Contractor Fee's: Refer to Attachment "A" to **Service Agreement 011116-2** by mention made a binding part of this agreement as set forth herein. To the extent that the terms and conditions of this Service Agreement conflict with the Terms and Conditions of Attachment "A" to **Service Agreement 011116-2**, the terms and conditions of this service agreement will prevail and govern the contractual relationship between the parties.

**ARTICLE 2 - TERMINATION:** The County reserves the right to terminate the Contract, in whole or in part at any time, when in the best interest of the County, without penalty or recourse. Any breach of Contractor's or any subcontractor's warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, shall be deemed to be a material breach of this Contract subjecting Contractor to penalties up to and including suspension or termination of this Contract. If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Contractor shall be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor as soon as possible so as not to delay project completion.

Contractor warrants that goods or services furnished will conform in all respects to samples. Inspection, test, acceptance of use of the goods or services furnished hereunder shall not affect the Contractor's obligation under this warranty, and such warranties shall survive inspection, test, acceptance and use. Contractor's warranty shall run to County, its successors, and assigns. Contractor agrees to replace or correct, at Contractor's sole cost and expense, defects of any goods or services not conforming to the foregoing warranty, or improperly installed, as well as guarantee to the County and to the Owner, against liability, losses or damage to any or all parts of the work arising from said installation during a period of two (2) years from date of completion. All guarantees will inure to the benefit of the County and the Owner, their successors or assigns, including equipment warranties, ordinary wear and tear and unusual abuse or neglect excepted.

In the event of failure of Contractor to correct defects in or replace nonconforming goods or services promptly, County, after reasonable notice to Contractor, may make such corrections or replace such goods and services and charge Contractor for the cost incurred by the County in doing so. It is expressly agreed that the County shall only activate this non-appropriation provision as an emergency fiscal

measure. The County shall not activate this non-appropriation provision for its convenience, to circumvent the requirements of this contract, or to enable the County to contract with another Contractor for the same supplies or services covered under this Addendum.

**ARTICLE 11 – ENTIRE CONTRACT CLAUSE:** The Contractor and the County have read this Contract and agree to be bound by all of its terms, and further agree that it constitutes the entire contract between the two parties and may only be modified by a written mutual contract signed by the parties. No oral agreement or oral provision outside this Contract shall have any force or effect.

**ARTICLE 12 – NON-WAIVER OF ENFORCEABILITY:** Failure of the County to enforce, at any time, any of the provisions of this Contract, or to request at any time performance by Contractor of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way affect the validity of this contract or any part thereof, or the right of the County to enforce each and every provision

**ARTICLE 13 – GOVERNING LAW:** Both parties agree that this Contract shall be governed by the laws of the state of Arizona. The parties further agree that the jurisdiction for any legal disputes arising out of this Contract shall be the Superior Court of the State of Arizona.
