BETWEEN
GILA COUNTY
AND
TOWN OF STAR VALLEY
LAW ENFORCEMENT SERVICES

THIS AGREEMENT is made and entered into effective this _____ day of _____, 2016, by and between Gila County, a political subdivision of the State of Arizona, hereinafter referred to as "County" and the Town of Star Valley, a municipal corporation of Arizona, hereinafter referred to as "Town".

RECITALS

WHEREAS, the County, through the Gila County Sheriff's Office (hereinafter, the "Sheriff's Office"), provides law enforcement services primarily in the unincorporated areas of Gila County including the areas surrounding the corporate boundaries of the Town; and

WHEREAS, the Town wishes to provide for law enforcement services in order to protect persons and property within its municipal boundaries; and

WHEREAS, the parties have determined that an Agreement whereby the Sheriff's Office provides law enforcement services within the Town's corporate limits will allow the Town to better protect persons and property within its municipal boundaries in a cost-effective manner; and

WHEREAS, the parties are authorized pursuant to ARS §11-952, to enter into agreements for services or joint or cooperative action.

NOW, THEREFORE, the parties agree as follows:

1. **Law Enforcement Services.** For the consideration to be paid by the Town as specified herein, the County, through its Sheriff's Office, agrees to the following:
 - a. To furnish law enforcement services commensurate with the level developed during the parties previous IGA No. 041015-1.
 - b. To provide the subject services in accord with the additional terms and conditions as specified in Attachment 2 to this Agreement.
 - c. To be responsible, except as expressly provided herein, for all payment of all costs of providing law enforcement services pursuant to this Agreement including, but not limited to cost for personnel salaries and benefits, support and administrative services, capital equipment, facilities, supplies and vehicle operating costs.

2. **Service Standards.** With respect to the County's obligation to provide law enforcement services pursuant to this Agreement, the parties understand and agree:

- a. That the County's obligation to provide law enforcement services is expressly limited to the continuation of Deputy Sheriff positions (as allotted by the county's Board of Supervisors), and the ability to employ Deputy Sheriffs. The deployment of personnel in the manner provided herein is subject to the additional terms and conditions as set forth in Attachment 2 to this Agreement;
- b. That, by agreeing to provide law enforcement services, the County does not warrant or guarantee a specific response time for calls originating from within the Town's corporate limits;
- c. That officers assigned to patrol areas pursuant to this Agreement may, at times, be required to respond to higher-priority calls originating outside the Town's corporate limits and may, under those circumstances, be required to delay response to calls originating from within the Town's corporate limits (however, any calls originating in the Town's corporate limits will be included in determining call priority);
- d. That the County will not participate in any way with the Town's Photo Enforcement Program;
- e. And, that the County will not provide services for the enforcement of the Town's adopted codes except for occasions when there is concern for the safety of a Town official; in such cases, a request may be made for accompaniment by a Sheriff's Office deputy to preserve the peace.

3. **Payment for Services.**

- a. In consideration for the County's agreement to provide law enforcement services as described herein and the Ancillary and Support Services as set forth in Attachment 2, the Town agrees to pay the annual sums as follows: FY2016-17 - \$405,283; FY2017-18 - \$427,293; FY2018-19 - \$449,303; FY2019-20 - \$471,313. The cost is calculated based upon the attached Law Enforcement Contract Proposal Worksheet for FY2015-16 and includes a 2% annual increase based upon a projected increase in the Consumer Price Index. Payment shall be made each year in two (2) equal installments equal to one half (1/2) of the annual cost, with each installment due and payable no later than the last day of the second and fourth fiscal quarters (December and June).
- b. In addition to the contract costs outlined above, the Town agrees to pay actual costs incurred in response to any single major criminal investigation or other unforeseen unplanned event by Sheriff's Office personnel in excess of a total initial deployment of one hundred (100) man-hours. These costs will be billed in accordance with the rates as listed on the attached Law Enforcement Contract Proposal Worksheet, and will be due and payable on the next regularly scheduled bi-quarterly installment payment date.

c. The cost of the additional personnel requested by Town leadership for planned events shall be negotiated at the time requested.

4. **Term of Agreement; Renewals.** The term of this agreement shall commence on July 1, 2016 and shall terminate on June 30, 2020.
5. **Indemnification and Insurance.** The County shall save, hold harmless and indemnify the Town, its officers, employees or agents from claims, damages or other losses arising from the negligent acts or omissions of the County, its officers, employees or agents pursuant to this Agreement. The County shall obtain and maintain general liability insurance in such amounts as may be required to protect itself and the Town from claims, damages or other losses as described in this Section.

Additionally, the Town shall save, hold harmless and indemnify the County, its officers, employees or agents from claims, damages or other losses arising from the negligent acts or omissions of the Town, its officers, employees or agents pursuant to this Agreement. 6. **Workers Compensation.** During work on this Intergovernmental Agreement, employees of both the Town and the County staff shall maintain their status respectively as Town or County employees, but shall perform under the direction and authority of either the County or Town as designated in this Intergovernmental Agreement. Notwithstanding the foregoing, an employee of either party shall be deemed to be an "employee" of both public agencies while performing pursuant to this agreement, for the purposes of A.R.S. §23-1022 and the Arizona Workers' Compensation laws. The primary employer shall be solely liable for any workers' compensation benefits that may accrue. Each party shall post a notice pursuant to the provisions of A.R.S. §23-906 in substantially the following form:

All employees are hereby further notified that they may be required to work under the jurisdiction or control or within the jurisdictional boundaries of another public agency pursuant to an Intergovernmental agreement or contract, and under such circumstances they are deemed by the laws of Arizona to be employees of both public agencies for the purposes of workers' compensation.
