INTRODUCTION/ BACKGROUND

The City of Tucson (herein referred to as the City) is requesting proposals from qualified and experienced firms to provide **HEAVY EQUIPMENT, PARTS, ACCESSORIES, SUPPLIES AND RELATED SERVICES**. The City requires a contractor who provides a diverse and extensive supply of equipment for purchase and/or rental to various locations in the Tucson metropolitan area.

Heavy equipment will include, but not be limited to the following equipment categories: Landfill, Construction, and Material Handling. The City has approximately 150 pieces of heavy equipment that falls under the heavy equipment category.

Requirements and qualifications are defined in detail in the Scope of Services Section of this Request for Proposal (RFP). The City seeks a firm(s) that can supply the specified services, supplies, parts, equipment and materials.

NATIONAL CONTRACT REQUIREMENTS

The City, as the Principal Procurement Agency, as defined in Attachment A, has partnered with the National Intergovernmental Purchasing Alliance Company ("National IPA") to make the resultant contract ("Master Agreement") from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through National IPA's cooperative purchasing program. The City is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with National IPA as a Participating Public Agency in National IPA's cooperative purchasing program. Attachment A contains additional information on National IPA and the cooperative purchasing agreement.

With corporate, pricing and sales commitments from the Supplier, National IPA provides marketing and administrative support for the Supplier that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis. Public Agencies benefit from pricing based on aggregate spend and the convenience of a contract that has already been advertised and competed. The Supplier benefits from a contract that allows Participating Public Agencies to directly purchase goods and services without the Supplier's need to respond to additional competitive solicitations. As such, the Supplier must be able to accommodate a nationwide demand for services and to fulfill obligations as a nationwide Supplier and respond to the National IPA documents (Attachment A). The City reserves the right to deem submissions that do not include a response to the National IPA documents as non-responsive.

The City anticipates spending approximately \$15 million over the full potential Master Agreement term for heavy equipment. For this fiscal year, the City anticipates purchasing an excavator and a water wagon. While no minimum volume is guaranteed to the Supplier, the estimated annual volume of heavy equipment purchased under the Master Agreement through National IPA is approximately \$100,000,000. This projection is based on the current annual volumes among the City, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through National IPA, and volume growth into other Public Agencies through a coordinated marketing approach between the Supplier and National IPA.

1.0 Scope of National Cooperative Contract

1.1 Requirement

The City of Tucson (hereinafter defined and referred to as “Principal Procurement Agency”), on behalf of itself and the National Intergovernmental Purchasing Alliance Company (“National IPA”), is requesting proposals for PRODUCT. The intent of this Request for Proposal is that any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal (hereinafter defined and referred to as the “Master Agreement”) be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through National IPA’s cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with National IPA (an example of which is included as Exhibit D) and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency, including the Principal Procurement Agency, will be preceded by their registration with National IPA as a Participating Public Agency in National IPA’s cooperative purchasing program. Registration with National IPA as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through National IPA.

All transactions, purchase orders, etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither National IPA, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc. incurred by any other Participating Public Agency.

This Exhibit A defines the expectations for qualifying Suppliers based on National IPA’s requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through National IPA.

These requirements are incorporated into and are considered an integral part of this RFP. National IPA reserves the right to determine whether or not to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies.

1.2 Marketing and Administrative Support

During the term of the Master Agreement National IPA intends to provide marketing and administrative support for Supplier pursuant to this section 1.2 that directly promotes the Supplier’s products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

- A. Marketing collateral (print, email, presentations)
- B. Website support
- C. Trade shows/conferences/meetings
- D. Advertising

The National IPA sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

In the event of any conflict between the provisions of this Agreement and the Master Agreement, as between National IPA and Supplier the provisions of this Agreement shall prevail. Supplier acknowledges and agrees that the covenants and agreements of Supplier set forth in the solicitation resulting in the Master Agreement are incorporated herein and are an integral part hereof.

3. 6. This Agreement shall be in effect so long as the Master Agreement remains in effect, provided, however, that the provisions of paragraphs 3, 4 and 5 hereof and the indemnifications afforded by the Supplier to National IPA herein and in the Master Agreement shall survive the term of this Agreement.

8. Supplier shall provide National IPA with an electronic accounting report, in Microsoft Excel, in the format prescribed by National IPA, on a monthly basis summarizing all Contract Sales for such month. A sample of the Contract Sales reporting format is provided as Exhibit D, attached hereto and incorporated herein by reference.

To the extent Supplier has guaranteed minimum Contract Sales pursuant to the terms of the Master Agreement in accordance with the terms of its proposal, the administrative fee shall be calculated based on the greater of the Contract Sales and the guaranteed Contract Sales set forth in Supplier's proposal.

11. Supplier shall maintain an accounting of all purchases made by Participating Public Agencies under the Master Agreement. National IPA and Principal Procurement Agency reserve the right to audit the accounting for a period of four (4) years from the date National IPA receives the accounting. In the event of such an audit, Supplier shall provide all materials reasonably requested relating to such audit by Principal Procurement Agency or National IPA at the location designated by Principal Procurement Agency or National IPA. In the event such audit reveals an underreporting of Contract Sales and a resulting underpayment of administrative fees, Supplier shall promptly pay National IPA the amount of such underpayment, together with interest on such amount in accordance with paragraph 12, and shall be obligated to reimburse National IPA's costs and expenses for such audit.

12. Reports of Contract Sales for Principal Procurement Agency and Participating Public Agencies in each calendar month shall be provided by Supplier to National IPA by the 10th day of the following month. Administrative fee payments are due within thirty (30) days after the end of each calendar quarter for Contract Sales during such quarter. Administrative fee payments shall be

accompanied by a report of Contract Sales for the quarter. Failure to provide a monthly report or payment of the administrative fees within the time and manner specified shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement at Principal Procurement Agency's sole discretion or this Agreement at National IPA's sole discretion. All administrative fees not paid when due shall bear interest at a rate equal to the lesser of 1 1/2% per month or the maximum rate permitted by law until paid in full.

13. National IPA or its designee may, in National IPA's sole discretion, compare Participating Public Agency records with monthly reports submitted by Supplier. If there is a discrepancy, National IPA will notify the Supplier in writing. Supplier will have thirty (30) days from the date of such notice to resolve the discrepancy to National IPA's reasonable satisfaction, including paying any administrative fee due and owing. If the Supplier does not so resolve the discrepancy, National IPA shall have the right to engage a third party to conduct an independent audit of Supplier's monthly reports and Supplier shall be obligated to reimburse National IPA's costs and expenses for such audit. Should any audit reveal an underreporting of Contract Sales and a resulting underpayment of administrative fees, Supplier shall promptly pay National IPA the amount of such underpayment together with interest on such amount in accordance with paragraph 12.

GENERAL PROVISIONS

14. This Agreement, the Master Agreement and the exhibits referenced herein supersede any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereto and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained or incorporated herein shall be valid or binding.
