Subject: Offer to purchase 301-24-144F

Hi Marion,

Regarding parcel 301-24-144F

I recently learned this parcel is deeded to the state of AZ c/o the Board of Supervisors by the Gila County Treasurer.

This parcel is contiguous to my property and is land locked; there is no road access to this parcel.

I am offering \$50 to purchase this parcel after which I intend to combine the parcel into my existing parcel of 301-24-144G.

Please let me know if this is acceptable to you and how to proceed in the purchase and inclusion into my existing parcel.

Thanks,

Debbie Cottrell
