In rendering professional services, Caruso Turley Scott (CTS) shall apply the skill and care ordinarily exercised by structural engineers at the time and place the services are rendered. Schedules and timely available information from the architect, owner and other design consultants contribute to the completeness of the structural drawings. As such, all projects should carry a contingency for potential coordination and value added items. It is recommended that final bids not be taken until county review comments and coordination comments have been incorporated. If documents are bid prior to county and coordination comments, the owner assumes the risk for associated additional costs. Client agrees that the liability of CTS, its agents and employees, in connection with services hereunder to the Client and to all persons having contractual relationships with them, resulting from any negligent acts, errors, and/or omissions of CTS, its agents, and/or employees is limited to the total fees actually paid by the Client to CTS for services rendered by CTS hereunder. As a consultant, we shall neither have control over or charge of, nor be responsible for, the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the work, since these are solely the Contractor's rights and responsibilities.

Payment for Services as described above shall be made upon the presentation of the Engineer's invoice based on time expended. Interest at 1.5% per month, compounded monthly, will be paid on all invoices after 30 days from billing date. In the event any portion of an account remains unpaid 90 days after billing, the Client shall pay cost of collection, including reasonable attorney fees. In the event that any portion of the account remains unpaid 30 days after billing, this office may, without waiving any claim or right, and without liability whatsoever to the Client, suspend or terminate the performance of all services. **If this contract meets with your approval, please sign, date and fax or e-mail back to our office for authorization to proceed (480-731-1273 or bkelly@ctsaz.com).**
