Values, Vision Statement and Mission Statement for the Gila County Strategic Plan.

Background Information

The Board of Supervisors adopted a Strategic Plan on April 27, 2010, which included a mission statement, value statements and goals. In March 2011, the leadership team, comprised of County management, department directors and elected officials, underwent another strategic planning process. The output of this effort was the development of a 5-year strategic plan and the creation of a new mission statement and value statements. Since the creation of this strategic plan, many of the items identified through this planning effort have been accomplished. The new strategic planning team consists of employees from all levels of the County. The team was commissioned with the opportunity to develop County values, vision and mission statements through this collaborative process, then develop the strategic plan and guiding principles. As part of this collaborative process, the team is requesting that the Board of Supervisors review the draft values, vision statement and mission statement and provide feedback so the values, vision statement and mission statement can be adopted by the Board.

Evaluation

Draft values, vision statement and mission statement were presented at a meeting of the Board of Supervisors on March 19, 2019, for the Board's review and consideration of adoption.

Conclusion

A draft of the County's new values, vision statement and mission statement, as prepared by the collaborative strategic planning team, was presented to the Board of Supervisors for review on March 19, 2019. If the Board agrees with the new values and statements, the planning team requests that the Board adopt them to replace the existing vision and mission statements that were previously adopted by the Board in 2011.

Recommendation

It is recommended that the Board receive an update on the recent activities of the strategic planning team and consider adopting new values, vision statement and mission statement as prepared by the strategic planning team.

Suggested Motion

Information/Discussion/Action to adopt new values, vision statement and mission statement as part of the Gila County Strategic Plan. (Mary Springer)

Contract No. 031319-Senior Planner-Independent Contractor with Arizona Planning and Paralegal Solutions.

Background Information

On May 23, 2018, the County Manager approved Professional Services Contract No. 041718 with Arizona Planning and Paralegal Solutions to work with the Community Development Director on planning and zoning projects as needed. The contract maximum amount of \$46,800 equated to 20 working hours per week at \$45 per hour.

A staff position was eliminated in favor of contracting for the services of a Planner.

In late 2018, it was decided that Arizona Planning and Paralegal Solutions has the expertise and the willingness to rewrite the Gila County Zoning Ordinance. An additional 10 hours per week would be allocated specifically to the rewrite.

Evaluation

Contract No. 031319 is a new contract which supersedes Contract No. 041718.

Services: The County hereby retains Arizona Planning and Paralegal Solutions to perform services that may include: Working closely with the Community Development Administrative Assistant to ensure all procedures are followed regarding correspondence, timelines, and public notices. Handles applications and makes decisions for subdivisions, development plans, zoning changes, variance requests, and use permits. Keeps abreast of public input and presentation actions; prepares staff reports and presents findings and recommendations to the Planning and Zoning Commission, Board of Adjustment, and the Board of Supervisors when required by state statute, County ordinances or at the direction of the Community Development Director. Ensure compliance with departmental policies and procedures, state statutes and County ordinances. Assists with the implementation of complex planning and zoning projects. Attends and makes presentations at various meetings; drafts new ordinances, ordinance modifications and changes to and updating of the Comprehensive Plan. Establishes and maintains effective working relationships with citizens, citizen groups, neighborhood leaders, elected officials and other County departments interpreting, analyzing and resolving difficult neighborhood issues.

The Gila County Zoning Ordinance was last updated in its entirety in 2014. Since then it has become apparent through daily usage that a complete rewrite of the Ordinance is needed.

Conclusion

The new Professional Services Contract No. 031319 with Arizona Planning and Paralegal Solutions will terminate the existing contract 041718 and will provide for the complete rewrite of the Gila County Zoning Ordinance.

Recommendation

Staff recommends approval of Professional Services Contract No. 031319 for the maximum amount of amount of \$78,000 for one-year term with the County having the sole option to renew the contract for three additional one-year periods.

Suggested Motion

Information/Discussion/Action to approve Professional Services Contract No. 031319 which replaces Contract No. 041718 with Arizona Planning and Paralegal Solutions to continue working with the Community Development Director on planning and zoning projects as needed for a maximum annual amount of \$78,000 effective April 15, 2019, through April 14, 2020, with the County having the sole option to renew the contract for three additional one-year periods. Two (separate) contracts with Mountain Retreat Builders and Advantage Home Performance, Inc. to provide weatherization services.

Background Information

The Gila County Community Services Department receives Southwest Gas (SWG), Low Income Home Energy Assistance (LIHEAP), Department of Energy (DOE), and Arizona Public Service (APS) funding for the County to provide weatherization services to eligible clients. To ensure that weatherization projects remain on schedule, staff would prefer to engage two qualified contractors for these projects: Mountain Retreat Builders and Advantage Home Performance, Inc. These companies meet the certification requirements of the associated funding contracts. The contracts would be required to submit a bid through the County's informal bid process. If either company is the successful bidder, a contract will already be in place with the County. The County also seeks to receive bids from any other qualified bidders through the County's informal bid process for each weatherization project.

Evaluation

These two companies meet the certification requirements of the associated funding contracts that are executed between Gila County and each of the following fund sources: SWG, LIHEAP, DOE and APS. In the past, the County has utilized these two companies for weatherization projects and has been pleased with their performance. These two companies are often the lowest bidder. Each company will be

required to submit a bid through the County's informal bid process and by having a contract in place with each of these companies, the Community Services Department will only need to submit a purchase order to the Finance Department to begin a particular weatherization project.

The total contract amount for each contract shall not exceed \$249,539. Of that amount, funds for services shall not exceed: \$12,665 of SWG funds; \$116,978 of LIHEAP funds; \$29,896 of DOE funds; and \$90,000 of APS funds. Each contract shall be for a period of one year and it will expire on April 1, 2020. The total amount of funding from the sources (as stated above) is \$249,539. Each contract has the option to renew for 3 one-year periods.

Conclusion

By approving Contract No. 022219 with Mountain Retreat Builders and Contract No. 022419 with Advantage Home Performance, Inc., a contract will be in place should either company be the successful bidder as determined by the County's informal bid process. In this way, the Community Services Department will only need to submit a purchase order to the Finance Department to begin a weatherization project. The Community Services Department with the Finance Department will track the amount of funds used per funding source.

Recommendation

The Gila County Community Services Department Director recommends that the Board approve Contract Nos. 022219 and 022419.

Suggested Motion

Information/Discussion/Action to approve Contract No. 022219 with Mountain Retreat Builders and Contract No. 022419 with Advantage Home Performance, Inc. in a not exceed amount of \$249,539 through April 1, 2020, to expedite the commencement of weatherization projects should either company be determined as the low bidder through the County's informal bid process for each weatherization project. ARTICLE 11 – ENTIRE CONTRACT CLAUSE: The Contractor and the County have read this Agreement and agree to be bound by all of its terms, and further agree that it constitutes the entire Agreement between the two parties and may only be modified by a written mutual contract signed by the parties. ARTICLE 12 – NON-WAIVER OF ENFORCEABILITY: Failure of the County to enforce, at any time, any of the provisions of this Agreement, or to request at any time performance by Contractor of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way affect the validity of this Agreement or any part thereof, or the right of the County to enforce each and every provision

ARTICLE 13 – GOVERNING LAW: Both parties agree that this Agreement shall be governed by the laws of the state of Arizona. The parties further agree that the jurisdiction for any legal disputes arising out of this Agreement shall be the Superior Court of the State of Arizona. Request/Subject

Public Sale of portions of Olive Street, Hobart Street and Maple Street, all on the Arlington Heights Official Map No. 31, Gila County Records.

Background Information

On December 4, 2018, during a regular meeting of the Board of Supervisors, the Board directed staff to begin the process to dispose of an unnecessary public roadway being a portion of Olive Street, Hobart Street and Maple Street. Staff began the necessary notifications and public postings of the Board's decision.

Arlington Heights was recorded in 1911. Some of the roads and alleys in the subdivision have never been constructed or completed. Many have been vacated in the past. These roadways have never been built. There are five (5) adjacent owners along the portions of Olive Street, Hobart Street and Maple Street. All landowners have been contacted and given the option to exercise preference rights before the proposed date of sale or appear at the public sale and submit a bid for the portion adjacent to their property.

The adjacent landowners have submitted bids for portions of Olive St., Hobart St., and Maple St. that adjoins their property. The bids meet the minimum requirement established by the current Gila County policy on abandonment of roadways in Gila County.

Evaluation

Abandoning the portions of Olive Street, Hobart Street and Maple Street will not deny anyone access to their property.

Conclusion

It is the best interest of all involved to abandon portions of the roads.

Recommendation

It is the recommendation of the Public Works Department Director that the Board of Supervisors accept a bid from: Mona Kerlock in the amount of \$859 for Olive Street, Hobart Street and Maple Street; Glenda Estevane in the amount of \$103 for Olive Street; Patrick and Helen Medrano in the amount of \$13 for Olive Street; Carol Garcia in the amount of \$169 for Olive Street; and Elena Simion in the amount of \$52 for Olive Street. All of the purchases are adjacent to each respective bidder's property.

Suggested Motion

Information/Discussion/Action for the public sale of portions of Olive Street, Hobart Street and Maple Street, all on the Arlington Heights, Official Map No. 31 Gila County Records, Gila County, AZ, and adjacent to each bidder's respective property, as follows: \$859 from Mona Kerlock; \$103 from Glenda Estevane; \$13 from Patrick and Helen Medrano; \$169 from Carol Garcia; and \$52 from Elena Simion. **(Steve Sanders)**

Establish employee contribution rates for employee and family coverage for FY 2020 for Arizona Local Government Employee Benefit Trust (AZLGEBT) plans.

Background Information

Gila County joined AZLGEBT on July 1, 1999. AZLGEBT provides medical, prescription, dental, vision, disability and life insurance coverage, as well as a wellness program for eligible Gila County employees and dependents. Over the past 20 years there have been various changes and modifications to the plan and to the County's responsibility for administering of the plan. Changes in federal law along with increasing costs associated with changes in the industry, limited options in rural Arizona and specialty medications will continue to add layers of complexity to our administration of our self-insured trust.

In FY 2015, the AZLGEBT added a High Deductible Health Plan (HDHP), Health Savings Accounts (HSAs), and a buy-up dental plan. In FY 2016, AZLGEBT added a Flexible Spending Account (FSA) option to the plan. In FY 2017, the total cost of the health insurance premiums increased approximately 5.66%, and the County and employees shared this increase, which resulted in an increase in premiums to employees of \$3.50 per month for employee coverage and \$14.50 per month for family coverage. There was an increase of \$5.00 in the prescription co-pay and no increase to deductibles or medical co-pays. In FY 2018, there was no increase in premiums to employees; however, there was an increase in medical deductibles and co-pays. In FY 2019, there was a 10% increase in premiums, and the County and

employees shared this increase, which resulted in an increase in premiums to employees of \$7.00 per month for employee coverage and \$34.60 per month for family coverage.

For FY 2020, there is a 6% increase in premiums to cover the rising cost of claims to the Trust. The increase in premiums will be shared between the County and the employees to maintain the cost split percentages that are currently in place. This split in the cost will mean that employee premiums will increase \$6.00 per month for employee coverage and \$19.20 per month for family coverage. The County portion of employee premiums will increase \$29.15 per month for employee coverage and \$60.50 per month for family coverage.

Evaluation

For FY20, there will be an overall 6% increase to premiums and administration for all member counties in the AZLGEBT Trust. Once again, open enrollment for the AZLGEBT plan will take place in May and will be a "passive enrollment" utilizing the web portal. Employees who wish to change their benefit selections or add other options will be able to make those changes during open enrollment. The Human Resources Department will be providing information to all benefit eligible employees about open enrollment. AZLGEBT reviewed and requested bids for third party administration for claims processing this year, and AmeriBen was chosen as the new third party administrator (TPA). Employees will be receiving new insurance cards to reflect this change.

Other coverage changes are as follows:

- Decrease in the Teledoc copay from \$25 to \$10
- Dental and vision coverage for dependents increasing up to age 26 (matching medical coverage age limits)

No changes in deductibles or medical and prescription co-pays.

Staff from Erin Collins and Associates (ECA) and AmeriBen will be on site in Gila County on May 15th in Payson and on May 16th in Globe, during to open enrollment to meet with employees and answer questions.

Conclusion

The 6% increase in premiums is lower than the anticipated 10% increase. Currently, the County subsidizes the premium costs at approximately 90% for single coverage and 75% for family coverage when the employee chooses to participate in the annual Health Risk Assessment (HRA). Without HRA participation, the County subsidizes the

premium costs at 87% for single coverage and 74% for family coverage.

To remain fair and consistent with the health insurance plan, staff believes that the increase in premiums should be shared between the County and employees as a prudent financial step for the County to maintain the existing cost sharing percentages. One of the cornerstones of a well managed plan is the shared cost between employers and employees.

Recommendation

Staff recommend the following for FY 2020:

- Increase premium rates for employees. Combined rates will increase by \$6.00 for a total \$81.50 per month for employee only coverage, and by \$19.20 for a total of 374.50 per month for family coverage, with a continuation of the \$20 per month discount for all employees who participate in the annual Health Risk Assessment (HRA).
- Reconfirm the Gila County base contribution rates for the Health Savings Account (HSA) system at \$10 per month for single coverage and \$25 per month for family coverage.
- Reconfirm the dollar-for-dollar matching contribution into the HSA system up to an additional \$40 per month for single employee coverage, and \$75 per month for family coverage.

Suggested Motion

Proclamation No. 2019-01 Proclaiming April 2019 as National County Government Month in Gila County.

Background Information

National County Government Month (NCGM) held each April is an annual celebration of county government. It provides an excellent opportunity for county officials to raise public awareness and understanding about the roles and responsibilities of counties and to highlight essential county services and effective programs. Request/Subject

Adoption of Policy LBD-001, Gila County Library District Computing and Communication Technology Policy.

Background Information

This computer policy has been developed to address the changes in technology and potential security threats that impacts the Library District and the eight affiliate public libraries the District serves. Library technology security is distinctive from security in other organizations or businesses because we provide computer access to the public, but also need to protect computers from the public. Best practices for libraries includes proper use and protection of resources, networks and equipment of which have been implemented into the policy. This applies to all staff and volunteer work stations and the network as a whole. The Library District provides network connectivity and equipment for the public libraries, and the policy will provide the needed protection of our resources.

Public machines are not part of this policy as they are currently secured through other measures to limit harming of the network.

The policy has been reviewed by the Gila County Legal Department.

Evaluation

The purpose of this policy is to protect the integrity and security of the computing and communication resources of Gila County Library District and its Affiliate Libraries. The policy will establish standards and provide procedures and guidelines for the ethical use of the technological resources of the Library District and its Affiliate Libraries.

This policy has been reviewed and evaluated by library staff, IT and the eight affiliate libraries.

Conclusion

Adoption of the Gila County Library District Computing and Communication Technology Policy will provide a layer of protection to the technology resources for the Library District and its Affiliate Libraries.

Once this policy has been approved by the Board of Supervisors, the Library District anticipates that the affiliate libraries' governing boards will adopt the policy as well.

Adherence to this policy will be required in the annual Library Service Agreements, beginning in fiscal year 2019-2020.

Recommendation

The library staff recommends the adoption of Policy No. LBD-001, Gila County Library District Computing and Communication Technology Policy.

Information

Request/Subject

Authorization for the Chairman of the Board of Supervisors to sign the Civil Rights Certification document related to the Gila County Public Housing Authority (PHA) Annual Plan (Fiscal Year 2019).

Background Information

Each year the Gila County PHA, which is administered by the Gila County Community Services Division, is required to submit an update of its Annual Plan for the upcoming fiscal year to the U.S. Department of Housing and Urban Development (HUD).

Evaluation

The Housing and Economic Recovery Act (HERA), Title VII, Small Public Housing Authorities Paperwork Reduction Act exempted qualified PHAs from the annual plan requirement.

A qualified PHA is a PHA that:

- 1. has a combined unit total of 550 or less public housing units and section 8 vouchers; and
- 2. is <u>not designated trouble</u> under section 6(j)(2) of the 1937 Act, the Public Housing Assessment System (PHAS), as a troubled public housing agency during the prior 12 months; and <u>does not have</u> <u>a failing score</u> under the Section 8 Management Assessment Program (SEMAP) during the prior 12 months.

The Gila County Public Housing Authority was recently informed that it is one of the qualified Arizona Housing Authorities that is not required to submit an Annual PHA Plan; however, a Civil Rights Certification (HUD form HUD-50077-CR) is required to be signed by the Chairman of the Board of Supervisors (BOS) upon the approval of the BOS and submitted to HUD. A copy of the form is attached to this agenda item.

Conclusion

In order for the Gila County Public Housing Authority to meets its requirements related to the PHA Annual Plan, the Chairman of the Board of Supervisors needs to sign the Civil Rights Certification form which must be submitted to HUD.

Recommendation

The Community Services Division Director recommends that the Board of Supervisors authorize the Chairman's signature on the Civil Rights Certification (HUD form HUD-50077-CR), which will be submitted to the U.S. Department of Housing and Urban Development by the Gila County Public Housing Authority.

Suggested Motion

Amendment No. 1 to Contract No. 111518-2 Purchase of One (1) F150 Crew Cab 4x4 to extend the contract date through June 1, 2019.

Background Information

On February 19, 2019 the Board of Supervisors approved contract No. 111518-2 for the purchase of one (1) New Ford F15 Ford Crew Cab 4x4.

Fleet Management would like to extend the contract date through June 1, 2019, to allow for completion of the required upfitting of the vehicle.

The vehicle mentioned in the Invitation for Bids will be needed in the fleet in the coming year for the Sheriff's Office Task Force use. This vehicle would replace unit B-170, a 2008 Chevrolet Tahoe 4x4 with more than 150,000 miles and a bad transmission that is costing a lot of money in repairs and fuel. Vehicle B-170 will be used as a "trade in" to prevent increasing the size of the fleet and will be disposed of at auction.

Evaluation

The original contract term for Contract No. 111518-2 with Tate's Auto Center-Holbrook for the purchase of one (1) New Ford F150 Crew Cab 4x4 was from February 19, 2019, to April 1, 2019. The Public Works Department Director would like to extend the contract end date from April 1, 2019, to June 1, 2019. Amendment No. 1 will serve to extend the term of the contract from April 1, 2019 to June 1, 2019 to allow for completion

of the required upfitting of the vehicle.

Conclusion

The Amendment needs to be approved by the Board of Supervisors to extend the contract from April 1, 2019, to June 1, 2019, to allow for completion of the required upfitting of the vehicle.

Recommendation

The Public Works Director recommends that the Board of Supervisors approve the Amendment to extend the contract through June 1, 2019 to allow for completion of the required upfitting of the vehicle.

Suggested Motion

Approval of Amendment No. 1 to Contract No. 111518-2 with Tate's Auto Center-Holbrook for the purchase one (1) new Ford F150 full size, half-ton, 4x4, crew cab pickup truck to extend the contract to June 1, 2019, to allow for completion of the required upfitting of the vehicle.

In the event that a demand is made, and no written assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of this contract.

Any such usage by other entities must be in accord with the rules and regulations of the respective entity and the approval of the Vendor.

Cancellation of County Contracts

This contract is subject to the cancellation provisions of A.R.S. §38-511.

Termination of Contract

The County, with or without cause, may terminate this contract at any time, or by giving **thirty** (30) days written notice to you. The County will issue a written ten (10) day notice of default to Vendor for acting or failing to act as in any of the following:

- 1. In the opinion of the County, the Vendor fails to perform adequately the stipulations, conditions or services and specifications required in the contract.
- 2. In the opinion of the County, the Vendor attempts to impose on the County material products, or workmanship, which is of unacceptable quality.

- 4. In the opinion of the County, the Vendor fails to make progress in the performance of the requirements of the contract or give the County a positive indication that Vendor will not, or cannot, perform to the requirements of the contract.

Each payment obligation of the County created hereby is conditioned upon the availability of County, State and Federal funds, which are appropriated or allocated for the payment of such an obligation. If funds are not allocated by the County and available for the continuance of service herein contemplated, the contract period for the service may be terminated by the County at the end of the period for which funds are available. The County shall notify the Vendor at the earliest possible time which service may be affected by a shortage of funds. No penalty shall accrue to the County in the event this provision is exercised, and the County shall not be obligated or liable for any future payments due or for any damages as a result of termination under this paragraph.

General

After receipt of all bids, each submittal shall be screened to determine if any shall be deemed non-responsive. Unsigned bids, unacknowledged Addenda, incomplete bids, non-conformance with mandatory requirements, etc., may result in the determination of non-responsive.

Exhibit "B" Contract Award Agreement continued...

EXHIBIT "A" INSTRUCTIONS TO VENDORS

Preparation of Sealed Bid

- A. Sealed Bids will be received by the Gila County Finance Department, from vendors, to deliver the product(s), goods and services contained to establish a contract for specified locations within Gila County. The County seeks sealed bids only from qualified, experienced vendors able to provide services which are, in all respects, responsive to the specifications. All bids shall be on the forms provided in this Invitation for Bid package. It is permissible to copy these forms if required.
- B. Before submitting its bid, each vendor shall familiarize itself with the Scope of Work, laws, regulations and other factors affecting performance of work. It shall carefully correlate its observations with requirements of the Contract and otherwise satisfy itself of the expense and difficulties attending the performance of the work. The submission of a bid will constitute a representation of compliance by the vendor. There will be no subsequent financial adjustment, other than that provided for by the Contract, for lack of such familiarization.
- C. Vendors must complete all forms provided in this Invitation for Bid package in full, original signature in ink, by the person(s) authorized to sign the Bid and to be submitted at the time of bid, and made a part of this contract. The County will use the Bid, and Qualification and Certification Form, in evaluating the capacity of vendor(s) to perform the Scope of Services as set forth in the Contract. Failure of any Vendor to complete and submit the Price Sheet and Signature and Offer Page at time and place of opening may be grounds for automatic disqualification of the vendor(s) from further consideration.
- D. The names of all persons authorized to sign the Bid must also be legibly printed below the signature. Evidence of the authority of the person signing shall be furnished.
- E. The full name of each person or company interested in the Invitation for Bids shall be listed on the Bid.
- F. No alterations in Bids, or in the printed forms therefore, by erasures, interpolations, or otherwise will be acceptable unless each such alteration is signed or initialed by the vendor; if initialed, the County may require the vendor to identify any alteration so initialed.

Instructions to Vendors continued...

1. Completion of the Bidder Checklist & Addenda Acknowledgment form, page 19.

In the event that a demand is made, and no written assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of this contract.

Costs and Payments

Payments shall comply with the requirements of A.R.S. Title 35 and 41, Net 30 days. Upon receipt and acceptance of goods and services, the Vendor shall submit a complete and accurate invoice for payment.

Gila County has entered into an active purchasing agreement with other political subdivisions, cities, and towns of the State of Arizona in order to conserve resources, reduce procurement costs and improve timely acquisition and cost of supplies, equipment and services. The vendor(s) to whom this contract is awarded may be requested by other parties of said interactive purchasing agreements to extend to those parties the right to purchase supplies, equipment and services provided by the vendor under this contract, pursuant to the terms and conditions stated herein. Any such usage by other entities must be in accord with the rules and regulations of the respective entity and the approval of the Vendor.

Cancellation of County Contracts

This contract is subject to the cancellation provisions of A.R.S. §38-511.

Termination of Contract

The County, with or without cause, may terminate this contract at any time, or by giving **thirty** (30) days written notice to you. The County at its convenience, by written notice, may terminate this contract, in whole or in part. If this contract is terminated, the County shall be liable only for payment under the payment provisions of this contract for the services rendered and accepted material received by the County before the effective date of termination.

Exhibit "B" Contract Award Agreement continued...

The County reserves the right to cancel the whole or any part of this contract due to failure of the Vendor(s) to carry out any term, promise, or condition of the contract. The County will issue a written ten (10) day notice of default to Vendor for acting or failing to act as in any of the following:

- 1. In the opinion of the County, the Vendor fails to perform adequately the stipulations, conditions or services and specifications required in the contract.
- 2. In the opinion of the County, the Vendor attempts to impose on the County material products, or workmanship, which is of unacceptable quality.
- 3. Vendor fails to furnish the required service or product within the time stipulated in the contract.
- 4. In the opinion of the County, the Vendor fails to make progress in the performance of the requirements of the contract or give the County a positive indication that Vendor will not, or cannot, perform to the requirements of the contract.

Each payment obligation of the County created hereby is conditioned upon the availability of County, State and Federal funds, which are appropriated or allocated for the payment of such an obligation. If funds are not allocated by the County and available for the continuance of service herein contemplated, the contract period for the service may be terminated by the County at the end of the period for which funds are available. The County shall notify the Vendor at the earliest possible time which service may be affected by a shortage of funds. No penalty shall accrue to the County in the event this provision is exercised, and the County shall not be obligated or liable for any future payments due or for any damages as a result of termination under this paragraph.

General

After receipt of all bids, each submittal shall be screened to determine if any shall be deemed non-responsive. Unsigned bids, unacknowledged Addenda, incomplete bids, non-conformance with mandatory requirements, etc., may result in the determination of non-responsive.

Exhibit "B" Contract Award Agreement continued...

Background Information

Public Works Department Policy No. RM 09-02 – Commercial Driver License (CDL) Expenses was originally approved by the Board of Supervisors on June 23, 2009, with a revision being approved on September 4, 2012.

Conclusion

The proposed revisions address the change to the policy number and document format.

Recommendation

The Gila County Public Works Department recommends approval of the proposed revisions to the Public Works Department Policy "Commercial Driver License (CDL) Expenses" and the policy format and number change from RM 09-02 to PWS-003.

Suggested Motion

Approval of revised Public Works Department Policy - Commercial Driver License (CDL) Expenses to change the format of the policy; and change the policy number from RM 09-02 to PWS-003.

I. PURPOSE:

To clarify Commercial Driver License (CDL) requirements for employees and define what CDL related expenses will be paid by the Gila County Public Works Department.

II. POLICY:

This policy is intended to supplement Rule 10 – Drugs and Alcohol of the Gila County Merit System Rules and Policies Manual. The Gila County Merit System Rules and Policies take precedence in the event of any conflict between the policies.

Therefore, in the interest of reducing liability, Gila County will pay up to \$100 once every twenty-four (24) months for the CDL required physical exam for a Regular Status Full-Time employee that has successfully completed probation. Any endorsements required will also be reimbursed to the employee up to the amount charged by the MVD of Arizona.

This policy and the CDL requirements discussed herein pertain only to the classifications that require a CDL and/or endorsements. Drivers of all commercial vehicles are required to have a medical examination every two years.

Pinal Mountain Elks Lodge #2809 Special Event Liquor License Application for March 30, 2019.

Background Information

A qualified organization may submit an application to serve liquor at a special event for up to 10 days per year. The Arizona Department of Liquor Licenses and Control (DLLC) approves all liquor-related applications; however, part of the DLLC's process requires that the local governing body review the application and submit a recommendation for approval or disapproval to the DLLC.

The Pinal Mountain Elks Lodge #2809 submitted a Special Event Liquor License Application to the Clerk of the Board on March 21, 2019, as they were hired to serve liquor at a wedding reception that was being held on March 30, 2019. The next scheduled Board meeting was not until April 2, 2019, so it was not possible to obtain Board approval before the date of the event. On March 21, 2019, Chairman Humphrey signed the application to recommend the DLLC's approval of the application.

Evaluation

The Clerk of the Board of Supervisors reviewed the Special Event Liquor License Application and determined that it was filled out correctly. The Chairman signed the application so that it could be hand-delivered to the DLLC for final approval before March 30, 2019, the day of the wedding reception.

Conclusion

The Special Event Liquor License Application needs to be presented to the Board of Supervisors for ratification of the Board's approval of the application.

Recommendation

The Clerk of the Board recommends that the Board of Supervisors ratify its approval of a Special Event Liquor License Application submitted by Pinal Mountain Elks Lodge #2809.

Suggested Motion

Ratification of the Board of Supervisors' approval of a Special Event Liquor License Application submitted by Pinal Mountain Elks Lodge #2809 to serve liquor at a wedding reception that was held on March 30, 2019.

BOARD OF SUPERVISORS MEETING MINUTES GILA COUNTY, ARIZONA

Date: March 12, 2019

TIM R. HUMPHREY MARIAN SHEPPARD

Chairman Clerk of the Board

WOODY CLINE By: Marian Sheppard

Vice-Chairman Clerk

TOMMIE C. MARTIN Gila County Courthouse

Member Globe, Arizona

PRESENT: Tim R. Humphrey; Chairman; Woody Cline, Vice-Chairman; Tommie C. Martin, Member (via phone); W. James Menlove, County Manager; Jacque Sanders, Deputy County Manager, District Librarian; Jefferson R. Dalton, Deputy Gila County Attorney, Civil Bureau Chief; Charles Shire, Deputy Gila County Attorney Senior-Civil (via ITV); Marian Sheppard, Clerk of the Board; and Melissa Henderson, Deputy Clerk of the Board.

Item 1 - CALL TO ORDER - PLEDGE OF ALLEGIANCE - INVOCATION

Chairman Humphrey called the regular session to order at 10:00 a.m. this date in the Board of Supervisors' hearing room. Adam Shepherd led the Pledge of Allegiance and Jeff Dalton delivered the invocation.

Item 2 - PRESENTATIONS:

A. Public recognition of one employee through the County's Spotlight on Employees Program, as follows: Leonard Kerszykowski.

Erica Raymond, Human Resources Assistant Senior, read aloud a letter of nomination for Leonard Kerszykowski due to his actions during a recent emergency response situation. He was scheduled to receive this recognition at the Board of Supervisors' meeting on January 8, 2019; however, he was absent so Ms. Raymond requested to present it at a later date. Mr. Kerszykowski has been employed with the County for 18 years. Ms. Raymond presented a gift card to Mr. Kerszykowski and the Board members thanked him for his service to Gila County.

B. Presentation of the 2018 Annual Report for the Gila County Sheriff's Office.

J. Adam Shepherd, Gila County Sheriff, addressed the Board and commented that is has been a goal of his Office to not only produce this annual report each year so that citizens are aware of Sheriff's Office activities, but to provide information that will be useful to others. Sarah White, Chief Administrative Officer, proceeded to review the PowerPoint presentation of the annual report. Each Supervisor thanked Sheriff Shepherd, Ms. White and staff for this excellent report.

Item 3 - REGULAR AGENDA ITEMS:

A. Information/Discussion/Action to approve Intergovernmental Agreement No. YH16-0018-06 between Gila County and the Arizona Health Care Cost Containment System (AHCCCS) for Inmate Hospitalization for the performance period of March 1, 2019 and shall remain in effect for a period of four years with an option to renew on agreement of the parties.

Justin Solberg, Detention Bureau Commander, advised that this Intergovernmental Agreement will allow the federal government to pay up to 90% on a claim for an inmate's hospital stay or hospital visit. Upon execution of the IGA, claims must be submitted to AHCCCS for processing. The County is required to have a minimum of \$10,000 on deposit with AHCCCS for administrative fees and the amount is based on 10% of the previous year's claims. Commander Solberg advised that there weren't many inmates that visited or stayed in the hospital last year so claims are low. Each Board member thanked Commander Solberg for getting this IGA into place. Upon motion by Supervisor Martin, seconded by Vice-Chairman Cline, the Board unanimously approved the IGA No. YH16-0018-06.

B. Information/Discussion/Action to approve the sale of Assessor's tax parcel number 101-10-009 to Gila County to be used for a public purpose related to transportation pursuant to A.R.S. § 42-18303; and authorize the Chairman's signature on the related Quit Claim Deed.

Vice-Chairman Cline advised that this agenda item pertains to a motel in the Hayden-Winkelman area that was deeded to the State of Arizona in care of the Board of Supervisors years ago for non-payment of property taxes. Over the years, the building has become dangerously dilapidated and considered a hazard to the health and safety of the citizens in the area.

Vice-Chairman Cline and his Executive Assistant Cathy Melvin gathered information on this property and submitted a written request for assistance and documentation in the form of pictures of the subject property to the staff of Governor Ducey. The Governor's Office contacted the Arizona Department of Revenue (ADOR) and the Arizona Department of Environmental Quality (ADEQ) to research this property and work with Gila County staff to review the

property ownership and condition. It was determined that the property should have a lead-based paint and asbestos survey conducted as soon as possible. Travis Barnum with ADEQ was charged with expediting the process and provided a Brownfields State Response Grant Application form to County staff to request the funding to conduct the lead and asbestos survey. The application was submitted by the County to ADEQ and approved, and a contract was developed and submitted to Gila County.

On January 8, 2019, the Board of Supervisors approved Contract No. ADEQ19-BF1909 with ADEQ; whereby ADEQ provided funding in the amount of \$13,000 for ADEQ to provide the lead and asbestos survey for the vacant building on behalf of the Gila County Board of Supervisors. The asbestos and lead survey and oversight were performed in accordance with the National Emissions Standard for Hazardous Air Pollutants (NESHAP) program. ADEQ hired a contractor to perform the lead-based paint and asbestos survey. The contractor began the survey on the building; however, it was not completed due to the inability to access the second story of the building as the structure is dangerously unstable. The survey results that were gathered are still being assessed. Upon ADEQ hearing about the dangerous condition of the building, this project was elevated to a higher level. ADEQ informed the County that the building needs to be demolished. In order to apply for additional Brownsfield State Response Grant funding to have the building demolished, the County needs to own the building.

If the Board of Supervisors approves the sale of this parcel to the County, another Brownsfield State Response Grant Application will be submitted to ADEQ to obtain the funding for a contractor to demolish the building. If a grant is awarded, ADEQ will perform the project management for the building demolition and hire the contractor.

Supervisor Martin expressed her appreciation to Vice-Chairman Cline and Ms. Melvin for their efforts on this issue to the point that it will soon be demolished. Chairman Humphrey also thanked Vice-Chairman Cline and Ms. Melvin for their efforts. He is pleased that blighted properties, such as this one, are going to be cleaned up and hopefully the property will be sold in the future so that it can get back on the County's tax rolls.

Upon motion by Supervisor Martin, seconded by Vice-Chairman Cline, the Board unanimously authorized the sale of Assessor's tax parcel number 101-10-009 to Gila County to be used for a public purpose related to transportation pursuant to A.R.S. § 42-18303; and authorize the Chairman's signature on the related Quit Claim Deed.

Chairman Humphrey stated that he would like Consent Agenda item number 4B moved from the consent agenda to the regular agenda for discussion and action. Supervisor Martin made the motion to move agenda item 4B to the

regular agenda, which was seconded by Vice-Chairman Cline. Cheryl Sluyter, Executive Assistant to Supervisor Martin, advised that Mr. Garvin and Mr. McKeen were present at the meeting, and Mr. Garvin has requested to address the Board. Chairman Humphrey agreed to let Mr. Garvin speak after the Board voted on the motion. He asked for the vote and each Board member voted "aye" to move agenda item 4B to the regular agenda; therefore, the vote passed unanimously.

C. Approval of the appointments of the Donald Garvin and Danny E. McKeen as Justices of the Peace Pro Tempores for the Payson Justice Court with all terms expiring December 31, 2019.

James Menlove, County Manager, advised that Timothy Wright, Presiding Judge of the Superior Court, has requested that the Board table this agenda item to the next Board meeting. Mr. Menlove stated that Mr. McKeen is a full-time County employee and the County Attorney's Office has some questions that need to be resolved regarding paying Mr. McKeen for his services as a Justice of the Peace Pro Tempore. Mr. Garvin advised that he is not a County employee and he requested that the Board approve his appointment today because Judge Dorothy Little has requested Mr. Garvin's assistance tomorrow. Cassie Ornelas, Deputy Court Administrator, also requested the Board to appoint Mr. Garvin today. Upon motion by Supervisor Martin, seconded by Vice-Chairman Cline, the Board unanimously approved the appointment of Donald Garvin as a Justice of the Peace Pro Tempore for the Payson Justice Court with a term to expire on December 31, 2019. Upon motion by Supervisor Martin, seconded by Vice-Chairman Cline, the Board unanimously tabled the appointment of Danny E. McKeen to a future Board meeting.

Upon motion by Vice-Chairman Cline, seconded by Supervisor Martin, the Board unanimously approved Consent Agenda action items 4A through 4K with the exception on 4B.

Item 5 – CALL TO THE PUBLIC: Call to the Public is held for public benefit to allow individuals to address the Board of Supervisors on any issue within the jurisdiction of the Board of Supervisors. Board members may not discuss items that are not specifically identified on the agenda. Therefore, pursuant to Arizona Revised Statute §38-431.01(H), at the conclusion of an open call to the public, individual members of the Board of Supervisors may respond to criticism made by those who have addressed the Board, may ask staff to review a matter or may ask that a matter be put on a future agenda for further discussion and decision at a future date.

No comments were provided by the public.

Item 6 - At any time during this meeting pursuant to A.R.S. §38-431.02(K), members of the Board of Supervisors and the County Manager may present a brief summary of current events. No action may be taken on information presented.

Supervisors Cline and Humphrey presented a summary of current events. Supervisor Martin advised that she did not have any current events to report.

Chairman Humphrey stated that agenda item 8 will be addressed before agenda item 9 to accommodate those present who are here to hear about agenda item 8.

Item 8 - WORK SESSION ITEMS:

A. Information/Discussion regarding the development of a Continuum of Care plan as defined by the Arizona Department of Housing, which includes the creation of a local coalition to coordinate housing and services for homeless families and individuals in Gila County.

Malissa Buzan, Community Services Department Director, addressed the Board and she stated that there were Continuum of Care (CofC) partners from the state and local level present at the meeting. Ms. Buzan commented that in December 2018, the Board of Supervisors approved a contract (with the Arizona Department Housing) to receive \$2,500 of Continuum of Care (CoC) Planning Funds. The purpose of today's meeting is to receive information from David Bridge, Balance of State CoC Coordinator for the Arizona Department of Housing (ADOH), with the goal of creating a local coalition. Ms. Buzan introduced Mr. Bridge who continued with the PowerPoint presentation. He advised that under the Housing and Urban Development (HUD) McKinney Vento rules (HEARTH Act), all geographic areas must be part of a CoC to receive HUD CoC funding which provides support toward ending homelessness in communities. Arizona has three HUD approved continuums: Maricopa County, Pima County, and the Balance of State Continuum of Care (BOSCOC). The BOSCOC includes all 13 counties outside of Maricopa and Pima Counties. The Arizona Department of Housing administers the BOSCOC. The BOSCOC is responsible for the effective utilization of HUD homeless funding, but more importantly, the BOSCOC is responsible for overall development of an effective system of care involving all stakeholders to end homelessness throughout the Balance of State as reflected in the HEARTH Act goals.

Mr. Bridge explained that he has met with County staff recently to discuss developing a CoC plan which includes the creation of a local coalition to end homelessness. This coalition will be responsible for coordinating local resources and homeless services; coordinating point in time counts at the local community level; creating local gaps analysis; recruiting local stakeholder participation; implementing and managing local Coordinated Entry; case conferencing; and system coordination efforts. He stated that Gila County is the largest Balance of State county that does not have an active coalition and is the only county that has not applied for funding. Mr. Bridge stated that if the County helps identify other local partners that provide shelter to the homeless,

or provide outreach to the homeless, etc., HUD would help identify funding sources and help partners. He also advised that HUD works with other statewide partners, such as the Department of Economic Security, and they are required to participate with coalitions. He complimented the Board of Supervisors for taking the lead on addressing the homeless situation in Gila County and he said that the Gila County Board of Supervisors is the first board that has asked for this presentation.

Ms. Buzan addressed the last slide, which was entitled "Where are We at Now?" She advised that she has been looking to hire someone to help establish the coalition who has ties to the community and local partners. She contacted several people who meet those criteria; however, every offer of employment was declined. Last week Ms. Buzan spoke with Daren Fry, Northern Operations Director, Community Bridges, and he suggested someone that would be a great fit for the job. Ms. Buzan introduced Mr. Fry and asked him to speak. Mr. Fry advised that Community Bridges does community education and prevention. He identified Jacob Garner, who is a staff member of Community Bridges, and provided a brief overview of his professional background. Mr. Fry stated that Mr. Garner would be able to assist the County in its efforts to form a coalition. Mr. Fry introduced the following partners who were in the audience: Sandra Wills, Program Supervisor, Horizon Human Services; Elena McGroarty, Program Site Director, Horizon Human Services; and Ed O'Brien, Housing Manager, Southwest Behavioral Health Services. Ms. Buzan stated, "We have lots of groups and individuals providing homeless services, but the issue is because we are not sitting at the same table; we don't always get the bang for the buck." She then thanked Cathy Melvin, Executive Assistant to Supervisor; Tammie Mounce, Executive Assistant to the Board of Supervisors; and other staff members for working on this effort. Vice-Chairman Cline asked Ms. Buzan if she would be able to handle the oversight of the coalition and related efforts in her department to which she replied that by shifting some of her staff's responsibilities and hiring Mr. Garner part-time, she should be able to manage this endeavor. Ms. Buzan commented that eventually she would like the part-time position to become a full-time position to coordinate the coalition and related activities. James Menlove, County Manager, reiterated that a CoC plan must be written and it is hope that by adding a part-time position, it will ensure that the plan will be written in the short-term. Chairman Humphrey commented on the importance of gathering data on the homeless and he inquired whether the County would be able to gather enough data to receive funding. Ms. Buzan replied that when an active coalition is in place, that group will be applying for various grants, and the data gathering is a significant component and requirement of the CoC plan. The Board members thanked Mr. Bridge and Ms. Buzan for the presentation of information.

Upon motion by Vice-Chairman Cline, seconded by Chairman Humphrey, the Board voted to go into executive session to address agenda item 7A at 11:22

a.m. (The phone connection with Supervisor Martin was temporarily lost when the motion was made, and vote taken.)

Chairman Humphrey reconvened the regular meeting at 11:51 a.m. and asked for a motion from the Board on agenda item 7A.

Item 7 – EXECUTIVE SESSION ITEMS:

A. Information/Discussion/Action: The Gila County Board of Supervisors may hold an executive session under A.R.S. Section 38-431.03(A)(3) and (4) to consider the Arizona Attorney General's proposal to resolve Gila County's alleged violation of A.R.S. Section 11-410.

Upon motion by Vice-Chairman Cline, seconded by Supervisor Martin, the Board unanimously directed the County Attorney's Office to proceed as directed in the executive session.

There being no further business to come before the Board of Supervisors, Chairman Humphrey adjourned the meeting at 11:52 a.m.

Item 1 - CALL TO ORDER - PLEDGE OF ALLEGIANCE - INVOCATION

Chairman Humphrey called the regular session to order at 10:00 a.m. this date in the Board of Supervisors' hearing room. Woody Cline led the Pledge of Allegiance and Nick Jones of the Maranatha Baptist Church in Globe delivered the invocation.

Item 2 - PRESENTATIONS:

A. Update on the activities of the Resolution Copper Mining Project.

Bryan Seppala, Community and Social Performance Analyst, with Resolution Copper provided a PowerPoint presentation on the recent activities of the Resolution Copper Mining Project located in Superior, Arizona. The Board members made comments and asked questions throughout the presentation. At the end of the presentation, each Board member thanked Mr. Seppala for the information. Chairman Humphrey advised that Mr. Seppala has provided similar presentations at Chairman Humphrey's community meetings, which is very much appreciated. He thanked Mr. Seppala for Resolution Copper's continued commitment to hire local people.

B. Update on the current activities and projects of Capstone Mining Corporation's Pinto Valley Mine.

Timothy Ralston, Manager of Land, Permitting & Regulatory Affairs, with Capstone Mining Company (Company) provided a PowerPoint presentation on the recent activities and projects of Capstone's Pinto Valley Mine located outside of Miami, Arizona. Mike Wickersham, General Manager, Pinto Valley Mine, was also present at the meeting. At the end of the presentation, Chairman Humphrey advised that the County recently implemented a new website to market the various events, activities, destinations and tourism opportunities within and adjacent to the geographical area of Gila County. Since Gila County has numerous copper mines, Chairman Humphrey asked about the possibility of Pinto Valley allowing mine tours for the public. Mr. Ralston replied that due to safety concerns it is unlikely that the public would be allowed to enter the mine site; however, he stated that the Company would certainly consider offering self-guided mine tours with pictorial representation or provide leaflets and brochures with information pertaining to the mine. James Menlove, County Manager, asked Mr. Ralston if there was anything the County could do to help the Company. Mr. Ralston replied that the Pinto Valley Mine intends on expanding its pit and tailings facilities onto National Forest Land. As such, the mine must go through the NEPA (National Environmental Policy Act) process which consists of an evaluation of the environmental effects of a federal undertaking including its alternatives. Preparation of an Environmental Impact Statement is required, and part of that process requires the Company to conduct community meetings; however, Mr. Ralston stated that those meetings are not well attended. Mr. Ralston commented that it would be very helpful if the County could help with that effort, so the Company could hear from those in the community. Mr. Menlove suggested to Mr. Ralston that he provide the County with the dates of their community meetings, so they may be added to a calendar of events on the County's new website, to which Mr. Ralston agreed. Each Board member thanked Mr. Ralston for the presentation of information.

Item 3 - REGULAR AGENDA ITEMS:

A. Information/Discussion/Action to authorize the Sheriff's Office electronic submission of a FY 2020 Drug, Gang and Violent Crime Control Grant Application in the amount \$821,714 (25% match requirement) submitted to the Arizona Criminal Justice Commission to renew grant funding that will be used for the salaries and benefits of the Gila County Sheriff's Office Drug, Gang, and Violent Crimes Task Force.

Travis Baxley, Task Force Commander, for the Sheriff's Office presented this agenda item. He stated that Sheriff Adam Shepherd has taken an aggressive stance on gang and drug issues within the County, so the County has "pushed hard" to obtain funding from the Arizona Criminal Justice Commission (ACJC)

to continually support the Task Force. If grant funding is awarded, the funds will be used for the salaries and employee-related expenses of Task Force members. Each Board member offered their support of the Task Force. Upon motion by Supervisor Martin, seconded by Vice-Chairman Cline, the Board unanimously authorized the Sheriff's Office electronic submission of a FY 2020 Drug, Gang and Violent Crime Control Grant Application to the ACJC.

B. Information/Discussion regarding a list of potential projects to be included in the Gila County Fiscal Year 2020 Capital Investment Plan.

Mr. Menlove provided the Board with a list of proposed Capital Investment Plan (CIP) for infrastructure in northern and southern Gila County. He advised that the list has been modified from the CIP attached to this agenda item. Mr. Menlove proceeded to review the CIP list, as follows:

Mr. Menlove stated that the preferred financing for these proposed projects would be a private placement loan to be repaid over a period of 20 years. If the Board chose to finance these projects with a bond, the County could do a lease-purchase; however, the cost would be significantly more than a private placement loan at a cost of approximately \$30,000. He stated, "We would not put an additional tax burden on our taxpayers; it would be built into our General Fund operating costs. As a Board, I know each of you stated that we are not going to increase taxes." Vice-Chairman Cline commented that should the Board decide to proceed with these proposed projects and obtain a loan to do them, the County should consider selling the approximate 30 acres of land that is owned in northern Gila County to help finance the endeavor. He acknowledged that there is "a lot to think about." Mr. Menlove replied that he could proceed to get an appraisal of the land in northern Gila County, which would cost about \$7,500. Chairman Humphrey commented that should these infrastructure improvements last 20 years, the County must continue to provide maintenance. If all projects are approved, he stated that it would be a benefit to the Board's constituents; as an example, the citizens in Payson would not be required to travel to Globe for jury selection and jury trials. He added that by placing a new animal control facility at the County fairgrounds, the County could possibly utilize prisoners to help with the animals as the prison is near the fairgrounds. Supervisor Martin suggested that the County expand its consideration of CIP projects to include the areas of Tonto Basin, Pine, Strawberry, and Young. Mr. Menlove stated that he provided a list of all County facilities; however, he may have missed some. His main concern is for

the safety of County employees and stated, "This is an attempt to consolidate and increase the safety level for all employees." Supervisor Martin commented that the way the County does business is constantly changing and evolving as technology changes. She stated, "It is the best beginning we have. We probably need less space, but more technology." Mr. Menlove agreed and stated, "We need to think how we do business."

C. Information/Discussion/Action to purchase a building at 112 W. Cedar Lane in Payson for the purpose of moving the Probation Division at a cost of approximately \$289,000 plus fees and closing costs.

Steven Lessard, Chief Probation Officer, advised that in 2017, the Juvenile Detention Center in Globe was closed which saved the County hundreds of thousands of dollars. Those juveniles that need to be detained are now detained in Pinal County per an agreement between Gila County and Pinal County.

The Probation Division has outgrown the current office space and is doubling up in offices due to lack of space and treatment groups are being run out of a conference and jury room in the building. Moving the Probation Division to an off-site space with probation offices, group treatment rooms, individual treatment rooms, a juvenile respite center, and teen center will fulfill the current needs in the Probation Division. In addition, law enforcement will have a place to take kids for a "cooling off" period when they are not eligible for detention.

The 112 W. Cedar Lane facility has the "bones" for combined use as offices for the Probation Division and a youth center requiring very little demolition and remodeling. Half of the facility is already equipped with offices and the other half open space can be utilized for a teen center. The facility can be purchased with budgeted General Fund Capital Improvements money.

Requested renovation and remodel are estimated to be \$140,000. County General Fund Capital Improvements can be used to purchase paint and new flooring at a cost not to exceed \$30,000. The remaining renovation cost, if necessary, will be paid from Probation Division Special Revenue Funds. Community service probationers can be utilized to do some of the work, such as painting.

Each Supervisor commented that the proposed use of this building is an excellent idea. Supervisor Cline requested to see statistics on those juveniles that have been picked up, brought to the Teen Center for a cooling off period to meet with certain agencies that will work with the juvenile; and whether that helped the juvenile moving forward. Mr. Lessard agreed to provide that information to the Board.

Upon motion by Vice-Chairman Cline, seconded by Supervisor Martin, the Board unanimously agreed to purchase a building at 112 W. Cedar Lane in Payson for the purpose of moving the Probation Division at a cost of approximately \$289,000 plus fees and closing costs.

Chairman Humphrey advised that he received a public participation form from Lori Smith requesting to address this item. Ms. Smith had a concern that the CIP was on this meeting agenda as it was her understanding that it would not be presented to the Board of Supervisors until April. She commented that the purchase of this property was included on the CIP list, which was presented for discussion only; however, the Board acted to approve the property purchase. She stated that her only conclusion was that there was some urgency to purchasing the property; otherwise, it would not have been done. She commented that she still had a problem with closing the Juvenile Detention Center. She agreed with utilizing the building in part as a teen center and added that a teen center should also be established in Globe.

Chairman Humphrey asked if any consent agenda items needed to be moved to the regular agenda for discussion and a separate action. Vice-Chairman Cline advised that he wanted to comment on item 4F, which is the acknowledgment of contracts under \$50,000 that have been approved by the County Manager. He advised that a contract has been executed with Kimley Horn to provide a study of the Tri-City Regional Sanitary District's proposed project to construct its own wastewater treatment plant and system as he wanted the public to have that information.

- Item 4 CONSENT AGENDA ACTION ITEMS: (Any matter on the Consent Agenda will be removed from the Consent Agenda and discussed and voted upon as a regular agenda item upon the request of any member of the Board of Supervisors.)
- A. Approval of Amendment No. 1 to Contract No. 111518 with McSpadden Ford for the purchase of three (3) new Ford Expedition SSVs to extend the contract to October 1, 2019, to allow for completion of the required upfitting of the vehicles.

PRESENT: Tim R. Humphrey, Chairman; Woody Cline, Vice-Chairman; Tommie C. Martin, Member (by phone); W. James Menlove, County Manager; Jefferson R. Dalton, Deputy Gila County Attorney, Civil Bureau Chief; Charles Shire, Deputy Gila County Attorney Senior-Civil (via ITV); and Marian Sheppard, Clerk of the Board.

ABSENT: Melissa Henderson, Deputy Clerk of the Board.

Item 1 - CALL TO ORDER - PLEDGE OF ALLEGIANCE

Chairman Humphrey called the special session to order at 10:00 a.m. this date in the Board of Supervisors' hearing room. James Menlove led the Pledge of Allegiance.

Item 2 - REGULAR AGENDA ITEMS:

A. Information/Discussion/Action to affirm, modify or reverse the decision of the Gila County Hearing Officer regarding Community Development Department Complaint No. CP1804-015.

Chairman Humphrey read aloud paragraph 23.8 entitled "Oral Argument" of Gila County Ordinance No. 05-01- *Hearing Officer Rules of Procedure*. This paragraph states that oral arguments shall be limited to 5 minutes unless extended by the Board of Supervisors.

Scott Buzan, Community Development Department Director, provided the history pertaining to this case. On April 24, 2018, the Code Enforcement Officer for the Community Development Department received a complaint about a zoning violation on the property located at 915 Deer Creek Drive, Deer Creek, Arizona. The complaint consisted of violations of unregistered vehicles, 8 dogs and 4 pot-bellied pigs on the property. The owners of the subject

property are Christopher Pfeil and Lisa Head. A hearing was held before Hearing Officer Donald Voakes on November 8, 2018, regarding Community Development Department Complaint No. CP1804-015, which is the property owned by Mr. Pfeil and Ms. Head. Mr. Pfeil and Ms. Head, the Defendants, were found to be responsible for violating Section 103.1(A) of Gila County Zoning Ordinance No. Z15-03. The Civil Violation Decision, Order and Judgment states:

- 1) The Defendants shall be fined in the amount of \$750 for said zoning violation.
- 2) The Defendants are ordered to bring the violating property into compliance with Gila County Zoning Ordinance Z15-03 by November 9, 2018. This includes: A) Removing all pot-bellied pigs from the property.
- 3) The Defendants shall be fined in the amount of \$750 every day following November 13, 2018, that the property does not comply with Gila County Ordinance No. Z15-03.
- 4) If this Civil Violation Decision, Order and Judgment is recorded with the Gila County Recorder's Office, the above-listed fines may be turned over to a collection agency for collection purposes.
- 5) Schedule a review of the Orders of the Hearing Officer. The date, time and location this hearing is: Gila County Board of Supervisors' conference room, 610 E. Highway 260, Payson, Arizona.

A second hearing was held on February 14, 2019. Hearing Officer Voakes ordered that the following judgment shall be entered against the Defendants, as follows:

- 1) A Final Judgment as of February 14, 2019, of \$70,500 is hereby entered against the Defendants, jointly and severally, for said zoning violation. The daily \$750 fine will continue until all pot-bellied pigs are removed from the property.
- 2) This Final Judgment shall be recorded with the Gila County Recorder's Office after the expiration of the appeal period, and the above-listed fines may be turned over to a collection agency for collection purposes.

Mr. Pfeil advised that he moved to Payson with his mother in 2006, and they brought 6 pot-bellied pigs with them. They never had complaints regarding the pot-bellied pigs at their first residence in Gila County. Approximately 7 years ago Mr. Pfeil met Ms. Head and together they had 4 pot-bellied pigs and added two more when Mr. Pfeil's mother passed away. Mr. Pfeil stated that before he and Ms. Head moved to their current residence at 915 Deer Creek Drive, they

contacted the homeowners' association to ask about the pot-bellied pigs and were told there was no issue with the pot-bellied pigs as they were not considered as livestock. They were also told that the pot-bellied pigs needed to be housed on the back part of the property. Mr. Pfeil advised that he and Ms. Head lived at the subject property for one year prior with the pot-bellied pigs before the first complaint was filed with the County. Mr. Pfeil stated that he and Ms. Head are asking the Board of Supervisors to reverse the Hearing Officer's decision based on the following reasons:

- 1) The City of Globe and Town of Payson allow pot-bellied pigs within their city/town limits and they are referred to as pets. "The Gila County Zoning Ordinance last updated in September 1985, pre-dates the introduction of pot-bellied pigs into the U.S., which entered the U.S. in 1987 as expensive, exotic pets."
- 2) The United States Department of Agriculture does not consider pot-bellied pigs as livestock because they are not promotionally raised for consumption or utility but referred to as companion animals. As an example, rabbits are separated into two different categories: livestock and companion pet rabbits, and the same should be done for pot-bellied pigs.
- 3) "The consensus of the general public is that pot-bellied pigs are called pets; not livestock."
- 4) "The Internet is filled with a ton of reasonable doubt about where pot-bellied pigs fit into today's society. Cities all over the country now have adopted them into their society as pets."
- 5) "The definition of livestock according to Wikipedia is: livestock is commonly defined as domesticated animals raised in an agricultural setting to produce labor and commodities such as meat, eggs, milk, fur, leather, and wool. Potbellied pigs are none of those. They have only one use as companion pets."
- 6) "At the September 20, 2018, Board of Adjustment hearing, one of the Board members stated they (pot-bellied pigs) could be permitted with a (County) use permit, but they didn't want to create animosity between neighbors. There has already been animosity between the neighbors. One main reason that we were denied a use permit is because they were considered as livestock."
- 7) "Pot-bellied pigs are covered under exotic pet insurance, not livestock insurance as we found out when we were actively searching to board the pot-bellied pigs. There is only one place in Arizona, which is Ironwood Pig Sanctuary and at the time they told me they could not accommodate my pigs."

Mr. Pfeil added that he and Ms. Head spent weeks trying to find new homes for the pot-bellied pigs but were unsuccessful. Mr. Pfeil stated, "We are working on building an heirloom pig society, which my mom and I started back in 1994, so removing the pigs out of my life would basically make the last 25 years of my life worthless and I would need to be compensated by the County at the rate of \$20,000 per year." Mr. Pfeil stated that he and Ms. Head have decided to move out of Gila County. He asked the Board to remove the fines and stated that he and Ms. Head would place their house for sale and will move as soon as it is sold.

Chairman Humphrey asked Ms. Head if she wanted to speak and she declined.

Vice-Chairman Cline asked Mr. Buzan to restate the amount of the fine. Mr. Buzan replied that as of February 14, 2019, the date of the judgment, the fine totaled \$70,500; however, it continues to accumulate at a rate of \$750 per day. Mr. Buzan stated, "The idea of the daily fine was to get the attention of the property owners and to motivate them. It was never the intention to accumulate such a large amount and to lien the property; that is not our intention. Staff is agreeable to a reduced fine by all means."

The Board members entered into a discussion with Mr. Pfeil regarding the situation. Jefferson Dalton, Deputy Gila County Attorney, Civil Bureau Chief, stated that one way the County would preserve its position legally and at the same time help Mr. Pfeil and Ms. Head with the sale of their home is to not record the lien. In that way, prospective buyers would not know there is a judgment against Mr. Pfeil and Ms. Head and a lien against the property. Mr. Dalton reiterated that the judgment would still be in place whether or not the lien is recorded. Mr. Buzan commented that his department's goal is not about the money, but rather finding a solution to these types of issues. He requested for his staff to have access to the property to periodically check on the potbellied pigs, either weekly or every two weeks. He advised that the other issue is the odor from the pot-bellied pigs' waste matter, which is the neighbors' biggest complaint, so he asked that Mr. Pfeil and Ms. Head ensure that the waste is picked up on a regular basis to eliminate the odor. James Menlove, County Manager, asked Mr. Pfeil if there are any restrictions on the home loan that would delay selling the house to which Mr. Pfeil replied there are no restrictions. Supervisor Martin commented that the Board needs assurance from Mr. Pfeil that he will stop threatening County staff. She also stated that a timeline needs to be set to resolve all issues. Mr. Buzan addressed the fine and advised that as of this date, the total fine is \$99,750. He suggested that if Mr. Pfeil and Ms. Head made efforts to eliminate the odor from the pot-bellied pigs and allow staff to check on them, staff would recommend that the fine be reduced to \$2,500 with the condition that the house would be sold. Mr. Dalton reviewed the powers of the Board with regard to the judgment and fines, and he provided possible actions that could be taken by the Board. Vice-Chairman Cline told Mr. Pfeil that the Board is making efforts today to resolve this issue, and he asked Mr. Pfeil if he would be willing to stop threatening County staff and work with the Board to resolve the matter. Mr. Pfeil replied, "Yes, I am

willing to work with you." Mr. Buzan asked Mr. Dalton to explain the Board's recourse should the neighbors continue to file complaints regarding the odor. Mr. Dalton replied that the lien is in place, so a foreclosure could take place. He added that the Arizona Revised Statutes allow the Board of Supervisors or the County Attorney's Office to bring an action and abatement, which is a Superior Court action, to remove the animals from the property. Both actions could be done simultaneously.

The Board members discussed the content of the proposed motion. With input from the Board members, Vice-Chairman Cline made a motion for the Board to affirm the decision of Hearing Officer Voakes regarding Complaint No. CP1804-015 with the following conditions: County staff will be able to safely visit the property on a bi-monthly basis without any threats from Mr. Pfeil; the odor from the pot-bellied pigs' waste would be reduced to a level acceptable by County staff; this case will be reviewed by the Board in 90 days and if any of the above conditions are breached before the 90 days has been reached, the Board will immediately schedule another meeting to review this case; the Board will withhold recording the lien to collect the fine; and the total number of animals on the property shall not be increased.

Mr. Dalton commented on the proposed motion and provided some clarification. He advised that if the Board's motion is to affirm the decision of Hearing Officer Voakes, that allows Mr. Pfeil to appeal this case to the Superior Court if he so chooses. The other conditions being mentioned in the motion should be an announcement from the Board as they have to do with enforcement of the judgment, which can be separated from the order regarding the case. Mr. Dalton stated that the announcement includes those actions that would be taken by the County should Mr. Pfeil and Ms. Head not do certain tasks as outlined by the Board in today's discussion, and those actions that would be taken by the County should Mr. Pfeil and Ms. Head cooperate with the Board. Vice-Chairman Cline's motion died for lack of a second.

Vice-Chairman Cline asked Mr. Dalton for clarification regarding the content of the motion. Mr. Dalton replied that the Board needs to take a vote on the Final Judgment of Hearing Officer Voakes; to affirm, modify or reverse Hearing Officer Voakes' decision on this case. He added that no other Board action is required for this hearing; the other statements that were made in the earlier motion can be a conversation with Mr. Pfeil and Ms. Head on the work they need to do to get this matter resolved and "more of a good faith explanation on how we (the County) will proceed..."

Vice-Chairman Cline made a motion to affirm Hearing Officer Voakes' decision on Community Development Department Complaint No. CP1804-015 and instructed County staff to work with Mr. Pfeil and Ms. Head on this matter, which was seconded by Supervisor Martin and unanimously approved by the Board.

Item 3 – CALL TO THE PUBLIC: Call to the Public is held for public benefit to allow individuals to address the Board of Supervisors on any issue within the jurisdiction of the Board of Supervisors. Board members may not discuss items that are not specifically identified on the agenda. Therefore, pursuant to Arizona Revised Statute §38-431.01(H), at the conclusion of an open call to the public, individual members of the Board of Supervisors may respond to criticism made by those who have addressed the Board, may ask staff to review a matter or may ask that a matter be put on a future agenda for further discussion and decision at a future date.

There was no public comment.

Item 4 - At any time during this meeting pursuant to A.R.S. §38-431.02(K), members of the Board of Supervisors and the County Manager may present a brief summary of current events. No action may be taken on information presented.

Supervisor Cline provided a brief summary of current events. The other Board members and the County Manager did not have any current events to report.

There being no further business to come before the Board of Supervisors, Chairman Humphrey adjourned the meeting at 11:14 a.m.
