

ORDER

AN ORDER OF THE GILA COUNTY BOARD OF SUPERVISORS DESIGNATING POLLING PLACES WITHIN EACH ELECTION PRECINCT AND APPOINTING POLL WORKERS AND ELECTION BOARD WORKERS FOR THE PRIMARY ELECTION TO BE HELD ON AUGUST 30, 2016.

WHEREAS, A.R.S. §16-411(B) states, “*Not less than twenty days before a general or primary election, and at least ten days before a special election, the board shall designate one polling place within each precinct where the election shall be held, except that:*

- 1. On a specific finding of the board, included in the order or resolution designating polling places pursuant to this subsection, that no suitable polling place is available within a precinct, a polling place for that precinct may be designated within an adjacent precinct.*
- 2. Adjacent precincts may be combined if boundaries so established are included in election districts prescribed by law for state elected officials and political subdivisions including community college districts but not including elected officials prescribed by titles 30 and 48. The officer in charge of elections may also split a precinct for administrative purposes. The polling places shall be listed in separate sections of the order or resolution.*
- 3. On a specific finding of the board that the number of persons who are listed as permanent early voters pursuant to section 16-544 is likely to substantially reduce the number of voters appearing at one or more specific polling places at that election, adjacent precincts may be consolidated by combining polling places and precinct boards for that election. The board of supervisors shall ensure that a reasonable and adequate number of polling places will be designated for that election. Any consolidated polling places shall be listed in separate sections of the order or resolution of the board.”;*

WHEREAS, A.R.S. §16-531(A) states, “*When an election is ordered, and not less than twenty days before a general or primary election, the board of supervisors shall appoint for each election precinct one inspector, one marshal, two judges and as many clerks of election as deemed necessary. The inspector, marshal, judges and clerks shall be qualified voters of the precinct for which appointed, unless there is not a sufficient number of persons available to provide the number of appointments required. The inspector, marshal and judges shall not have changed their political party affiliation or their no party preference affiliation since the last preceding general election, and if they are members of the two political parties that cast the highest number of votes in the state at the last preceding general election, they shall be divided equally between these two parties. There shall be an equal number of inspectors in the various precincts in the county who are members of the two largest political parties. In each precinct where the inspector is a member of one of the two largest political parties, the marshal in that*

precinct shall be a member of the other of the two largest political parties. Whenever possible, any person appointed as an inspector shall have had previous experience as an inspector, judge, marshal or clerk of elections. If there is no qualified person in a given precinct, the appointment of an inspector may be made from names provided by the county party chairman. If not less than ninety days before the election the chairman of the county committee of either of the parties designates qualified voters of the precinct, or of another precinct if there are not sufficient members of his party available in the precinct to provide the necessary representation on the election board as judge, such designated qualified voters shall be appointed. The judges, together with the inspector, shall constitute the board of elections. Any registered voter in the election precinct, or in another election precinct if there are not sufficient persons available in the election precinct for which the clerks are being appointed, may be appointed as clerk.”;

NOW, THEREFORE, IT IS ORDERED that the Gila County Board of Supervisors does hereby designate polling places within each election precinct and appoints poll workers and election board workers for the Primary Election to be held on August 30, 2016, as shown on Attachments A, B and C of this Order.
