Provider will bill Customer for the Services by an invoice detailing the Services provided during the relevant time period. The terms of payment are net thirty (30) days; provided, however, all invoices not paid within thirty (30) days of the bill date shall accrue interest on the amount due and owing at the annual rate of 18% until Provider is paid in full. If this Agreement is terminated as provided for herein, then all outstanding invoices shall immediately become due and payable upon the termination date.
6. **CERTIFICATE OF INSURANCE.** Provider will provide Customer with a certificate of insurance, upon request by Customer, which shall set forth the insurance coverage carried by or on behalf of Provider with respect to the Services provided hereunder. Within fifteen (15) days after the receipt of any such price change, the Customer may terminate this Agreement by giving Provider 30 day's written notice.
  - 9.1 **Changes to Inventory.** If, in the reasonable opinion of Provider, the addition or deletion of major equipment necessitates an adjustment to Exhibit A, a written Addendum itemizing the adjustment shall be negotiated in good faith and signed by authorized representatives of both parties.
10. **DEFAULT AND REMEDIES.**
  - 10.1 **Default.** In the event that either party fails to perform its obligations hereunder, such party shall be considered to be in default upon receipt of a written notice from the other party specifying with the specific nature of the default. If the defaulting party fails to cure the specified default within ten (10) days thereafter, then such party shall be deemed to be in breach of this contract, and the other party may pursue any and all legal remedies available, including without limitation, immediate termination of this contract and cessation of further performance of any duties and obligations of the non-defaulting party pursuant to this Agreement.

- 10.2 **Injunctive Relief.** The parties agree that the remedies available at law may be inadequate and that both parties shall be entitled to equitable relief, including without limitation, injunctive relief, specific performance, or other equitable remedies in addition to all other remedies provided hereunder or available to both parties at law or equity.
- 10.3 **Remedies Cumulative.** No remedy made available by any of the provisions of this Agreement is intended to be exclusive of any other remedy, and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or at common law or by statute.
- 10.4 **Costs and Attorneys' Fees.** In the event any legal action or other proceeding is pursued for the enforcement of this Agreement, or arising out of any dispute, breach, default or misrepresentation in connection with the Agreement, then the prevailing party shall be entitled to recover reasonable attorney's fees and other costs incurred in such action or proceeding in addition to any other relief to which it may be entitled.

11. **GENERAL PROVISIONS.**

- 11.1 **Limitation on Actions.** No action or proceeding to enforce any rights arising under or relating to this Agreement shall be commenced more than one year after the occurrence of the specific events giving rise to the cause of action upon which such action or proceeding is based.
- 11.2 **Notices.** Any notice or communication to be given under the terms of this Agreement shall be in writing and delivered in person or deposited, certified or registered, in the United States Mail, postage pre-paid, addressed as noted on this signature lines of this Agreement, or to such other address as either party may from time to time designate by notice hereunder. Notices shall be effective upon delivery in person, or at midnight on the third business day after the date of mailing, if mailed.
- 11.3 **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Arizona.
- 11.4 **No Waiver by Failure to Act.** Neither failure nor any delay on the part of either party hereto in exercising any right under this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right preclude any other or further exercise of that or any other right.
- 11.5 **Assignment.** This Agreement is binding on the successors and assigns of the parties to this Agreement. Notwithstanding any provision of this Agreement to the contrary, Provider shall have the right to assign or otherwise transfer its interest under this Agreement to any related entity. A related entity shall include a parent, subsidiary or entity resulting from a sale of all or substantially all of Provider's assets, or from a merger or consolidation of Provider with or into another entity(s). Such an assignment shall not require the consent of approval of Customer.

- 11.6 **Availability of Records.** When required by federal and/or state regulations for four (4) years after the provision of services pursuant to this Agreement, Provider shall make available to the Health and Human Services Secretary, or the Comptroller General, or their duly authorized representatives, this Agreement, books documents, and records of Provider that are reasonably necessary to certify the nature and extent of such costs. If Provider carries out any of the duties of this Agreement through a subcontract with a value of cost of Ten Thousand Dollars (\$10,000) or more over a twelve (12) month period with a related organization, such subcontracts shall contain a clause to the effect that until the expiration of four (4) years after the provision of such services pursuant to such subcontract, the related organizations shall make available, upon written request to the Health and Human Resources Secretary, or upon request to the Comptroller General, or any of their duly authorized representatives, the subcontract, books, documents and records of such organization that are necessary to verify the nature and extent of such cost.
- 11.7 **Entire Agreement.** This Agreement constitutes and embodies the full and complete understanding and agreement of Provider and Customer with respect to the subject matter and supersedes all prior understandings or agreements whether oral or in writing with regard thereto. In the event any term or provision of this Agreement is declared invalid or unenforceable for any reason, then this Agreement will nonetheless remain in full force and effect and shall be interpreted as though such invalid or illegal provision were deleted.
- 11.8 **Right to Subcontract.** Provider reserves the right to subcontract its obligations to perform all or any portion of the Services hereunder to an authorized third party, so long as the provision of Services meets or exceeds the requirements herein. Provider shall remain liable for provision and performance of Services, unless otherwise specifically agreed to in writing by Customer.
- 11.9 **Force Majeure.** Neither party shall be liable for delays in delivery or performance or failure to deliver or perform due to a cause beyond its reasonable control, including but not limited to an act of God, act or omission of the other party, act of civil or military authority, Governmental priority, fire, strike or other labor disturbance, flood, epidemic, quarantine restriction, war, riot, delay in transportation, inability due to a cause beyond its reasonable control to obtain necessary, materials, components, services, manufacturing facilities or any other commercial impracticability. In the event of any such delay, the date of delivery or of performance shall be extended for a period equal to the time lost by reason of the delay. In the event of a supply or product shortage, Provider shall have the right to allocate its available resources among its customers in such a manner as Provider deems to be equitable.
12. **SANCTIONS**  
Customer hereby expressly represents and warrants to Provider that none of Customer's signature authorities and none of those signature authorities' immediate family have been placed on the sanctions list issued by the Office of the Inspector General of the Department of Health and Human Services pursuant to provisions of 42 U.S.C. § 1320 a.7, or been excluded from government contracts by the General Services Administration (GSA). Further, if, during the term of this Agreement, any of Customer's signature authorities, or any of those signature authorities' immediate family is placed on the sanctions list, Customer shall immediately notify Provider in writing of the event and such notice shall contain reasonably sufficient information to allow Provider to determine the nature of the sanction. Provider shall have the right to terminate this Agreement immediately by written notice to Customer if any of Customer's signature authorities or any of those signature authorities' immediate family is placed on the sanctions list or banned from government contracts by GSA.

13. **INDEMNIFICATION**

Each party shall indemnify and hold harmless the other, its respective employees, agents and subagents, individually and collectively, from all fines, claims, demands, suits or actions of any kind including costs, expenses and attorneys' fees resulting from or claimed to have resulted from any intentional or negligent acts or omissions of the indemnifying party occurring in the performance of its responsibilities under this Agreement. Where both Customer and Provider, including their respective officers, employees, agents and subagents, participated in the liability causing event, each party shall contribute to the common liability a pro rata share based upon its relative degree of fault as established by compromise, arbitration or litigation.

14. **LIMITATIONS OF LIABILITY, WARRANTY**

In no event, whether as a result of breach of contract, warranty, tort (including negligence and strict liability) shall Provider's total liability to Customer for any and all loss or damage arising out of, or resulting from, this Agreement, or from its performance or breach, or from any parts or services, exceed the total fees paid by Customer (excluding reimbursable expenses and taxes, if any) for the twelve (12) month period prior to the date of the event giving rise to the alleged claim.

In no event, whether as a result of breach of contract, warranty, tort (including negligence and strict liability), shall Provider be liable to Customer for any special, consequential, incidental or penal damages including, but not limited to, loss of profit or revenue, loss of use of the Equipment or any associated equipment, cost of capital, cost of substitute equipment, service materials or facilities, services or replacement power, down time costs.

NOTHING HEREIN IS INTENDED TO LIMIT EITHER PARTY'S LIABILITY FOR DEATH OR PERSONAL INJURY TO THIRD PARTIES ARISING FROM A PARTY'S OWN NEGLIGENCE OR INTENTIONAL MISCONDUCT.

If Provider furnishes Customer with advice or other assistance which concerns the Equipment or any part or service supplied hereunder, or any system or equipment to which same might be installed or to which it might relate and which is not required pursuant to this Agreement, the furnishing of such advice or assistance will not subject Provider to any liability, whether in contract, warranty, tort (including negligence and strict liability), or otherwise.

Provider warrants that all labor provided hereunder will be performed by qualified technicians. Because it is impossible to predict the service life of parts and the use of Equipment, the Services provided under this Agreement are not intended to guarantee the safe operation of Equipment for every use. Other than as expressly provided for herein, no IMPLIED OR STATUTORY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL APPLY.

15. **NON-RECRUITMENT AND NON-HIRE.** Customer recognizes that Provider has made substantial efforts and incurred substantial expense to recruit, employ and train personnel. As such, Customer shall not, without Provider's prior written consent, actively recruit for employment any individual who is performing work under this Agreement (an "Individual") during the term of this Agreement and for a period of one (1) year following the cessation of the Individual's work under this Agreement.

Customer shall provide written notice of Customer's obligations under this Section to any potential or actual provider of services similar to those contemplated by this Agreement, or any potential or actual employment agency or recruiter, prior to the engagement of such parties. In the event of a breach of the covenant contained herein, Provider shall be entitled to receive an amount equal to two (2) times the annual salary (and other compensation, including bonuses) and benefits costs which Provider would have paid over a one (1) year period in connection with such Individual. The parties agree that the aforementioned amounts are reasonable and shall constitute liquidated damages and not a penalty. Additionally, Provider shall have the right to (i) seek an injunction against further violations of this Section; or (ii) pursue whatever other remedies are available under this Agreement or at law or in equity. Customer expressly acknowledges the importance of the covenants of this provision, and recognizes that Provider would not enter into this Agreement or provide the Services to Customer, without Customer's consent to this provision. The provisions of this Section shall survive termination or expiration of the Agreement, except that in the event of dissolution or cessation of Provider's business, Provider waives all rights under this Section and Customer may actively recruit and employ Provider's employees, including any Individuals.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the latter day and year set forth below.
