Sheriff's Office in Payson was given a random gift from a citizen. The citizen picked the first person they saw which was Deputy Halenar. The generous gift was $100. Deputy Halenar felt this gift should be a benefit to the local community. The gift was given to the Payson Humane Society to help with their cause towards the animals they care for. Deputy Halenar presented the gift to Payson Humane Society Manager Chandra Cuschman. Thank you Payson Human Society for your exceptional and compasionate service, and thank you Deputy Halenar for your dedicated service to Gila County.

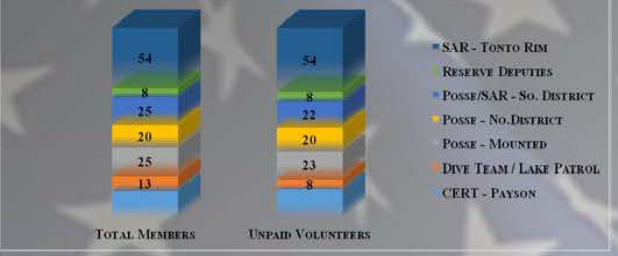
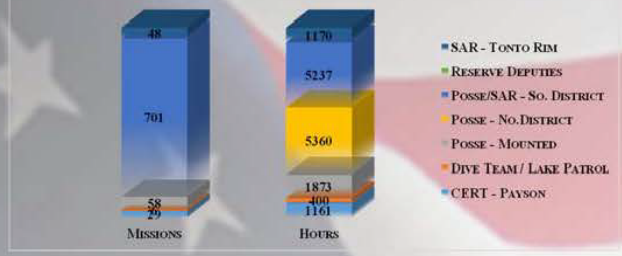
July 1, 2014 thru June 30, 2015

2015 Volunteer Teams Membership



2015 Missions & Hours Worked



Volunteer Savings for Gila County = $314,508.69

Dive Team

The Dive Team is called into service when a body or a piece of evidence is below the water's surface. Though this duty is voluntary and members are responsible for their own training and equipment, they are always ready to respond when needed. The Dive Team is comprised of Deputies and Detention Officers.

Gila County Sheriff's Mounted Posse

For the first time in Gila County history the Gila County Sheriff's Office has a certified Mounted Posse. The Mounted Posse consists of Deputies who have completed the Arizona Post Academy for Mounted Crowd Control. In the event of large crowds the Mounted Posse is available and prepared to keep the order. If you are interested in learning more about the Gila County Sheriff's Mounted Posse or to become a member, please contact Deputy Rodney Cronk at (928) 474-2208.

Gila County Sheriff's Payson Posse

This group does security details for events, groups and organizations in the Payson area. They also provide prisoner transport and support court officers as needed. At the request of the Sheriff, they may assist in all types of situations such as road closures during a Forest Fire. If you are interested on learning more about the Gila County Sheriff's Payson Posse or to become a member, please contact Deputy Rodney Cronk at (928) 474-2208.

Gila County Search and Rescue (SAR)

By Arizona Revised Statute, the Sheriff's Office must provide SAR availability. Gila County has two units: Gila County Search and Rescue south to the Roosevelt Bridge and Tonto Rim Search and Rescue in the northern part of Gila County. Both units are kept busy throughout the year with training, searches, rescues and community activities. If you are interested in learning more about Gila County Search and Rescue or to become a member, please contact Detective Johnny Holmes at (928) 402-1881.

Gila County Sheriff's Reserve Posse (SRP)

SRP provides security details for events, groups and organizations. They also provide prisoner transport as well as assist when needed on high profile trials within the County. Additionally, SRP members provide patrol operations to the more remote areas of Gila County by utilizing fully marked patrol vehicles in Cherry Creek, Hayden, Winkelman, Dripping Springs, Roosevelt and the Pinal Mountains. If you are interested in learning more about the Gila County Sheriff's Reserve Posse or to become a member, please contact Detective Johnny Holmes at (928) 402-1881.

Sheriff's Office CERT (Community Emergency Response Team)

CERT members give critical support to first responders in emergencies, provide immediate assistance to victims, organize spontaneous volunteers at a disaster site, and collect disaster intelligence to support first responder efforts. CERT receives training in the areas of disaster preparedness, traffic and crowd management, emergency communications, flood response, medical triage operations, disaster simulation. To learn more about becoming a Sheriff's Office CERT member, contact Deputy Rodney Cronk at (928) 474-2208.

School Resources

2015 Summary

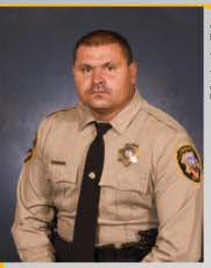
July 1, 2014 thru June 30, 2015

One of the most important parts of a school resource officer's duty is to interact with students through comprehensive prevention and intervention approaches. Officers maintain a visible presence on campus, deter delinquent and violent behaviors and serve as an available resource to the school community. Officers develop positive interactive relationships with the students, the staff, and the community that they serve. This proactive, prevention-based program is cultivated through collaborative working partnerships between officers, school administration, teachers, police and juvenile probation departments.

In some communities SROs are funded through school budgets, however as school funding continues to experience cutbacks, Sheriff Shepherd has made it his mission to maintain SROs in our schools. Deputies Escobedo and Eggert have dedicated themselves to supporting this mission.

SRO Escobedo enjoying some Christmas Cheer with Students at Lee Kornegay Intermediate school.

Fishing with Attitude 2015



School Resource Officer
Deputy Ronnie Escobedo

Serving:

Miami Junior/Senior High School 7-12
Lee Kornegay 4-6 Grade
Charles Bejarano K-3
Hayden Junior/Senior High School 7-12
Hayden elementary K-6

Deptuy Escobedo has been an SRO since the beginning of the 2015-2016 school year. He serves the schools listed above and takes interest in serving the Globe High School as time permits.
Deputy Escobedo would like the public to know that he absolutely enjoys working with all the kids and finds it very rewarding to watch the kids he interacts with as they make changes in their attitude and outlook towards law enforcement.
Deputy Escobedo's goal is make the schools he serves drug free and safe for all.

School Resource Officer
Deputy Gary Eggert

Serving:

Pine Strawberry School K-8
Tonto Basin School K-8
Young Public School K-12

Deputy Eggert divides his time equally among the schools mainly providing law enforcement service. The three main functions are to provide security, law related education and acting as a role model for the youth.
Deputy Eggert has trained all school staff in preventative security and emergency planning. This year each school was introduced to an Emergency Response Plan wall chart which is found in every classroom. Each school conducts emergency drills such as lock-downs and fire drills in preparation for emergencies.
Deputy Eggert provides law related classroom instruction and discussion for the students. The goal is to keep our kids in a safe learning environment while teaching them law related issues while mentoring the students to feel comfortable around police officers.
