Re: Cherry Flats Road – Right of Way and Primitive Road Designation

Dear Mr. Brophy,

In response to your letter dated May 16, 2013, be advised that Gila County is willing to proceed in the process to include Cherry Flats Road in the Gila County Road Way System using the Gila County Primitive Road standard. It is also understood that Page Land & Cattle Co. will pay all third party costs including filing fee requirements by the Arizona State Land Department and the Bureau of Land Management.

We will keep you informed on the progress of this designation.

Sincerely,

Steve Stratton
