**LEGAL ARIZONA WORKERS ACT COMPLIANCE**

Vendor hereby warrants that it will at all times during the term of this Contract comply with all federal immigration laws applicable to Vendor's employment of its employees, and with the requirements of A.R.S. § 23-214 (A) (together the "State and Federal Immigration Laws"). Vendor shall further ensure that each subcontractor who performs any work for Vendor under this contract likewise complies with the State and Federal Immigration Laws.

County shall have the right at any time to inspect the books and records of Vendor and any subcontractor in order to verify such party's compliance with the State and Federal Immigration Laws.

Any breach of Vendor's or any subcontractor's warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, shall be deemed to be a material breach of this Contract subjecting Vendor to penalties up to and including suspension or termination of this Contract. If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Vendor shall be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor, as soon as possible so as not to delay project completion.

Vendor shall advise each subcontractor of County's rights, and the subcontractor's obligations, under this Article by including a provision in each subcontract substantially in the following form:

"Subcontractor hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to Subcontractor's employees, and with the requirements of A.R.S. § 23-214 (A). Subcontractor further agrees that County may inspect the Subcontractor's books and records to insure that Subcontractor is in compliance with these requirements. Any breach of this paragraph by Subcontractor will be deemed to be a material breach of this contract subjecting Subcontractor to penalties up to and including suspension or termination of this contract."

Any additional costs attributable directly or indirectly to remedial action under this Article shall be the responsibility of Vendor. In the event that remedial action under this Article results in delay to one or more tasks on the critical path of Vendor's approved construction or critical milestones schedule, such period of delay shall be deemed excusable delay for which Vendor shall be entitled to an extension of time, but not costs.
