GENERAL SCOPE

It is the intent of this solicitation to award a contract for the purchase of up to Five (5) New Full Size 4 Door 4x4 SSV, for Gila County.

The County may choose to award this contract as a whole, or make multiple awards, depending on what is deemed to be in the County's best interest considering price, specifications, and delivery date. The request for price of an item does not guarantee a purchase but merely provides the County with the option if the need arises.

See attached: **Exhibit "C" Pages 11-12, and Pages 14-18 as specified on Price Sheet for total price being proposed**.

Vendors who agree to provide the Minimum Bid Specifications for this Invitation for Bid shall be considered for award.

EXHIBIT "A" INSTRUCTIONS TO VENDORS

Preparation of Sealed Bid

A. Sealed Bids will be received by the Gila County Finance Department, from vendors, to deliver the product(s), goods and services contained to establish a contract for specified locations within Gila County. The County seeks sealed bids only from qualified, experienced vendors able to provide services which are, in all respects, responsive to the specifications. All bids shall be on the forms provided in this Invitation for Bid package. It is permissible to copy these forms if required.

B. Before submitting its bid, each vendor shall familiarize itself with the Scope of Work, laws, regulations and other factors affecting performance of work. It shall carefully correlate its observations with requirements of the Contract and otherwise satisfy itself of the expense and difficulties attending the performance of the work. The submission of a bid will constitute a representation of compliance by the vendor. There will be no subsequent financial adjustment, other than that provided for by the Contract, for lack of such familiarization.

C. Vendors must complete all forms provided in this Invitation for Bid package in full, original signature in ink, by the person(s) authorized to sign the Bid and to be submitted at the time of bid, and made a part of this contract. The County will use the Bid, and Qualification and Certification Form, in evaluating the capacity of vendor(s) to perform the Scope of Services as set forth in the Contract. Failure of any Vendor to complete and submit the Price Sheet and Signature and Offer Page at time and place of opening may be grounds for automatic disqualification of the vendor(s) from further consideration.

D. The names of all persons authorized to sign the Bid must also be legibly printed below the signature. Evidence of the authority of the person signing shall be furnished.

E. The full name of each person or company interested in the Invitation for Bids shall be listed on the Bid.

F. No alterations in Bids, or in the printed forms therefore, by erasures, interpolations, or otherwise will be acceptable unless each such alteration is signed or initialed by the vendor; if initialed, the County may require the vendor to identify any alteration so initialed.

Amendments

Any addendum issued as a result of any change in this Invitation for Bids must be acknowledged by all Vendors in the following manner:

Instructions to Vendors continued...

1. Completion of the Bidder Checklist & Addenda Acknowledgment form, page 21.

Failure to indicate receipt of addenda in the above manner may result in a bid being rejected as non-responsive. Inquiries

Any questions related to this IFB must be directed to those whose names appear on the Notice. Questions should be submitted in writing when time permits. If funds are not allocated by the County and available for the continuance of service herein contemplated, the contract period for the service may be terminated by the County at the end of the period for which funds are available. The County shall notify the Vendor at the earliest possible time which service may be affected by a shortage of funds. LEGAL ARIZONA WORKERS ACT COMPLIANCE

Vendor hereby warrants that it will at all times during the term of this Contract comply with all federal immigration laws applicable to Vendor's employment of its employees, and with the requirements of A.R.S. § 23-214 (A) (together the "State and Federal Immigration Laws"). Vendor shall further ensure that each subcontractor who performs any work for Vendor under this contract likewise complies with the State and Federal Immigration Laws.

County shall have the right at any time to inspect the books and records of Vendor and any subcontractor in order to verify such party's compliance with the State and Federal Immigration Laws.

Any breach of Vendor's or any subcontractor's warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, shall be deemed to be a material breach of this Contract subjecting Vendor to penalties up to and including suspension or termination of this Contract. If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Vendor shall be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor, as soon as possible so as not to delay project completion.

Vendor shall advise each subcontractor of County's rights, and the subcontractor's obligations, under this Article by including a provision in each subcontract substantially in the following form:
"Subcontractor hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to Subcontractor's employees, and with the requirements of A.R.S. § 23-214 (A). Subcontractor further agrees that County may inspect the Subcontractor's books and records to insure that Subcontractor is in compliance with these requirements. Any breach of this paragraph by Subcontractor will be deemed to be a material breach of this contract subjecting Subcontractor to penalties up to and including suspension or termination of this contract."

Any additional costs attributable directly or indirectly to remedial action under this Article shall be the responsibility of Vendor. In the event that remedial action under this Article results in delay to one or more tasks on the critical path of Vendor's approved construction or critical milestones schedule, such period of delay shall be deemed excusable delay for which Vendor shall be entitled to an extension of time, but not costs.
