Re: Cherry Flats Road – Right of Way and Primitive Road Designation

Dear Mr. Stratton:

Pursuant to our conversation yesterday in Globe, and earlier ones over the phone, this is written to state that Page Land & Cattle Co. will pay all third party costs, including filing fees requirement by the Arizona State Land Department and the Bureau of Land Management, incurred by Gila County in acquisition of right of way for the Cherry Flats Road as a predicate for inclusion of the road under the County's Primitive Road standard.

Kindly let me know if the County is willing to proceed, and I appreciate your assistance and cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read 'Stephen M. Brophy'.
