Re: Agenda item no. 3978 on the agenda for the June 21, 2016 board meeting; Public Health Emergency Preparedness Funding; Intergovernmental Agreement.

The intergovernmental agreement under consideration has three external documents that are referenced in it at sections 7.3, 7.2.2, and 7.2.3. Prior to the June 21, 2016 board meeting, the Gila County Department of Health and Emergency Management will submit those documents as attachments for the board's consideration.
