Resolution No. 19-01-02 Regarding Revolving Line of Credit Agreements with JPMorgan Chase Bank, N.A.

Background Information

On April 3, 2012, the Board of Supervisors authorized the advertisement of Request for Proposals (RFP) No. 011312-1 - Primary Servicing Bank. Per statutory requirement, the Board of Deposit of Gila County must issue a call for bids from qualified banks which agree to perform the duties of the Gila County Servicing Bank. This RFP was for the period July 1, 2012, through June 30, 2015, with an option to extend the contract until June 30, 2017.

On June 5, 2012, the Board of Supervisors awarded a contract to JPMorgan Chase Bank, N.A. to provide banking services to Gila County for the period July 1, 2012, through June 30, 2015, with an option to extend the contract until June 30, 2017.

In May of 2017, a new contract was provided to the Treasurer and to legal counsel. The County Attorney's Office reviewed the preliminary documents, which resulted in the documents being returned to JPMorgan Chase Bank to be rewritten per the County's legal counsel. Since the contract expired on June 30, 2017, the Treasurer's Office, representing the County, has had to provide lines of credit to the County's special taxing districts. This has placed a burden on the County and the Treasurer's Office.

Evaluation

Due to the RFP being issued later than normal in the process to seek proposals for a servicing bank contract, and the contract award followed at an even later date, the documents being presented to the Board of Supervisors for approval at this meeting are from JPMorgan Chase Bank and must be signed as soon as possible to relieve the lapse in the revolving lines of credit for Gila County and each of its special taxing districts.

Conclusion

It is imperative that the documents be approved by the Board of Supervisors for signature by its Chairman to ensure that a continuing revolving line of credit is provided for each political subdivision of the state for which the Gila County Treasurer acts as treasurer for the contract for the period July 1, 2018, to June 30, 2022.

Recommendation

The Gila County Treasurer recommends the Board's approval for the Chairman of the Board of Supervisors to sign various documents related to the revolving line of credit for each political subdivision of the state for which the Gila County Treasurer acts as treasurer.

Suggested Motion

Information/Discussion/Action to adopt Resolution No. 19-01-02 which authorizes the Chairman's signature on the following documents between Gila County and JPMorgan Chase Bank, N.A. to provide for revolving lines of credit for Gila County special taxing districts, as follows: Business Loan Agreement-Gila County Revolving Line of Credit; Gila County Revolving Line of Credit - Promissory Note; Business Loan Agreement-Gila County Districts Revolving Line of Credit; and Gila County Districts Revolving Line of Credit - Promissory Note. **(Debora Savage/Jeff Sundheimer)**

Advances shall be on a revolving basis. Advances repaid may be re-borrowed subject to the terms and conditions of this Agreement. Upon occurrence of an Event of Default or an Unmatured Event of Default, Bank, in its absolute and sole discretion and without notice, may suspend the commitment to make any further Advances. In addition, upon occurrence of an Event of Default, Bank, in its absolute and sole discretion and without notice, may terminate the commitment to make Advances. The obligation of the Borrower to repay Advances is evidenced by the Note as to the amount outstanding thereunder. Provided that Borrower applies all nonrestricted operating revenues received by a District under the Agreement and the Note to any unpaid Distributions which the District received pursuant this Agreement, neither the Borrower (other than in its capacity as agent hereunder and under the Note) nor the County shall be liable for any amounts advanced hereunder. Although the outstanding principal of the Note may be zero from time to time, the Loan Documents shall remain in full force and effect until the Commitment terminates and all Obligations are paid and performed in full.

2.2 Requests for Advances and Repayments. Each request for an Advance will be made in writing in a manner mutually acceptable to Bank and the Treasurer, or by another means mutually acceptable to the Bank and the Treasurer. Each request for an Advance shall identify which District or Districts it relates to and the amount of such request for an Advance related to each District. Each District shall deliver to Bank an executed Declaration to designate

the Advances received in any one fiscal year as “qualified tax-exempt obligations” (as defined in Section 265(b)(3)(B) of the Code).

2.3 Advances and Repayments. Advances will be deposited in and repayments will be withdrawn from the designated account of the County with Bank, initially being the account number ending in 4047, or such other accounts with Bank as designated in writing by an Authorized Person; provided that such deposits and repayments may be made by way of on-line banking portals. Borrower hereby irrevocably authorizes and directs Bank to make such credits and debits.

2.4 Advances - Repayment. Borrower agrees to apply all “nonrestricted operating revenues,” of a District as such term is described in the Act according to the priorities set forth in the Act. If there remain any amounts outstanding on the Note as of June 30 of any year with respect to a District, Borrower agrees to notify Bank on or before June 30 of such year of the amounts on deposit in the demand deposit and other accounts of the District with Bank which constitute nonrestricted operating revenues.

2.5 Advances in Excess of Commitment Amount. If with or without the approval of Bank the aggregate outstanding amount of Advances to a District at any time exceeds the Commitment Amount for such District, the Borrower shall repay the excess immediately upon demand by Bank.

2.6 Authority to Amend Commitment. In accordance with the provisions of the Act, the Treasurer as agent for and acting on behalf of the County and the Districts is hereby authorized to request Bank to amend this Agreement and the Note from time to time with respect to the following matters:

2.6.1 To amend Schedule I to (a) add additional Districts, and (b) modify the Commitment Amount with respect to each District; and

2.6.2 To extend the Scheduled Commitment Expiration Date, as described in Section 2.8; and

2.6.3 To increase or decrease the Commitment Amount Cap, provided that the Commitment Amount Cap shall not be increased to an amount that has not been authorized by the County Board of Supervisors, whether under the documents referred to in the opinion delivered pursuant to 3.1.1 of this Agreement or otherwise.

2.6.4 Borrower understands, acknowledges and agrees that any request of Bank pursuant to this Section 2.6 shall be decided by Bank (in each instance) acting in Bank’s sole and absolute discretion.

2.7 Procedure to Amend Commitment. The Agreement and Note may be amended by a written amendment substantially in the form attached hereto as Exhibit C (the “Addendum”) executed by the Bank and by the Treasurer on behalf of the County and the Districts. Each amendment, when dated and fully executed, shall be construed to amend all prior versions of this Agreement and Note, whether or not it is actually attached to all copies of this Agreement or the Note.

2.8 Extension of Scheduled Commitment Expiration Date. The Commitment provided hereunder shall be in effect initially for fiscal year 2018-2019. Borrower and Bank may (acting in its sole and absolute discretion) agree to extend the Commitment for each fiscal year thereafter through the execution of the Addendum extending the Scheduled Commitment Expiration Date from June 30, 2019 to June 30, 2020 for fiscal year 2019-2020, June 30, 2021 for fiscal year 2020-2021, and June 30, 2022 for fiscal year 2021-2022. Provided that the Bank Services Term is extended beyond June 30, 2022, Borrower and Bank may agree to further extend the Commitment for subsequent fiscal years by extending the Scheduled Commitment Expiration Date to June 30 of the next calendar year. Notwithstanding the foregoing, nothing set forth herein authorizes the Commitment to be extended beyond the Servicing Bank Term.

3. CONDITIONS PRECEDENT TO ADVANCES.

3.1 CONDITIONS PRECEDENT TO INITIAL ADVANCE. Bank must receive the following items, in form and content acceptable to Bank, before Bank is required to make any Advances under this Agreement.

3.1.1 Legal Opinion of Borrower. A written opinion of the legal counsel for the County and Borrower, in a form satisfactory to Bank, opining on the following:

(a) Authorization. The execution, delivery, and performance by Borrower of the Loan Documents have been duly authorized by the Board on behalf of Borrower.

(b) Enforceability. The Loan Documents have been duly executed and delivered on behalf of Borrower. The Loan Documents are legal, valid, and binding obligations of Borrower, enforceable in accordance with their terms against Borrower, except as such enforceability may be limited by Arizona Revised Statutes § 42-17101 *et. seq.*, bankruptcy, insolvency, moratorium, reorganization, or similar laws and by equitable principles of general application.

3.1.2 District's Financial Statement and Annual Budget. A copy of each District's published Annual Financial Statement for fiscal year ending June 30, 2017 (and Bank reserves the right to receive copies of (i) each District's financial statements for fiscal years thereafter and (ii) the adopted budget for the District for each fiscal year) and such other information and documents as Bank may reasonably request.

3.2 CONDITIONS PRECEDENT TO ALL ADVANCES. Bank shall be obligated to make an Advance only if the following conditions precedent are satisfied.

3.2.1 Representations and Warranties Accurate. The representations and warranties by Borrower and the Districts in the Loan Documents are correct on and as of the date of this Agreement and, except as Borrower shall have otherwise notified Bank in writing prior to the date thereof, on and as of the date of each Advance, before and after giving effect to such Advance and to the application of the proceeds of such Advance, as though made on and as of such date.

3.2.2 No Violation of Limits on Advances. The making of the Advance to the Borrower on behalf of a District would not result in the outstanding amount of Advances exceeding the Commitment Amount for such District.

3.3 Bank's Waiver of Conditions. Bank may elect, in its absolute and sole discretion, to waive any of the foregoing conditions precedent. Any such waiver shall be effective only if (i) it is in writing executed by Bank, (ii) it specifically identifies the condition precedent, and (iii) describes the particular Advance as to which such condition precedent is waived. Any such waiver shall be limited to the condition(s) precedent specifically described therein. Delay or failure by Bank to insist on satisfaction of any condition precedent of an Advance shall not be a waiver of such condition precedent or any other condition precedent. If the Borrower or a District is unable to satisfy any condition precedent of an Advance, the making of the Advance shall not preclude Bank from thereafter declaring the condition or event causing such inability to be an Event of Default.

4. BORROWER REPRESENTATIONS AND WARRANTIES.

4.1 Closing Representations and Warranties. Borrower represents and warrants to Bank as of the date of this Agreement:

4.1.1 Existence and Authorization. Each of the Districts is a duly formed, organized and validly existing political subdivision of the State of Arizona. 4.1.2 No Approvals. 4.1.3 No Conflicts. The execution, delivery, and performance by Borrower of the Loan Documents will not conflict with, or result in a violation of or a default under: any applicable law, ordinance, regulation, or rule (federal, state, or local); any judgment, order, or decree of any arbitrator, other private adjudicator, or Governmental Authority to which Borrower is a party or by which Borrower or any of the assets or property of Borrower is bound; or any agreement, document, or instrument to which Borrower is a party or by which Borrower or any of the assets or property of Borrower is bound.

4.1.4 Execution and Delivery and Binding Nature of Loan Documents. The Loan Documents have been duly executed and delivered on behalf of Borrower. 4.1.10 Anti-Corruption Laws and Sanctions. Borrower and each District and their respective directors, officers, and employees have implemented and maintain in effect policies and procedures that address matters relating to compliance by Borrower and each District and their respective directors, officers, and employees with Anti-Corruption Laws and applicable Sanctions. To the knowledge of Borrower and each District, (a) none of Borrower or the Districts or their respective directors, officers or employees or (b) any agent of Borrower or the Districts that will act in any capacity in connection with or benefit from the line of credit issued pursuant to the terms hereof, is a Sanctioned Person. The use of the proceeds of drawings under the line of credit or any other transaction contemplated by this Agreement will not violate any Anti-Corruption Law or applicable Sanctions.

4.1.11 Limitation of Representations and Warranties. The foregoing representations and warranties are solely the representations and warranties of Borrower. The County in no way makes any representations or warranties with respect to the organization, financial condition, or any other fact, with respect to any of the Districts listed in Schedule I hereto.

4.2 Sovereign Immunity. Each request for an Advance on behalf of Borrower shall be a representation and warranty by Borrower to Bank that except as provided in Arizona Revised Statutes § 12-820 *et. seq.* and otherwise with respect to matters not relating to contracts, Borrower does not have sovereign immunity rights with respect to contracts under the laws of the State of Arizona.

4.3 Representations and Warranties Upon Requests for Advances. Each request for an Advance on behalf of Borrower shall be a representation and warranty by Borrower to Bank

that the representations and warranties in this Section 4 are correct and complete as of the date of the Advance with respect to Borrower, except as Borrower shall have otherwise notified Bank in writing prior to the date thereof, and that the conditions precedent in Section 3.1 are satisfied as of the date of the Advance.

5. BORROWER AFFIRMATIVE COVENANTS. Borrower agrees that:

5.1 Existence. Each District shall continue to be a validly existing political subdivision of the County.

5.2 Books and Records: Access By Bank. Each District shall maintain a system of accounting for and appropriate books and records showing its receipt and use of (i) nonrestricted operating revenues, (ii) proceeds of Advances, and (iii) other funds available for expenditure for the general operations of the District. During business hours, after an Event of Default, each District shall give representatives of Bank access to all assets, property, books, records, and documents of the District and shall permit such representatives to inspect such assets and property and to audit, copy, examine, and make excerpts from such books, records, and documents.

5.3 Information and Statements.

5.3.1 The County shall furnish to Bank: (i) copies the County's audited financial statement for fiscal year 2017, no later than May 31, 2019, the County's audited financial statement for fiscal year 2018, no later than December 31, 2019, and the County's audited financial statement for fiscal year 2019, no later than June 30, 2020, (ii) as soon as available and in any event prior to sixty (60) days after the beginning of each fiscal year, the County's budget for such fiscal year, as adopted, and (iii) such additional information and statements as the Bank may request, from time to time.

5.3.2 Each District shall furnish to Bank: (i) as soon as available and in any event within two hundred ten (210) days after the end of each fiscal year of the District, copies of annual financial reports, (ii) as soon as available and in any event prior to sixty (60) days after the beginning of each fiscal year, the District's budget for such fiscal year, as adopted, (iii) any other information and documents given to any securities rating agency or other Person in connection with the indebtedness of the District and (iv) such additional information and statements as the Bank may request, from time to time.

5.4 Law; Judgments; Material Agreements; Approvals and Permits. Borrower and each District shall comply with all laws, ordinances, regulations, and rules (federal, state, and local) and all judgments, orders, and decrees of any arbitrator, other private adjudicator, or Governmental Authority relating to Borrower and each District or the assets, business, operations, or property of Borrower and each District. Borrower and each District shall comply in all material respects with all material agreements, documents, and instruments to which Borrower or a District is a party or by which Borrower or District or any of the assets or property of Borrower or District is bound or affected.

5.5 Further Assurances. Borrower shall promptly execute, acknowledge, and deliver and, as appropriate, cause to be duly filed and recorded such additional agreements, documents, and instruments and do or cause to be done such other acts as Bank may reasonably

request from time to time to better assure, perfect, preserve, and protect the rights and remedies of Bank under the Loan Documents.

5.6 Use of Advances. Borrower shall use proceeds of Advances solely for the purpose of making Distributions to the Districts. Distributions shall be used only to pay expenses incurred in its general operations (“Operating Expenses”) and shall be limited to the extent set forth in Section 4.1.8 hereof. Districts shall only use proceeds of Distributions to pay then due Operating Expenses and shall only receive such Distribution when it has no other available funds to pay such Operating Expenses. Districts shall not use the Distributions (i) to purchase or carry margin stock (within the meaning of Regulation U of the Board of Governors of the Federal Reserve System) or to extend credit to others for the purpose of purchasing or carrying margin stock or to refund indebtedness originally incurred for such purpose, in each case in violation of, or for a purpose which violates, or would be inconsistent with, Regulation T, U or X of the Board of Governors of the Federal Reserve System, (ii) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (iii) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, or (iv) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

5.7 Taxation of Interest. Each District shall neither take nor fail to take any action which action or failure to act is within the power and authority of such District and would result in interest payable by such District under the Note to the extent such interest is deemed to be exempt from the gross income of the recipients thereof for federal income tax purposes (i) being included in gross income of Bank for federal income tax purposes, or (ii) otherwise being subject to the federal income tax. Such actions may include, without limitation: making certifications and representations; giving assurances; paying to the United States of America any required amounts representing rebates of arbitrage profits relating to proceeds of Distributions to such District; filing forms, statements, and supporting documents as may be required under the Code and Regulations; limiting the term of and yield on investments made with proceeds of Distributions to such District; and limiting the use of the proceeds of Distributions to such District. In addition to other actions under this Section 5.7, the Borrower, as agent for each District, shall sign and file with the Internal Revenue Service properly completed Forms 8038-G (or any successor form or forms that the United States Internal Revenue Service may require for such purposes, collectively, “Form 8038-G”) as and when required by the Code and Regulations and shall promptly deliver to Bank a copy of each filed Form 8038-G.

5.8 Registration of Warrants. The Borrower, as agent for each District, shall perform its obligations under the Act, including without limitation, Arizona Revised Statutes § 11-604.01.E thereof, which is hereby incorporated herein by reference.

5.9 Security Interest Grants. Each District shall not grant or suffer to exist any lien, claim, or encumbrance to or in favor of any person or entity other than Bank covering the nonrestricted operating revenues of such District (it being understood that Tax Anticipation Notes, General Obligation Bonds, and other payment-source-specific financing commitments of such

District deal with operating revenues which are restricted and thus are not “nonrestricted operating revenues”). Each District and Bank agree that Bank is entitled to a security interest in the nonrestricted operating revenues received by the Borrower on behalf of such District to the extent of any credit extended under this Agreement.

5.10 Anti-Corruption Policies and Procedures. Each District’s use of Distributions will at all times remain in compliance with Anti-Corruption Laws and applicable Sanctions.

5.11 Sovereign Immunity. To the fullest extent permitted by law, Borrower agrees that, from the date hereof, this Agreement and the Loan Documents are fully enforceable in accordance with the provisions thereof and hereby expressly waives rights to sovereign immunity, if any, except for such rights granted under the Arizona Revised Statutes § 12-820 *et seq.* and otherwise with respect to matters not relating to contracts.

6. BANK’S OBLIGATIONS TO BORROWER ONLY. The obligations of Bank under this Agreement are for the benefit of Borrower only. No other Person shall have any rights hereunder or be a third-party beneficiary hereof.

7. SURVIVAL. The representations, warranties, and covenants of Borrower and each District in the Loan Documents shall survive the execution and delivery of the Loan Documents and the making of Advances.

8. INTEGRATION, ENTIRE AGREEMENT, CHANGE DISCHARGE, TERMINATION, WAIVER APPROVAL, CONSENT, ETC. The Loan Documents contain the complete understanding and agreement of Borrower and Bank and supersede all prior representations, warranties, agreements, arrangements, understandings, and negotiations on the matters set forth in the Loan Documents. No provision of the Loan Documents may be changed, discharged, supplemented, terminated, or waived except in a writing signed by the parties thereto. Delay or failure by Bank to insist on performance of any obligation when due or compliance with any other term or condition in the Loan Documents shall not operate as a waiver thereof or of any other obligation, term, or condition or of the time of the essence provision. Acceptance of late payments shall not be a waiver of the time of the essence provision, the right of Bank to require that subsequent payments be made when due, or the right of Bank to declare an Event of Default if subsequent payments are not made when due. Any approval, consent, or statement that a matter is satisfactory by Bank under the Loan Documents must be in writing executed by Bank and shall be construed to apply only to the Persons and facts specifically set forth in the writing. Delay or failure by Borrower to insist on performance of any obligation when due or compliance with any other term or condition in the Loan Documents shall not operate as a waiver thereof or of any other obligation, term, or condition or of the time of the essence provision.

9. BINDING EFFECT. The Loan Documents shall be binding upon and shall inure to the benefit of Bank and Borrower, and the County, and each District and their respective successors and assigns, provided, however, that the Borrower may not assign any of its rights or delegate any of its obligations under the Loan Documents and any purported assignment or delegation shall be void, and provided further that Bank may sell participations in or assign the loan commitment contained in this Agreement, and may exchange financial information about the

County or a District, but not financial information with regard to employees of the County or a District, with actual or potential participants or assignees; provided, however, such actions shall not be taken by Bank without the prior written approval of Borrower, which approval shall not be unreasonably withheld.

10. COSTS, EXPENSES, AND FEES. Borrower and each District agrees to pay on demand all external and internal costs, expenses, and fees (including, without limitation, as applicable, inside and outside attorneys and paralegals costs, expenses, and fees) of Bank (i) in enforcement of the Loan Documents and exercise of the rights and remedies of Bank, (ii) in defense of the legality, validity, binding nature, and enforceability of the Loan Documents and the perfection and priority of the liens and encumbrances granted in the Loan Documents, (iii) in gaining possession of, holding, preserving, and protecting the Collateral, (iv) otherwise in relation to the Loan Documents, the Collateral, or the rights and remedies of Bank under the Loan Documents or relating to the Collateral, and (v) in preparing for the foregoing, whether or not any legal proceeding is brought or other action is taken. Such costs, expenses, and fees shall include, without limitation, all such costs, expenses, and fees incurred in connection with any bankruptcy, receivership, replevin, or other court proceedings (whether at the trial or appellate level). Borrower and each District agrees to pay interest on such costs, expenses, and fees at the Default Rate from the date incurred by Bank until paid in full. Such interest shall be computed on the basis of a 365 day year and actual days elapsed. Notwithstanding the foregoing, in no event shall the Borrower (other than in its capacity as agent hereunder and under the Note) have an obligation to pay any charge that is deemed to be court fees.

11. SEVERABILITY. If any provision or any part of any provision of the Loan Documents is unenforceable, the enforceability of the other provisions or the other provisions and the remainder of the subject provision, respectively, shall not be affected and they shall remain in full force and effect.

12. CHOICE OF LAW. The Loan Documents shall be governed by the law of the State of Arizona, without giving effect to conflict of laws principles.

13. TIME OF ESSENCE. Time is of the essence with regard to each provision of the Loan Documents as to which time is a factor.

14. NOTICES AND DEMANDS. All demands or notices under the Loan Documents shall be in writing (including, without limitation, telecopy, telegraphic, telex, or cable communication) and mailed, telecopied, telegraphed, telexed, cabled, or delivered to the respective party hereto at the address specified at the end of this Section 14 or such other address as shall have been specified in a written notice. Any demand or notice mailed shall be mailed first-class mail, postage-prepaid, return-receipt-requested and shall be effective upon the earlier of (i) actual receipt by the addressee, and (ii) the date shown on the return-receipt. Any demand or notice not mailed will be effective upon the earlier of (i) actual receipt by the addressee, and (ii) the time the receipt of the telecopy, telegram, telex, or cable is mechanically confirmed.

15. RESCISSION OR RETURN OF PAYMENTS. If at any time or from time to time, whether before or after payment and performance of the Obligations in full, all or any part of any amount received by Bank in payment of, or on account of, any Obligation is or must be, or is claimed to be, avoided, rescinded, or returned by Bank to Borrower or any other Person for any reason whatsoever (including, without limitation, bankruptcy, insolvency, or reorganization of Borrower or any other Person), such Obligation and any liens, security interests, and other encumbrances that secured such Obligation at the time such avoided, rescinded, or returned payment was received by Bank shall be deemed to have continued in existence or shall be reinstated, as the case may be, all as though such payment had not been received.

16. HEADINGS. The headings at the beginning of each section of the Loan Documents are solely for convenience and are not part of the Loan Documents.

17. MULTIPLE CREDIT ACCOMMODATIONS. If from time to time Borrower or a District has more than one loan or other credit accommodation with Bank, Borrower agrees that, unless otherwise agreed by Bank and Borrower or such District in writing, (i) the Loan Documents and the agreements, documents, and instruments evidencing and relating to such other loan(s) and credit accommodation(s) shall all remain in effect and neither shall supersede the other, regardless of whether the Loan Documents and such other agreements, documents, and instruments have differing terms, conditions, and requirements, and (ii), regardless of any such differences, Borrower shall comply with all the terms, conditions, and requirements of the Loan Documents and of such other agreements, documents, and instruments.

18. SECURITY INTEREST. Pursuant to the Act, Bank is entitled to and each District hereby grants to Bank a security interest in the nonrestricted operating revenues received by the Borrower on behalf of such District and in all proceeds of such nonrestricted operating revenues to secure the Obligations.

19. WAIVER OF SPECIAL DAMAGES. BORROWER AND EACH DISTRICT WAIVES, TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, ANY RIGHT BORROWER MAY HAVE TO CLAIM OR RECOVER FROM BANK IN ANY LEGAL ACTION OR PROCEEDING ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES.

20. USURY LAWS. Notwithstanding any other provision of this Agreement, the parties agree that the maximum rate or rates of interest to be charged by Bank hereunder shall not exceed the maximum rates permitted under the Act, as it exists on the date hereof. This Section covers the transactions described in this Agreement and any other agreements with Bank or its affiliates executed in connection with this Agreement, to the extent they are subject to the Arizona usury laws (the "Transactions"). Borrower understands and believes that the Transactions comply with the Arizona usury laws. However, if any interest or other charges paid or payable in connection with the Transactions are ever determined to exceed the maximum amount permitted by law, Borrower agrees that:

(a) the amount of interest or other charges payable or paid by Borrower pursuant to the Transactions shall be reduced to the maximum amount permitted by law; and

(b) any excess amount previously collected from Borrower in connection with the Transactions which exceeded the maximum amount permitted by law will be credited against the then outstanding principal balance. If the outstanding principal balance has been repaid in full, the excess amount paid will be refunded to Borrower.

21. COUNTERPARTS. This Agreement may be executed in as many counterparts as necessary or convenient, and by the different parties on separate counterparts each of which, when so executed, shall be deemed an original but all such counterparts shall constitute but one and the same agreement.

22. TERMINATION UPON CONFLICT OF INTEREST. This Agreement may be subject to termination under the circumstances described in and as provided in § 38-511 of the Arizona Revised Statutes. If this Agreement is terminated pursuant to said § 38-511, all advances for the benefit of Borrower and accrued interest thereon shall, to the fullest extent permitted by applicable law, be due and payable immediately.

23. JURY WAIVER. TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, BORROWER, EACH DISTRICT AND BANK HEREBY VOLUNTARILY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) BETWEEN BORROWER, ANY DISTRICT AND BANK ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT. THIS PROVISION IS A MATERIAL INDUCEMENT TO BANK TO PROVIDE THE FINANCING DESCRIBED HEREIN.

24. ARM'S LENGTH TRANSACTION. Borrower acknowledges and agrees that the transaction described in this Agreement is an arm's length commercial transaction between

Borrower and Bank in which (a) Bank is acting solely as a principal and not as an advisor, including, without limitation, a “Municipal Advisor,” as such term is defined in Section 15B of the Securities and Exchange Act of 1934, as amended, and the related final rules (the “Municipal Advisor Rules”), agent or a fiduciary of Borrower, (b) Bank is relying on the bank exemption in the Municipal Advisor Rules, (c) Bank has not provided any advice or assumed any advisory or fiduciary responsibility in favor of Borrower with respect to the transaction contemplated hereby and the discussions, undertakings and procedures leading thereto (whether or not Bank, or any affiliate of Bank, has provided other services or advised, or is currently providing other services or advising any Borrower on other matters), (d) Bank has financial and other interests that differ from those of Borrower, and (e) Borrower has consulted with its own financial, legal, accounting, tax and other advisors, as applicable, to the extent it deemed appropriate.

25. LEGAL ARIZONA WORKERS ACT COMPLIANCE ARIZONA REVISED STATUTES § 41-4401. The parties warrant that at all times during the term of this Agreement they will comply with all state and federal immigration laws applicable to the parties and their employees, and with the requirements of Arizona Revised Statutes § 23-214 (A). Such inspection shall require the execution of a confidentiality agreement in form and substance provided by Bank.

PROMISSORY NOTE

JPMorgan Chase Bank, N.A.
201 North Central Ave., Floor 21
Phoenix, Arizona 85004

Date: January 8, 2019

Principal Amount: Commitment Amount Cap (as defined in and subject to adjustment from time to time in accordance with the hereinafter defined Loan Agreement)

1. PROMISE TO PAY AND INTEREST. For value received, the undersigned, THE GILA COUNTY TREASURER ("Borrower"), AS AGENT FOR GILA COUNTY, ARIZONA (the "County") and EACH OF THE DISTRICTS IDENTIFIED IN SCHEDULE I HERETO, (each a "District" and collectively, "Districts") promises to pay to or on the order of JPMORGAN CHASE BANK, N.A., or registered assigns ("Bank") at its above office, or at such other place as Bank may designate in writing, in lawful money of the United States of America, (a) in the aggregate for all Districts, the principal sum equal to the Commitment Amount Cap (as such term is defined in and subject to adjustment from time to time in accordance with the Business Loan Agreement) (Gila County Districts Revolving Line of Credit) of even date herewith ("Loan Agreement"), between Borrower and Bank, as it may be amended, modified, extended, renewed, restated, or supplemented from time to time), and (b) with respect to each District, the lesser of the unpaid Distributions under the Loan Agreement or the maximum amount shown for such District on Schedule I hereto, as it may be amended from time to time, in either case as shown on the records of Bank which, when in agreement with the records of a District, shall (absent manifest error) be conclusive as to such unpaid amount, with interest thereon from the date advanced at the Interest Rate (as hereinafter defined). Neither Borrower (other than in its capacity as agent hereunder and under the Loan Agreement) nor the County shall be liable for amounts advanced hereunder. "*Interest Rate*" means each rate set forth below, as applicable, from time to time.

2. QUALIFIED TAX-EXEMPT INTEREST RATE. If interest payable with respect to an Advance under this Note allocable to a District is not included in the gross income of Bank, or the registered owner, if other than Bank, under the Internal Revenue Code of 1986 and the regulations thereunder, as such code and regulations heretofore have been and hereafter may be amended from time to time ("Code and Regulations"), and is not otherwise subject to the federal income tax, and if the District files with the United States Internal Revenue Service a properly completed Form 8038-G (or any successor form or forms that the United States Internal Revenue Service may require for such purposes, collectively, "Form 8038-G") as and when required by the Code and Regulations and promptly delivers to Bank a copy of each filed Form 8038-G when requested by Bank, and if the District has delivered to Bank a Declaration (as defined in the Loan

Agreement) certifying that the indebtedness evidenced by this Note with respect to such Advance is a "Qualified Tax-Exempt Obligation," as such term is defined in Section 265 of the Code and Regulations, then the Interest Rate ("Qualified Tax-Exempt Interest Rate") with respect to such Advance shall be a rate per annum equal to seventy-five percent (75.00%) of the rate per annum most recently publicly announced by Bank, or Bank's successors, in Phoenix, Arizona, as Bank's "prime rate," as in effect from time to time, provided that in no event shall the Qualified Tax-Exempt Interest Rate at any time exceed ten percent (10%) per annum. The Qualified Tax-Exempt Interest Rate will be redetermined by Bank on each day that the "prime rate" changes and any change in the Qualified Tax-Exempt Interest Rate will be effective on and after the date of such change and until the next change in the Qualified Tax-Exempt Interest Rate. The "prime rate" is set by Bank based on various factors, including Bank's costs and desired return, general economic conditions and other factors, and is used as a reference point in pricing some loans. Bank may price loans to its customers at, above, or below its "prime rate."

3. NON-QUALIFIED TAX-EXEMPT INTEREST RATE. If interest payable with respect to an Advance under this Note allocable to a District is not included in the gross income of Bank, or the registered owner, if other than Bank, under the Code and Regulations, and if the District files with the United States Internal Revenue Service a properly completed Form 8038-G as and when required by the Code and Regulations and promptly delivers to Bank a copy of each filed Form 8038-G, but, notwithstanding the foregoing, such District has not delivered to Bank a Declaration (as that term is defined in the Loan Agreement), or the Advance is not a "Qualified Tax-Exempt Obligation," as such term is defined in Section 265 of the Code and Regulations, or if an Advance previously designated in a Declaration as a Qualified Tax-Exempt Obligation is no longer eligible to be treated as such as described in Section 5(b) below, then the Interest Rate ("Non-Qualified Tax-Exempt Interest Rate") shall be a rate per annum equal to eighty percent (80.00%) of the rate per annum most recently publicly announced by Bank, or Bank's successors, in Phoenix, Arizona, as Bank's "prime rate," as in effect from time to time, provided that in no event shall the Non-Qualified Tax-Exempt Interest Rate at any time exceed ten percent (10%) per annum. The Non-Qualified Tax-Exempt Interest Rate will be redetermined by Bank on each day that the "prime rate" changes and any change in the Non-Qualified Tax-Exempt Interest Rate will be effective on and after the date of such change and until the next change in the Non-Qualified Tax-Exempt Interest Rate. The "prime rate" is set by Bank based on various factors, including Bank's costs and desired return, general economic conditions and other factors, and is used as a reference point in pricing some loans. Bank may price loans to its customers at, above, or below its "prime rate."

4. TAXABLE INTEREST RATE. If interest payable under this Note is included in the gross income of Bank under the Code and Regulations, or is otherwise subject to federal income tax or if a District does not file with the United States Internal Revenue Service a properly completed Form 8038-G as and when required by the Code and Regulations, or does not deliver a copy of any filed Form 8038-G to Bank upon request, then the Interest Rate ("Taxable Interest Rate") during each calendar quarter shall be the rate per annum equal to ninety percent (90.00%) of the rate per annum most recently publicly announced by Bank, or Bank's successors, in Phoenix, Arizona, as Bank's "prime rate," as in effect from time to time, provided that in no event shall the Taxable Interest Rate at any time exceed one hundred ten percent (110.00%) of the previous quarter's weighted average prime rate among the top three financial institutions by asset size in the State of Arizona. The Taxable Interest Rate will be redetermined by Bank on each day that the

“prime rate” changes and any change in the Taxable Interest Rate will be effective on and after the date of such change and until the next change in the Taxable Interest Rate. The “prime rate” is set by Bank based on various factors, including Bank’s costs and desired return, general economic conditions and other factors, and is used as a reference point in pricing some loans. Bank may price loans to its customers at, above, or below its “prime rate.”

5. CHANGES IN TAX TREATMENT OF INTEREST.

(a) Borrower agrees that in the event that Borrower pays, on behalf of a District, interest at a Non-Qualified Tax-Exempt Rate or a Qualified Tax-Exempt Rate on any portion of the sums outstanding hereunder, and

(i) the Internal Revenue Service or a nationally-recognized bond counsel firm expert with respect to obligations, the interest on which is exempt from the gross income of the recipients thereof for federal income tax purposes, determines that the interest on such portion is not exempt from federal income taxation, or

(ii) Bank is required to pay any sums as federal income taxes because of any assertion by the Internal Revenue Service (whether or not a final determination) that interest paid on such portion of the obligations of Borrower hereunder is not exempt from federal income tax,

then, the applicable interest rate hereunder for that portion shall be deemed always to have been the Taxable Interest Rate and the Borrower shall, on behalf of such District, immediately upon request by Bank, pay to Bank the difference between (A) interest, computed at the Taxable Interest Rate, on any such portion at any time outstanding hereunder and (B) the interest already paid for such portion by Borrower on behalf of such District under this Agreement. The obligations of Borrower on behalf of the District under this section shall survive the termination of the Loan Documents and the repayment of sums borrowed hereunder.

(b) Borrower agrees that in the event that Borrower pays, on behalf of a District, interest at a Qualified Tax-Exempt Rate on any portion of the sums outstanding hereunder and

(i) the Internal Revenue Service or a nationally-recognized bond counsel firm expert with respect to obligations, the interest on which is exempt from the gross income of the recipients thereof for federal income tax purposes, determines that the interest on such portion is not subject to treatment as a “Qualified Tax-Exempt Obligation” pursuant to Section 265(b)(3) of the Code; or

(ii) The District causes or is deemed to have caused (whether by way of aggregation or otherwise) the amount of tax-exempt obligations issued in any calendar year for which Borrower is paying, on behalf of such District, interest at a Qualified Tax-Exempt Rate to exceed \$10,000,000; or

(iii) Bank is required to pay any sums as federal income taxes because of any assertion by the Internal Revenue Service (whether or not a final

determination) that interest paid on such portion of the obligations of Borrower hereunder are not "Qualified Tax-Exempt Obligations" as defined in Section 265(b)(3) of the Code,

then, the applicable interest rate hereunder for the portion that no longer qualifies as a Qualified Tax-Exempt Obligation but is otherwise exempt from federal income taxation shall be deemed always to have been the Non-Qualified Tax-Exempt Interest Rate and Borrower shall, on behalf of such District, (subject to subsection (a) above in the event interest is determined not to be exempt from federal income taxation), immediately upon request by Bank, pay to Bank the difference between (A) interest, computed at the Non-Qualified Tax-Exempt Interest Rate, on any such portion at any time outstanding hereunder and (B) the interest already paid for such portion by or on behalf of the District under this Agreement. The obligations of Borrower on behalf of the District under this section shall survive the termination of the Loan Documents and the repayment of sums borrowed hereunder. This Section 6 shall, in each instance, be subject to the application of Section 5 hereof.

6. REQUIRED PAYMENTS; PAYMENT ON MATURITY. Prior to June 30, 2019 or if the Scheduled Commitment Expiration Date under the Loan Agreement has been extended by mutual agreement between Borrower and Bank (acting in its sole and absolute discretion), such Scheduled Commitment Expiration Date (the "Maturity Date"), payments under this Note shall be made as Borrower receives "nonrestricted operating revenues," as such term is used in the Act. On the Maturity Date Borrower shall pay on behalf of each District to Bank the unpaid Distributions, principal, all accrued and unpaid interest, and all other amounts ("Other Amounts") payable by such District to Bank under the Loan Documents. "Loan Documents" means this Note, the Loan Agreement, the Services Proposal (as defined in the Loan Agreement), and any other agreements, documents, and instruments relating to this Note, as they may be amended, modified, extended, renewed, restated, or supplemented from time to time.

7. INTEREST ON PRINCIPAL; DEFAULT RATE. Principal shall bear interest at the Interest Rate from the date of disbursement until the due date thereof, whether by acceleration or otherwise. Principal, interest, and Other Amounts not paid when due and any judgment therefor shall bear interest from its due date or the judgment date, as applicable, until paid at a rate ("Default Rate") of ten percent (10%) per annum (unless a lower maximum rate of interest is then applicable under the Act, in which case, the Default Rate shall be such lower rate of interest under the Act), and such interest shall be immediately due and payable.

8. INTEREST ACCRUAL. All interest under the Loan Documents shall be computed on the basis of a 365-day year and accrue on a daily basis for the actual number of days elapsed. Borrower agrees to pay, on behalf of each District, an effective rate of Interest that is the sum of (i) the Interest Rate provided herein and (ii) any additional rate of interest resulting from any other charges or fees paid or to be paid in connection herewith that are determined to be interest or in the nature of interest.

9. PAYMENT IN FULL PRIOR TO THE MATURITY DATE. Notwithstanding any other provision herein or in the Loan Documents, Borrower shall pay to Bank, on behalf of each District, all outstanding principal, interest and Other Amounts on June 30 of each year relating to each District. So long as Borrower makes such payment, Borrower shall, subject to the provisions

of the Loan Agreement, continue to be entitled to Advances pursuant to the Loan Agreement prior to the commitment expiration date specified therein. Principal, interest, and Other Amounts not paid on June 30 of each year shall bear interest from June 30 until paid at the Default Rate, and such interest shall be immediately due and payable.

10. APPLICATION OF PAYMENTS. At the option of Bank, payments shall be applied to principal, Interest, and Other Amounts in such order as Bank shall determine.

11. PREPAYMENT. Borrower may prepay the outstanding principal balance hereof relating to a District, in whole or in part, at any time prior to the Maturity Date without penalty or premium.

12. NO COUNTERCLAIMS, DEDUCTIONS, ETC. All payments and other obligations of each District under the Loan Documents will be made and performed without counterclaim, deduction, defense, deferment, reduction, or set-off.

13. EVENTS OF DEFAULT. Each of the following shall be an event of default ("Event of Default") as to Borrower and to each District, as applicable to which the Event of Default applies:

(a) Failure by Borrower to pay when due (i) any amount payable by the Districts under any of the Loan Documents, or (ii) any other indebtedness of Borrower on behalf of a District to Bank.

(b) Failure by Borrower or a District to perform any material obligation not involving the payment of money, or to comply with any other term or condition applicable to Borrower or to a District, in any of the Loan Documents.

(c) Any representation or warranty made by Borrower or each District in any of the Loan Documents or otherwise or any information delivered by Borrower or a District to Bank in obtaining or hereafter in connection with the credit evidenced by this Note is or becomes materially incomplete, incorrect, or misleading from the representations or warranties made of the date of this Note or as of the date made or delivered.

(d) The occurrence of any change or other event that Bank determines has or will materially and adversely affect (i) any or all property, interests in property, or rights to property securing the obligations of Borrower or a District under the Loan Documents, including without limitation the security interest in the nonrestricted operating revenues received by Borrower on behalf of each District ("collectively, Collateral") as security for the obligations of Borrower and the Districts under the Loan Documents, (ii) the financial condition of Borrower, the County and each District, or (iii) the ability of Borrower and each District to pay the monetary obligations of Borrower under the Loan Documents.

(e) Borrower or a District, as applicable (i) is unable or admits in writing Borrower's or District's inability to pay Borrower's or District's monetary obligations as they become due, (ii) is generally not paying its debts as they become due, (iii) makes a general assignment for the benefit of creditors, or (iv) applies for, consents to, or acquiesces in, appointment of a trustee, receiver, or other custodian for Borrower or a District or any

or all of the property of Borrower or a District, or in the absence of such application, consent, or acquiescence by Borrower or a District, a trustee, receiver, or other custodian is appointed for Borrower or any or all of the property of Borrower or a District.

(f) Commencement of any case under the Bankruptcy Code (Title 9 of the United States Code) or commencement of any other bankruptcy, arrangement, reorganization, receivership, custodianship, or similar proceeding under any federal or state law by or against Borrower or a District.

(g) Attachment, garnishment, levy of execution, or seizure by legal process of any or all Collateral of Borrower or a District, except any pre-judgment attachment or garnishment of any or all Collateral.

(h) Any legal proceeding or other action against or affecting any or all Collateral of Borrower or a District is commenced (including, without limitation, any prejudgment attachment or garnishment) and is not quashed, stayed, or released within twenty (20) days.

(i) Any Collateral of Borrower or a District is sold, disposed of, or otherwise transferred by Borrower or a District after the date of this Note, not in the ordinary course of operations of Borrower or a District.

(j) Any Collateral of Borrower or a District becomes subject to any lien or security interest, other than the security interest granted to Bank in this Note.

(k) Any Collateral of Borrower or a District is lost, stolen, suffers substantial damage or destruction, or is used in violation of any law, ordinance, regulation, or rule (federal, state, or local).

(l) Borrower or a District abandons or, except for expenditure of funds included in the Collateral in the ordinary operations of Borrower or a District, ceases to have exclusive possession of any Collateral or any books and records of Borrower or a District relating to the Collateral.

(m) Borrower, or a District, or any other person on behalf of Borrower or a District claims that any Loan Document is not legal, valid, binding, and enforceable against Borrower or a District, that any lien, security interest, or other encumbrance securing any of the obligations under the Loan Documents is not legal, valid, binding, and enforceable, or that the priority of any lien, security interest, or other encumbrance securing any of the obligations in the Loan Documents is different than the priority set forth in the Act (except as such priority may be affected by the laws regarding garnishment of wages of Borrower's or a District's employees and federal and state tax liens for withholding taxes of Borrower's or a District's employees).

(n) The occurrence of any condition or event that is a default or is designated as a default, an event of default, or an Event of Default in any other Loan Document or in any agreement, document, or instrument relating to any other indebtedness of Borrower or of a District to Bank.

(o) The occurrence of any condition or event that is designated as a default or an event of default and the expiration of any cure period with respect to any other indebtedness of Borrower or of a District to any other person.

(p) The failure of Borrower or a District to repay to Bank within five (5) Business Days of written notice from Bank to Borrower the amount by which the outstanding amount of Advances exceeds the Commitment.

14. RIGHTS AND REMEDIES OF BANK. Upon occurrence of an Event of Default, Bank may, at its option, in its absolute and sole discretion, and without demand or notice, (i) declare the obligations in the Loan Documents to be immediately due and payable, whereupon the obligations in the Loan Documents shall be immediately due and payable, and (ii) exercise any or all other rights and remedies of Bank concurrently or consecutively in such order as Bank elects. The rights and remedies of Bank shall be cumulative and non-exclusive. Delay, discontinuance, or failure to exercise any right or remedy of Bank shall not be a waiver thereof, or of any other right or remedy of Bank, or of the time, of the essence provision. Exercise of any right or remedy of Bank shall not cure or waive any Event of Default or invalidate any act done in response to any Event of Default.

15. LIMIT OF LIABILITY OF BANK. In exercising rights and remedies, neither Bank nor any affiliate thereof or any stockholder, director, officer, employee, agent, or representative of Bank or any affiliate thereof shall have any liability for any injury to the assets, business, operations, or property of Borrower or a District or any other liability to Borrower or a District, other than for its own gross negligence or willful misconduct.

16. PROVISIONS IN LOAN AGREEMENT GOVERN THIS AGREEMENT. This Note is subject to certain terms and provisions in the Loan Agreement, to which reference is made for a statement of such terms and provisions.

17. WAIVER OF STATUTE OF LIMITATIONS. Borrower waives, to the full extent permitted by law, the right to plead any statutes of limitations as a defense to any or all obligations under the Loan Documents.

18. WAIVERS BY BORROWER. Borrower and each District (i) waives, to the full extent permitted by law, presentment, notice of dishonor, protest, notice of intent to accelerate, notice of acceleration, and all other notices or demands of any kind (except notices specifically provided for in the Loan Documents), and (ii) agrees that Bank may enforce this Note and any other Loan Documents against Borrower without first having sought enforcement against any Collateral.

19. JURY WAIVER. TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, BORROWER, EACH DISTRICT AND BANK HEREBY VOLUNTARILY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) BETWEEN BORROWER, OR A DISTRICT AND BANK ARISING OUT OF OR IN ANY WAY RELATED TO THIS NOTE. THIS PROVISION IS A MATERIAL INDUCEMENT TO BANK TO PROVIDE THE FINANCING DESCRIBED HEREIN.

20. WAIVER OF SPECIAL DAMAGES. BORROWER AND EACH DISTRICT WAIVES, TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, ANY RIGHT BORROWER MAY HAVE TO CLAIM OR RECOVER FROM BANK IN ANY LEGAL ACTION OR PROCEEDING ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES.

Re: Letter of Declaration for <insert district name here>, for calendar year 20_

Dear Mr. Sundheimer:

The above-referenced district ("District") in Gila County ("County") has approved obtaining a revolving line of credit ("Line of Credit") for the District from JPMorgan Chase Bank, N.A. ("Bank") pursuant to Arizona Revised Statutes Section 11-604.01 *et. seq.* and requests the County Treasurer to enter into an agreement with the Bank to provide the Line of Credit to the District.

In accordance with the Internal Revenue Code of 1986, as amended from time to time ("Code"), the District hereby certifies that it is reasonably anticipated that the aggregate amount of "tax-exempt obligations" (as defined in Code Section 265(b)(3)) which will be issued by the District during the above-referenced calendar year will not exceed \$10,000,000.00 and hereby designates all borrowings under the Line of Credit as "qualified tax-exempt obligations" (as defined in Code Section 265(b)(3)(B)).

In the event the anticipated amount for such year changes to the extent that the above certification changes, the District agrees to deliver to the Bank a supplement to this letter notifying the Bank of such change.

To the best of the undersigned's knowledge, information and belief, the expectations set forth in this Declaration are reasonable and there are no other facts, estimates or circumstances that would materially change the expectations expressed herein.

Sincerely,

PROMISSORY NOTE

JPMorgan Chase Bank, N.A.
201 North Central Ave., Floor 21
Phoenix, Arizona 85004

Date: January 8, 2019

Principal Amount: Commitment Amount Cap (as defined in and subject to adjustment from time to time in accordance with the hereinafter defined Loan Agreement)

1. PROMISE TO PAY AND INTEREST. For value received, the undersigned, THE GILA COUNTY TREASURER (“Borrower”), AS AGENT FOR GILA COUNTY, ARIZONA (the “County”) and EACH OF THE DISTRICTS IDENTIFIED IN SCHEDULE I HERETO, (each a “District” and collectively, “Districts”) promises to pay to or on the order of JPMORGAN CHASE BANK, N.A., or registered assigns (“Bank”) at its above office, or at such other place as Bank may designate in writing, in lawful money of the United States of America, (a) in the aggregate for all Districts, the principal sum equal to the Commitment Amount Cap (as such term is defined in and subject to adjustment from time to time in accordance with the Business Loan Agreement) (Gila County Districts Revolving Line of Credit) of even date herewith (“Loan Agreement”), between Borrower and Bank, as it may be amended, modified, extended, renewed, restated, or supplemented from time to time), and (b) with respect to each District, the lesser of the unpaid Distributions under the Loan Agreement or the maximum amount shown for such District on Schedule I hereto, as it may be amended from time to time, in either case as shown on the records of Bank which, when in agreement with the records of a District, shall (absent manifest error) be conclusive as to such unpaid amount, with interest thereon from the date advanced at the Interest Rate (as hereinafter defined). Neither Borrower (other than in its capacity as agent hereunder and under the Loan Agreement) nor the County shall be liable for amounts advanced hereunder. “*Interest Rate*” means each rate set forth below, as applicable, from time to time.

2. QUALIFIED TAX-EXEMPT INTEREST RATE. If interest payable with respect to an Advance under this Note allocable to a District is not included in the gross income of Bank, or the registered owner, if other than Bank, under the Internal Revenue Code of 1986 and the regulations thereunder, as such code and regulations heretofore have been and hereafter may be amended from time to time (“Code and Regulations”), and is not otherwise subject to the federal income tax, and if the District files with the United States Internal Revenue Service a properly completed Form 8038-G (or any successor form or forms that the United States Internal Revenue Service may require for such purposes, collectively, “Form 8038-G”) as and when required by the Code and Regulations and promptly delivers to Bank a copy of each filed Form 8038-G when requested by Bank, and if the District has delivered to Bank a Declaration (as defined in the Loan Agreement) certifying that the indebtedness evidenced by this Note with respect to such Advance is a “Qualified Tax-Exempt Obligation,” as such term is defined in Section 265 of the Code and Regulations, then the Interest Rate (“Qualified Tax-Exempt Interest Rate”) with respect to such

Advance shall be a rate per annum equal to seventy-five percent (75.00%) of the rate per annum most recently publicly announced by Bank, or Bank's successors, in Phoenix, Arizona, as Bank's "prime rate," as in effect from time to time, provided that in no event shall the Qualified Tax-Exempt Interest Rate at any time exceed ten percent (10%) per annum. The Qualified Tax-Exempt Interest Rate will be redetermined by Bank on each day that the "prime rate" changes and any change in the Qualified Tax-Exempt Interest Rate will be effective on and after the date of such change and until the next change in the Qualified Tax-Exempt Interest Rate. The "prime rate" is set by Bank based on various factors, including Bank's costs and desired return, general economic conditions and other factors, and is used as a reference point in pricing some loans. Bank may price loans to its customers at, above, or below its "prime rate."

3. NON-QUALIFIED TAX-EXEMPT INTEREST RATE. If interest payable with respect to an Advance under this Note allocable to a District is not included in the gross income of Bank, or the registered owner, if other than Bank, under the Code and Regulations, and if the District files with the United States Internal Revenue Service a properly completed Form 8038-G as and when required by the Code and Regulations and promptly delivers to Bank a copy of each filed Form 8038-G, but, notwithstanding the foregoing, such District has not delivered to Bank a Declaration (as that term is defined in the Loan Agreement), or the Advance is not a "Qualified Tax-Exempt Obligation," as such term is defined in Section 265 of the Code and Regulations, or if an Advance previously designated in a Declaration as a Qualified Tax-Exempt Obligation is no longer eligible to be treated as such as described in Section 5(b) below, then the Interest Rate ("Non-Qualified Tax-Exempt Interest Rate") shall be a rate per annum equal to eighty percent (80.00%) of the rate per annum most recently publicly announced by Bank, or Bank's successors, in Phoenix, Arizona, as Bank's "prime rate," as in effect from time to time, provided that in no event shall the Non-Qualified Tax-Exempt Interest Rate at any time exceed ten percent (10%) per annum. The Non-Qualified Tax-Exempt Interest Rate will be redetermined by Bank on each day that the "prime rate" changes and any change in the Non-Qualified Tax-Exempt Interest Rate will be effective on and after the date of such change and until the next change in the Non-Qualified Tax-Exempt Interest Rate. The "prime rate" is set by Bank based on various factors, including Bank's costs and desired return, general economic conditions and other factors, and is used as a reference point in pricing some loans. Bank may price loans to its customers at, above, or below its "prime rate."

4. TAXABLE INTEREST RATE. If interest payable under this Note is included in the gross income of Bank under the Code and Regulations, or is otherwise subject to federal income tax or if a District does not file with the United States Internal Revenue Service a properly completed Form 8038-G as and when required by the Code and Regulations, or does not deliver a copy of any filed Form 8038-G to Bank upon request, then the Interest Rate ("Taxable Interest Rate") during each calendar quarter shall be the rate per annum equal to ninety percent (90.00%) of the rate per annum most recently publicly announced by Bank, or Bank's successors, in Phoenix, Arizona, as Bank's "prime rate," as in effect from time to time, provided that in no event shall the Taxable Interest Rate at any time exceed one hundred ten percent (110.00%) of the previous quarter's weighted average prime rate among the top three financial institutions by asset size in the State of Arizona. The Taxable Interest Rate will be redetermined by Bank on each day that the "prime rate" changes and any change in the Taxable Interest Rate will be effective on and after the date of such change and until the next change in the Taxable Interest Rate. The "prime rate" is set by Bank based on various factors, including Bank's costs and desired return, general economic

conditions and other factors, and is used as a reference point in pricing some loans. Bank may price loans to its customers at, above, or below its “prime rate.”

5. CHANGES IN TAX TREATMENT OF INTEREST.

(a) Borrower agrees that in the event that Borrower pays, on behalf of a District, interest at a Non-Qualified Tax-Exempt Rate or a Qualified Tax-Exempt Rate on any portion of the sums outstanding hereunder, and

(i) the Internal Revenue Service or a nationally-recognized bond counsel firm expert with respect to obligations, the interest on which is exempt from the gross income of the recipients thereof for federal income tax purposes, determines that the interest on such portion is not exempt from federal income taxation, or

(ii) Bank is required to pay any sums as federal income taxes because of any assertion by the Internal Revenue Service (whether or not a final determination) that interest paid on such portion of the obligations of Borrower hereunder is not exempt from federal income tax,

then, the applicable interest rate hereunder for that portion shall be deemed always to have been the Taxable Interest Rate and the Borrower shall, on behalf of such District, immediately upon request by Bank, pay to Bank the difference between (A) interest, computed at the Taxable Interest Rate, on any such portion at any time outstanding hereunder and (B) the interest already paid for such portion by Borrower on behalf of such District under this Agreement. The obligations of Borrower on behalf of the District under this section shall survive the termination of the Loan Documents and the repayment of sums borrowed hereunder.

(b) Borrower agrees that in the event that Borrower pays, on behalf of a District, interest at a Qualified Tax-Exempt Rate on any portion of the sums outstanding hereunder and

(i) the Internal Revenue Service or a nationally-recognized bond counsel firm expert with respect to obligations, the interest on which is exempt from the gross income of the recipients thereof for federal income tax purposes, determines that the interest on such portion is not subject to treatment as a “Qualified Tax-Exempt Obligation” pursuant to Section 265(b)(3) of the Code; or

(ii) The District causes or is deemed to have caused (whether by way of aggregation or otherwise) the amount of tax-exempt obligations issued in any calendar year for which Borrower is paying, on behalf of such District, interest at a Qualified Tax-Exempt Rate to exceed \$10,000,000; or

(iii) Bank is required to pay any sums as federal income taxes because of any assertion by the Internal Revenue Service (whether or not a final determination) that interest paid on such portion of the obligations of Borrower hereunder are not “Qualified Tax-Exempt Obligations” as defined in Section 265(b)(3) of the Code,

then, the applicable interest rate hereunder for the portion that no longer qualifies as a Qualified Tax-Exempt Obligation but is otherwise exempt from federal income taxation shall be deemed always to have been the Non-Qualified Tax-Exempt Interest Rate and Borrower shall, on behalf of such District, (subject to subsection (a) above in the event interest is determined not to be exempt from federal income taxation), immediately upon request by Bank, pay to Bank the difference between (A) interest, computed at the Non-Qualified Tax-Exempt Interest Rate, on any such portion at any time outstanding hereunder and (B) the interest already paid for such portion by or on behalf of the District under this Agreement. The obligations of Borrower on behalf of the District under this section shall survive the termination of the Loan Documents and the repayment of sums borrowed hereunder. This Section 6 shall, in each instance, be subject to the application of Section 5 hereof.

6. REQUIRED PAYMENTS; PAYMENT ON MATURITY. Prior to June 30, 2019 or if the Scheduled Commitment Expiration Date under the Loan Agreement has been extended by mutual agreement between Borrower and Bank (acting in its sole and absolute discretion), such Scheduled Commitment Expiration Date (the "Maturity Date"), payments under this Note shall be made as Borrower receives "nonrestricted operating revenues," as such term is used in the Act. On the Maturity Date Borrower shall pay on behalf of each District to Bank the unpaid Distributions, principal, all accrued and unpaid interest, and all other amounts ("Other Amounts") payable by such District to Bank under the Loan Documents. "Loan Documents" means this Note, the Loan Agreement, the Services Proposal (as defined in the Loan Agreement), and any other agreements, documents, and instruments relating to this Note, as they may be amended, modified, extended, renewed, restated, or supplemented from time to time.

7. INTEREST ON PRINCIPAL; DEFAULT RATE. Principal shall bear interest at the Interest Rate from the date of disbursement until the due date thereof, whether by acceleration or otherwise. Principal, interest, and Other Amounts not paid when due and any judgment therefor shall bear interest from its due date or the judgment date, as applicable, until paid at a rate ("Default Rate") of ten percent (10%) per annum (unless a lower maximum rate of interest is then applicable under the Act, in which case, the Default Rate shall be such lower rate of interest under the Act), and such interest shall be immediately due and payable.

8. INTEREST ACCRUAL. All interest under the Loan Documents shall be computed on the basis of a 365-day year and accrue on a daily basis for the actual number of days elapsed. Borrower agrees to pay, on behalf of each District, an effective rate of Interest that is the sum of (i) the Interest Rate provided herein and (ii) any additional rate of interest resulting from any other charges or fees paid or to be paid in connection herewith that are determined to be interest or in the nature of interest.

9. PAYMENT IN FULL PRIOR TO THE MATURITY DATE. Notwithstanding any other provision herein or in the Loan Documents, Borrower shall pay to Bank, on behalf of each District, all outstanding principal, interest and Other Amounts on June 30 of each year relating to each District. So long as Borrower makes such payment, Borrower shall, subject to the provisions of the Loan Agreement, continue to be entitled to Advances pursuant to the Loan Agreement prior to the commitment expiration date specified therein. Principal, interest, and Other Amounts not paid on June 30 of each year shall bear interest from June 30 until paid at the Default Rate, and such interest shall be immediately due and payable.

10. APPLICATION OF PAYMENTS. At the option of Bank, payments shall be applied to principal, Interest, and Other Amounts in such order as Bank shall determine.

11. PREPAYMENT. Borrower may prepay the outstanding principal balance hereof relating to a District, in whole or in part, at any time prior to the Maturity Date without penalty or premium.

12. NO COUNTERCLAIMS, DEDUCTIONS, ETC. All payments and other obligations of each District under the Loan Documents will be made and performed without counterclaim, deduction, defense, deferment, reduction, or set-off.

13. EVENTS OF DEFAULT. Each of the following shall be an event of default ("Event of Default") as to Borrower and to each District, as applicable to which the Event of Default applies:

(a) Failure by Borrower to pay when due (i) any amount payable by the Districts under any of the Loan Documents, or (ii) any other indebtedness of Borrower on behalf of a District to Bank.

(b) Failure by Borrower or a District to perform any material obligation not involving the payment of money, or to comply with any other term or condition applicable to Borrower or to a District, in any of the Loan Documents.

(c) Any representation or warranty made by Borrower or each District in any of the Loan Documents or otherwise or any information delivered by Borrower or a District to Bank in obtaining or hereafter in connection with the credit evidenced by this Note is or becomes materially incomplete, incorrect, or misleading from the representations or warranties made of the date of this Note or as of the date made or delivered.

(d) The occurrence of any change or other event that Bank determines has or will materially and adversely affect (i) any or all property, interests in property, or rights to property securing the obligations of Borrower or a District under the Loan Documents, including without limitation the security interest in the nonrestricted operating revenues received by Borrower on behalf of each District ("collectively, Collateral") as security for the obligations of Borrower and the Districts under the Loan Documents, (ii) the financial condition of Borrower, the County and each District, or (iii) the ability of Borrower and each District to pay the monetary obligations of Borrower under the Loan Documents.

(e) Borrower or a District, as applicable (i) is unable or admits in writing Borrower's or District's inability to pay Borrower's or District's monetary obligations as they become due, (ii) is generally not paying its debts as they become due, (iii) makes a general assignment for the benefit of creditors, or (iv) applies for, consents to, or acquiesces in, appointment of a trustee, receiver, or other custodian for Borrower or a District or any or all of the property of Borrower or a District, or in the absence of such application, consent, or acquiescence by Borrower or a District, a trustee, receiver, or other custodian is appointed for Borrower or any or all of the property of Borrower or a District.

(f) Commencement of any case under the Bankruptcy Code (Title 9 of the United States Code) or commencement of any other bankruptcy, arrangement, reorganization, receivership, custodianship, or similar proceeding under any federal or state law by or against Borrower or a District.

(g) Attachment, garnishment, levy of execution, or seizure by legal process of any or all Collateral of Borrower or a District, except any pre-judgment attachment or garnishment of any or all Collateral.

January 8, 2019

JPMorgan Chase Bank, N.A.
201 North Central Avenue
Floor 21, Dept. AZ1-1175
Phoenix AZ 85004

Ladies and Gentlemen:

We have acted as counsel for Gila County, Arizona (the "County"), and the Gila County Treasurer (the "Treasurer"), in connection with the execution and delivery of the Business Loan Agreement (Gila County Districts Revolving Line of Credit), dated as of January 8, 2019 (the "Loan Agreement"), between the County, the Treasurer and JPMorgan Chase Bank, N.A. (the "Bank"), the Gila County Districts Revolving Line of Credit Promissory Note, dated January 8, 2019 (the "Note") relating to the Loan Agreement, and all other documents and agreements executed in connection with the Loan Agreement and the Note.

Pursuant to A.R.S. §11-604.01, the Treasurer, as agent for and acting on behalf of the County and for each political subdivision of Arizona for which the Treasurer acts as treasurer (hereafter referred to as a "District" or "Districts") may enter into a revolving lines of credit with the Bank for fiscal year 2018-2019 to pay the lawful claims and obligations of a District until sufficient monies for payment from property taxes and other nonrestricted revenues are received by the Treasurer, as more particularly described in the Loan Agreement.

This opinion is provided to the Bank pursuant to Paragraph 3.1.1 of the Loan Agreement. Capitalized terms not otherwise defined herein have the respective meanings set forth in the Loan Agreement and the Note.

We have examined executed copies of the Loan Agreement, the Note, and applicable statutes of and relating to the lines of credit made available under the Loan Agreement, in each case, as amended to date; records of proceedings of the Board of Supervisors of the County during or by which resolutions were adopted relating to matters covered by this opinion. We have made no independent investigation of any of the Districts to whom the Bank will extend a revolving line of credit under the Loan Agreement. However, we have made such other investigations as we have deemed necessary to enable us to express the opinions hereinafter set forth. We have assumed the genuineness of all signatures of persons signing the Loan Documents on behalf of parties thereto other than the County and the Treasurer, the authenticity of all documents submitted to us as originals and the conformity to authentic original documents of all documents submitted to us as certified, conformed or photo static copies.

Based upon the foregoing, and further subject to their last two paragraphs of this letter, we hereby advise you that in our opinion:

1. The County and the Treasurer have the power and authority to execute, deliver and perform the Loan Agreement and the Note without any action by each of the Districts to confirm or ratify such action.

2. The Loan Agreement and the Note have each been duly authorized by the County and no further corporate action is required in connection therewith. The execution and delivery of the Loan Agreement and the Note and the due performance of the provisions therein do not and will not violate, contravene, or constitute a default under any statutes relating to the formation and operations of the County, or any agreement, indenture, or other document or instrument to which the County is a party or by the terms by which the County or any of its property is bound or affected. The Loan Agreement and the Note have each been duly executed and delivered on behalf of the County and the Treasurer and constitute the legal, valid, and binding obligations enforceable against the Treasurer receiving advances thereunder in accordance with its terms.

3. No consent, approval, authorization, registration, or filing with any governmental authority is required in connection with the execution, delivery, or performance of the Loan Agreement or the Note, except as may have been obtained and certified copies of which have been delivered to the Bank.

4. (a) There are no actions, suits, proceedings, claims, or disputes pending, or to the best of our knowledge, threatened or contemplated, at law, in equity, in arbitration or before any governmental authority against the County, the Treasurer or any of its properties with respect to the Loan Agreement or the Note.

(b) No injunction, writ, temporary restraining order, or any order of any nature has been issued by any court or other governmental authority purporting to enjoin or restrain the execution, delivery, or performance of the Loan Agreement or the Note, or directing that the transactions provided for therein not be consummated as therein provided.

5. To the best of our knowledge, but without an investigation of any sort as to the Treasurer or the County, no event has occurred or would result from the incurring of the obligations by the Treasurer (in its capacity as agent to the Districts) or the County under the Loan Agreement or the Note which is, or with the lapse of time or notice or both would become an Event of Default.

Our opinion set forth in paragraph 2 above is subject to the qualification that the enforceability of the Loan Agreement may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally and by general equity principles.

We are members of the State Bar of Arizona, and we do not express any opinion herein concerning any law other than the law of the State of Arizona, and the federal law of the United States.

This letter has been furnished to you pursuant to the Loan Agreement for your use in connection with the Loan Agreement and may not be relied upon for any other purpose or by any other party without our consent.

Sincerely,

Bradley D. Beauchamp,
Gila County Attorney

Dear Mr. Barnum:

The purpose of this letter is to request funding for a Brownfields State Response Grant for a Phase II Environmental Site Assessment.

2. We are requesting funds for a lead and asbestos survey of the building materials at the site described below.
3. The funding requested will be used to obtain an assessment of property located at 637 Arizona Highway 177 in Hayden, Arizona (Gila County).
4. The current owner of this site is the State of Arizona (through the Gila County Board of Supervisors). The site is approximately 0.24 acre in size and is located on the southwest side of Arizona Highway 177. The site is located in the southeast area of the town of Hayden, and the town of Winkelman is located directly to the east. The site building reportedly has been vacant for over 20 years, and a review of historical aerial photographs indicated that minimal activities or changes occurred at the site or in the site vicinity after 2005.

The site building was constructed in approximately 1972 on undeveloped desert land. It is an unoccupied, two-story, brick and wood structure approximately 6,500 square feet in size that was formerly used as a motel. The motel originally included a lobby on the west side and approximately 20 guest rooms.

Due to the property's location discussions have included the possibility of a rest area or parking area for travelers. There is also a possibility of including the Copper Corridor's Ore Cart Trail as part of this project. The Ore Cart Trail commemorates the mining industry throughout the Copper Corridor beginning in Superior and continuing through the communities of Hayden, Winkelman, Globe, Miami, Mammoth, San Manuel and Oracle.

5. At this time, we are unsure as to the re-use of this site and the associated costs. We are still in the process of determining what will be eligible as well as what the community outreach results will be from Hayden and Winkelman. Gila County is currently pursuing ownership of this property and the costs related to redevelopment.
6. The Gila County IDA obtained a Phase I ESA on this property; however, Gila County does not have costs involved.
7. Gila County does not plan to manage the procurement of a contractor to perform the ESA of this property. See number 14 for Gila County point of contact for this project.
8. At this time, Gila County needs to understand and have documentation of the issues regarding this site and the associated costs to redevelop and provide a scope for potential investors.
9. None
10. The State of Arizona owns this property and we are currently working with the State Agencies to gain access.
11. The subject property is located between the two small communities of Hayden and Winkelman. The building has been an eyesore for many years as it is located right on Hwy 177 and can be seen as people travel through the area. The area is depressed and this building does nothing to help that image. In addition, during times of storms and high winds debris from the building blows out into the street. There is a staircase that leads to the second floor on the outside of the building and can be easily accessed by the public. This building is a public safety hazard for the communities and the removal of the debris and the redevelopment of this site into a rest area or open space parking area would be a definite benefit to the community.
12. The site is not located in a WQARF or Superfund area.
13. Almost immediately after taking office in 2017, I was approached by the mayors of Hayden and Winkelman regarding this building. Both mayors stated that they wanted something done with the site and asked for Gila County's assistance. The age of the building and the possibility of asbestos building materials along with ownership issues have been definite roadblocks in getting this project off the ground. Once the assessment has been completed and ownership issues resolved, Gila County staff will conduct community outreach activities in the area.
14. Contact person: Cathy Melvin, Executive Administrative Assistant; 1400 E. Ash Street, Globe, AZ 85501; 928-402-4401; email cmelvin@gilacountyaz.gov.
15. A site parcel map is attached.
16. Gila County number C0194

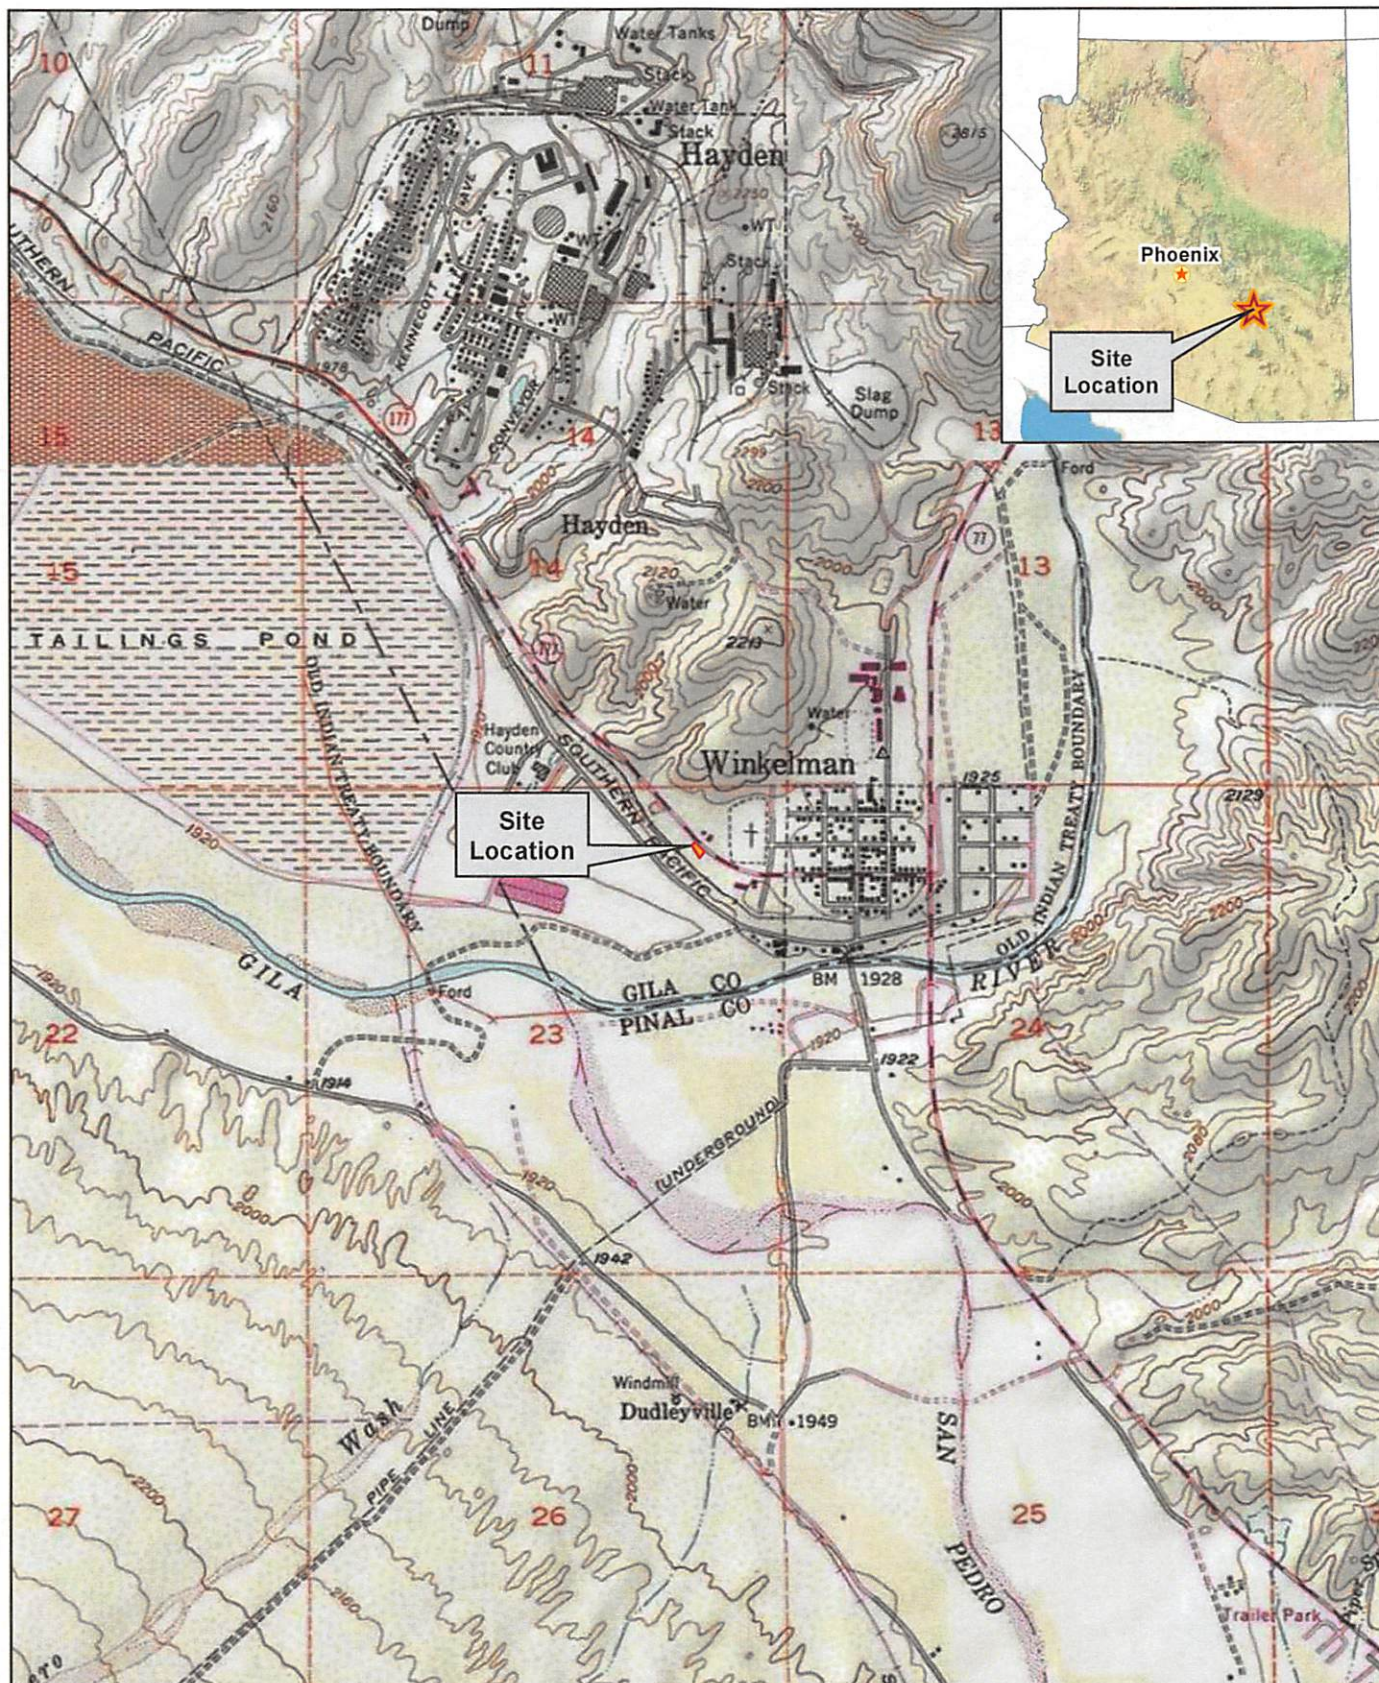

We appreciate your consideration of our request and if you have any questions, please contact our office.

Sincerely,

Information

Request/Subject

The Superior Court of Gila County respectfully requests Board approval for the reappointment of Superior Court Judges *Pro Tempore*.

Background Information

The Court is authorized, with approval from the Gila County Board of Supervisors and upon appointment by the Arizona Supreme Court, to employ Superior Court Judges *Pro Tempore* in the management of judicial operations. Mr. Gary Scales was appointed as full-time Superior Court Judge *Pro Tempore* on May 1, 2010, upon the retirement of the Hon. Peter DeNinno, and has served in that capacity since that date. Mr. Scales serves with compensation and that compensation has been included in the court's current budget. Mr. Joe Albo and Ms. Daisy Flores were appointed April 1, 2018, to serve on a volunteer, "as needed" basis without compensation. The Court is seeking Board approval of reappointment of the above-listed individuals.

Evaluation

The utilization of Judges *Pro Tempore* has expanded the Court's current capacity to process cases. Additionally, the use of Judges *Pro Tempore* alleviates many issues in which the assigned Judge cannot hear a case due to conflict, notice, or recusal.

Conclusion

The Superior Court of Gila County requires Board of Supervisors' approval for the reappointment of Mr. Joe Albo, Ms. Daisy Flores, and Mr. Gary Scales to serve as Superior Court Judges *Pro Tempore* for the period of July 1, 2019, to June 30, 2020.

Recommendation

The Court respectfully recommends that the Board of Supervisors approve Presiding Judge Timothy M. Wright's request for the reappointment of Mr. Joe Albo; Ms. Daisy Flores; and Mr. Gary Scales.

Suggested Motion

Approval of the appointment of Mr. Joe Albo; Ms. Daisy Flores; and Mr. Gary Scales as Superior Court Judges *Pro Tempore* for the period of July 1, 2019, to June 30, 2020.

I am respectfully requesting that the Chief Justice reappoint Daisy Flores, State Bar # 018349, Joe A. Albo, Jr., State Bar # 004810; and Gary V. Scales, State Bar #005029 as Judges *Pro Tempore* for the Superior Court in Gila County, for the period from July 1, 2019 to June 30, 2020.

I confirm that Mr. Albo, Ms. Flores, and Mr. Scales meet all candidate qualifications and requirements as set forth in A.R.S. § 12 – 142. Mr. Albo and Ms. Flores would serve without compensation whereas Mr. Scales would receive compensation.

The Judges *Pro Tempore*, if appointed, would enhance the court's ability to process cases.

Acceptance of the 2018 Hazardous Materials Emergency Preparedness (HMEP) Award.

Background Information

Under the management of the Local Emergency Preparedness Committee (LEPC), the Gila County Hazardous Response Plan is a living document to help guide the County and participating jurisdictions toward greater chemical, biological, radiological, nuclear, and explosives preparedness and response capabilities. This plan identifies hazard response and mitigation measures in the form of short and long term solutions intended to reduce the effects of future disasters throughout the County and lessen the impact to County residents.

This plan will be inclusive of all incorporated and non-incorporated areas of Gila County and will be developed in compliance with Section 322 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, enacted under the Disaster Mitigation Act of 2000. Local Hazardous Response Plans are required to be updated every five years and be reviewed and approved at the state and Federal Emergency Management Agency levels.

This funding was initially discussed at the June 6, 2018 LEPC meeting with Chris Nutter, our representative from the Arizona Department of Environmental Quality (ADEQ). There was no application to complete, and the award letter is our contract. Gila County is required to report progress to ADEQ quarterly.

Evaluation

This funding will accommodate a complete overhaul of our current Gila County Hazardous Response Plan through our Gila County LEPC. This is the last of our mandated plans that require being reviewed and updated every five years. Jurisdictions that remain compliant with federal mandates will be permitted to request Federal Emergency Management Agency funds available for mitigation plan development and mitigation projects, as well as reimbursements post event.

Conclusion

Acceptance of the 2018 HMEP grant funding award from the ADEQ in the amount of \$17,000 with no non-federal match requirement will allow Gila County Emergency Management to contract with a consultant that will review and update our existing Hazardous Response Plan, which is intended to reduce future disasters throughout Gila County while remaining compliant with federal requirements.

Recommendation

It is the recommendation of the Health & Emergency Management Department Director that the Board of Supervisors accept the 2018 HMEP grant funding award from the ADEQ in the amount of \$17,000 with no non-federal match requirement. This funding will be used to review and update our existing plan which is intended to reduce the magnitude of future disasters throughout Gila County, while remaining compliant with federal requirements.

Suggested Motion

Approval to accept the 2018 Hazardous Materials Emergency Preparedness Grant Program funding award from the Arizona Department of Environmental Quality in the amount of \$17,000 with no non-federal match requirement that will be used to review and update the existing Gila County Hazardous Response Plan.

Funds Requested: \$17,000

Funds Awarded: \$17,000

Dear Mr. Beck:

This Award supports your Local Emergency Preparedness Committee's (LEPC's) fund request for the grant fiscal year of 2018 which starts on October 1, 2018 and ends on September 30, 2019. We have included a breakdown of what has been submitted and approved by the Pipeline and Hazardous Materials Safety Administration (PHMSA). This award serves to enhance hazardous materials response capacity within your planning district by providing additional training funds.

IMPORTANT COMPLIANCE NOTES

1. This award is for reimbursement of approved funding requests. If you find additional training opportunities during the grant performance period, please let ADEQ know at least three weeks prior, so that proper approval can be requested through PHMSA. AZSERC cannot approve any requests that have not had their prior approval.
2. Please submit your request(s) for reimbursement by email to ADEQ at AZSERC@azdeq.gov. Request(s) must include a narrative of the training or planning exercise, copies of all invoices and/or receipts and the ProcureAZ vendor number of the organization that is requesting reimbursement.

Gila County Cooperative Extension Advisory Board Appointments

Background Information

A.R.S. §3-124-County agricultural extension board; members; appointment; term; qualifications; office space states, *“The board of supervisors shall appoint 7 persons, who are residents of the county, to a county agricultural extension board, 4 of whom have as their principal business the production of agricultural commodities, and the other 3 of whom shall be representative of organizations or persons who utilize the county agricultural extension services.”*

Each member shall be appointed for a term of two years.

Clark Richens' term of office on the Gila County Cooperative Extension Advisory Board expired on December 31, 2018. He has served on this Board for 16 years and is willing to serve another 2-year term of office retroactively from January 1, 2019, through December 31, 2020.

Mike Burket's term of office on the Advisory Board expired on December 31, 2018; however, he is unable to serve another term of office. The Advisory Board has spoken with Marsha Fitzhugh and she has expressed a willingness to serve on the Advisory Board as a representative for youth development, the same as Mr. Burket's representation.

Evaluation

It would be beneficial to the County to retroactively reappoint Mr. Richens for another two-year term of office which began on January 1, 2019, and ends on December 31, 2020.

Ms. Fitzhugh is currently the FFA (Future Farmers of America) teacher at Payson High School. The Advisory Board believes that Ms. Fitzhugh is an excellent mentor and would be a great addition to their Board. Ms.

Fitzhugh would be appointed for the term beginning on January 8, 2019, through December 31, 2020.

Conclusion

The Board of Supervisors needs to consider re-appointing Clark Richens for another two-year term, and appointing Marsha Fitzhugh for an initial term on the Gila County Cooperative Extension Advisory Board of Directors.

Recommendation

The Gila County Cooperative Extension Advisory Board recommends that the Board of Supervisors appoint the individuals as listed above.

Suggested Motion

Approval to reappoint Clark Richens to the Gila County Cooperative Extension Advisory Board of Directors for the term which began on January 1, 2019, through December 31, 2020; and appoint Marsha Fitzhugh to the Advisory Board for the term beginning on January 8, 2019, through December 31, 2020.

Request/Subject

Quit Claim Deed for Sale of Assessor's Tax Parcel No. 206-03-143

Background Information

On May 26, 2015, the Board of Supervisors adopted Resolution No. 15-05-05 which outlines the policy and procedures for the sale of land held by the State of Arizona under tax deed. The procedures allow the Clerk of the Board to sell these parcels over the counter for the total lien amount. A separate \$15 fee is required to be paid by the purchaser in order to record the Quit Claim Deed. The procedures also state that a consent agenda action item will be submitted to the Board of Supervisors on a regular meeting agenda to obtain authorization from the Board for the Chairman's signature on the Quit Claim Deed.

Assessor's tax parcel number 206-03-143 was deeded to the State of Arizona in 2017 with a total lien amount of \$2,161.17. It did not sell at the Board of Supervisors' annual tax sale/auction that was held on December 5, 2017.

Evaluation

On December 17, 2018, the Clerk of the Board sold the subject parcel to Abelardo Andre Gil for the lien amount. Said payment was deposited with the Gila County Treasurer on the same day. A separate \$15 payment was submitted to record the Quit Claim Deed. This property is a vacant house at 5868 s. Van Winkle Ave in Miami.

Conclusion

The Board of Supervisors needs to authorize the Chairman's signature on the Quit Claim Deed for the sale of Assessor's tax parcel number 206-03-143. Once the deed has been finalized and recorded, the property will go back on the County's tax rolls.

Recommendation

The Clerk of the Board recommends that the Board of Supervisors authorize the Chairman's signature on a Quit Claim Deed to finalize the sale of Assessor's tax parcel number 206-03-143 to Abelardo Andre Gil.

Suggested Motion

Authorization of the Chairman's signature on the Quit Claim Deed for the Clerk of the Board's over-the-counter sale of Assessor's tax parcel number 206-03-143 to Abelardo Andre Gil.

PRESENT: Tim R. Humphrey; Chairman; Woody Cline, Vice-Chairman; Tommie C. Martin, Member (via ITV); W. James Menlove, County Manager (via ITV); Jacque Sanders, Deputy County Manager, District Librarian; Jefferson R. Dalton, Deputy Gila County Attorney, Civil Bureau Chief; Charles Shire, Deputy Gila County Attorney Senior-Civil (via ITV); Marian Sheppard, Clerk of the Board; and Melissa Henderson, Deputy Clerk of the Board.

Item 1 – CALL TO ORDER - PLEDGE OF ALLEGIANCE – INVOCATION

Chairman Humphrey called the regular session to order at 10:00 a.m. this date in the Board of Supervisors' hearing room. Aimee Staten led the Pledge of Allegiance and Pastor Allen of Ponderosa Bible Church in Payson delivered the invocation.

Item 2 – PRESENTATIONS:

A. Presentation of information regarding the United Fund of Globe-Miami, Inc. and a potential similar organization in northern Gila County on connecting local charities and donors throughout Gila County.

James Menlove, County Manager, commented that charitable giving through the County has been a regular topic of conversation for the past 10-15 years. He asked Maryn Belling, Finance Department Budget Manager and the Executive Director of the United Fund of Globe-Miami, Inc. (UFGM), to address the Board. Ms. Maryn advised that today's presentation is to provide information on charitable giving and no Board action is being requested. She provided the history of the UFGM, which was formed in 1964. The UFGM charges an administrative fee of 5%, which is significantly lower than most charitable organizations. Every year the non-profit organizations are required to submit an application to the UFGM and address how they will target the needs in the Globe-Miami area. She advised that the longer-term goal is to also

establish the United Fund in northern Gila County; however, the short-term goal is to implement a plan so that all County employees may donate to a charitable organization through payroll deduction. For those employees working in southern Gila County, they would be able to donate to the UFGM and employees working in northern Gila County will be able to designate a contribution to specific non-profit organizations. She provided a PowerPoint presentation and commented that the UFGM interacts with approximately 30 agencies in southern Gila County. Ms. Belling explained that the contribution could be made as a "fair share," which would be a contribution of one hour's pay per month or as a one-time donation. The donation can be for a specific organization or in general. One-hundred percent of the donations stay in the Globe-Miami area, and the same will apply for the Payson area. Ms. Belling stated that Mr. Menlove sits on the UFGM Board of Directors. She proceeded to answer questions from the Board members. When the discussion concluded, each Board member thanked Ms. Belling for the information. Chairman Humphrey asked Linda Oddonetto, UFGM President, if she wanted to comment. Ms. Oddonetto expressed her appreciation to the Board for allowing the presentation. She stated that for the first two years of the program, County employees in northern Gila County would designate their giving to non-profits in northern Gila County, and employees in southern Gila County could give to the UFGM.

Item 3 - PUBLIC HEARINGS:

A. Convene a public hearing to hear citizens who may wish to comment on a proposed amendment to Section 103.1 of the Zoning Ordinance of the Unincorporated Areas of Gila County, Arizona (last amended in its entirety as Ordinance No. 2014-04) for the encroachment of a building or structure into a required yard setback, to add unsecured habitable structures to the unsafe structures list, to clarify prohibited dangerous uses and nuisances, and to specifically define accessory structures and uses and the methods of obtaining approval to encroach into a required setback or establish an accessory structure or use when a primary or principal structure or use is not present; and adopt Ordinance No. 2018-05.

Scott Buzan, Community Development Department Director, advised that the Zoning Ordinance was last fully reviewed and underwent significant changes in 2014. This proposed ordinance, which is an amendment to the Zoning Ordinance, only changes Section 103.1 of the Zoning Ordinance. Upon review of that section by Community Development staff, it was opined that the language was too restrictive. The proposed changes not only clarify the intent of the section but provide property owners an option of a variance or administrative variance in which to pursue certain uses of their property. Chairman Humphrey opened the public hearing; no comments were offered, so he closed the public hearing and asked for a Board motion. Upon motion by

Supervisor Martin, seconded by Vice-Chairman Cline, the Board unanimously adopted Ordinance No. 2018-05. **(A copy of the Ordinance is on file in the Board of Supervisors' Office.)**

B. Convene a hearing to hear from any natural person who is a bona fide resident residing or owning or leasing property within a one-mile radius from the Pleasant Valley Inn-The Pleasing Palate, 47661 N. Highway 288, Young, who is in favor or opposed to the issuance of the license; and issue a recommendation to the State Liquor Board on whether or not the State Liquor Board should grant or deny the license.

Marian Sheppard, Clerk of the Board, advised that she has not received any written comments in favor of or against the liquor license from anyone living within a one-mile radius of the Pleasant Valley Inn-The Pleasing Palate. She stated that there is an internal review process whereby the Planning and Zoning Division and the Health Division review the application to advise if their divisions have any required permits for the business and if there are any problems. The Treasurer also reviews the application to determine if the property owner is current on paying property taxes. There were no issues. Chairman Humphrey opened the public hearing; there were no comments, so he closed the public hearing and asked for a Board motion. Upon motion by Vice-Chairman Cline, seconded by Supervisor Martin, the Board unanimously voted to recommend that the State Liquor Board grant the license.

C. Convene a public hearing to hear from property owners who live along an unnamed section of roads in the Bouquet Ranch area located in Tonto Basin proposed to be named E. Marigold Lane, E. Lily Lane, S. Poppy Drive, S. Blossom Drive and S. Buckwheat Drive; and adopt Resolution No. 18-12-01 to name the subject roads.

Steve Sanders, Public Works Department Director, advised that because of the potential growth and the number of current parcels in the area, the unnamed roads need to be named to comply with Gila County Ordinance No. 11-03. A letter was sent out notifying the property owners that the roads need to be named and any naming suggestions needed to be submitted to the Rural Addressing Division by November 5, 2018. A second public notice was sent out notifying property owners of the proposed road name change along with the November 29, 2018, deadline to submit alternate petitions. As of December 3, 2018, no alternate petitions were filed. Chairman Humphrey opened the public hearing; there were no comments, so he closed the public hearing and asked for a Board motion. Upon motion by Supervisor Martin, seconded by Vice-Chairman Cline, the Board unanimously adopted Resolution No. 18-12-01. **(A copy of the Resolution is on file in the Board of Supervisors' Office.)**

Item 4 - REGULAR AGENDA ITEMS:

A. Information/Discussion/Action for the public sale of Hill St. between Block 25 and Block 24, all in the Miami Map No. 2 Subdivision, Official Map No. 23 Gila County Records, Gila County, AZ in the amount of \$3,130 from Freeport McMoRan Miami, Inc. and from Monty and Clara Nichols in the amount of \$3,130 for Hill St. adjacent to their respective property.

Mr. Sanders advised that the Board of Supervisors directed staff to begin the process to dispose of an unnecessary public roadway being a portion of Hill Street on August 7, 2018. Staff began the necessary notifications and public postings of the Board's decision. Hill Street is a public road that was created when Miami Map No. 2 was recorded in 1909. This portion of Hill Street has never been developed or used by the public. There are two adjacent owners along the road; Freeport McMoRan Miami Inc., and Monty and Clara Nichols. Both landowners were contacted and given the option to exercise preference rights before the proposed date of sale by or appear at the public sale and submit a bid for that portion of Hill Street adjacent to their property. Freeport McMoRan Miami Inc., and Mr. and Mrs. Nichols submitted bids for the portion of Hill Street that adjoins their property. The bids meet the minimum requirement established by the current Gila County policy on abandonment of roadways in Gila County. Upon motion by Vice-Chairman Cline, seconded by Supervisor Martin, the Board unanimously accepted payment from Freeport McMoRan Miami, Inc. in the amount of \$3,130, and Monty and Clara Nichols in the amount of \$3,130 for the purchase a portion of Hill Street adjacent to their respective property.

B. Information/Discussion/Action to direct the General Services Division of Public Works to begin marking vehicles in accordance of Arizona Revised Statute Title 38, Chapter 3, Article 10, and that all requests for exemption must be turned into the County Manager's office for consideration.

Mr. Sanders stated that it is in the best interest of the Board of Supervisors to have insignias in consistent locations on County vehicles. These guidelines do not apply to law enforcement vehicles. Arizona Revised Statute (A.R.S.) § 38-538.03 provides guidance on exemptions. He advised that if an employee wants an exemption, they will be required to fill out a form and submit it to the County Manager's office for consideration. The County Manager will contact General Services to inform them as to whether to remove or place insignias on the vehicle. After a brief discussion between Mr. Sanders and the Board, it was decided that Public Works vehicles would continue to have the County seal placed on the door rather than the back window. The Board also decided that the insignias would be changed out over time, as the vehicles need repairs or general maintenance. Upon motion by Supervisor Martin, seconded by Vice-Chairman Cline, the Board unanimously directed the General Services Division of Public Works to begin marking vehicles in accordance with A.R.S. § 38-

538.03; all requests for exemption must be turned into the County Manager's office for consideration; and it was agreed that the insignias would be changed out over time.

C. Information/Discussion/Action to approve Funding Agreement No. 502-19 between the Arizona Department Housing and the Gila County Community Services Department to receive \$2,500 of Continuum of Care (COC) Planning Funds to be used through December 31, 2018, whereby the Gila County Community Services Department will act as the lead in forming a Gila County COC and will be responsible for activities, discussions, and meetings directed at ending homelessness.

Malissa Buzan, Community Services Department Director, advised that this grant funding is a start to providing better services to the homeless population in Gila County. The Gila County Community Services Department has been identified by the State Continuum COC as the local lead agency for Gila County. Funding from COC Planning Funds in the amount of \$2,500 will be provided to the Gila County Community Services Department to act as the lead in forming a Gila County COC and to be responsible for activities, discussions, and meetings, as per the Scope of Work, directed at ending homelessness. Vice-Chairman Cline advised that numerous meetings have taken place in the past year in Gila County to address the homeless problem, and he is hopeful this partnership with the Arizona Department of Housing will be a good start towards obtaining future grant funding to help the homeless. Upon motion by Supervisor Martin, seconded by Vice-Chairman Cline, the Board unanimously approved Funding Agreement No. 502-19.

D. Information/Discussion/Action to review the bids submitted for Request for Proposals No. 091718 - Sub-Grantee Public Health Emergency Preparedness; award to the highest scored bid in the amount of \$115,000; and authorize the Chairman's signature on the award contract for the winning bid.

Michael O'Driscoll, Health and Emergency Management Department (HEMD) Director, stated that in order to fulfill grant requirements, Gila County is seeking to contract with one Arizona-based organization with knowledge and experience in public health emergency preparedness, public health accreditation, Opioid education and prevention, and mass media marketing. The purpose of this proposal will be to contribute to the development of an all-inclusive Health Emergency Operations Plan (HEOP) that achieves best practice preparedness outcomes based on federal regulations, client expertise, and experience relative to evidence-based public health planning. These plans impact and involve all services within the HEMD and will be required to have annexes for each of the sixteen-public health emergency preparedness capabilities. To comply with mandated grant guidelines, Gila County will consult with preparedness and plan development professionals experienced in

developing, implementing, and exercising preparedness plans as well as marketing public health preparedness awareness during dedicated preparedness months. All work must be aligned with the divisions current focus on public health accreditation. Additionally, the consultant will design, implement, and measure a mass media campaign to promote Opioid prevention and promotion education. Without consulting these services Gila County would have to employ multiple part-time employees that have these skills and without a guarantee for long-term funding. Mr. O'Driscoll advised that Request for Proposals (RFP) No. 091718 was emailed to three contractors; advertised in the Payson Roundup newspaper and posted on the County website. Gila County received four bids; evaluation of the proposals was conducted, and all bids were found to be in full compliance with the bid guidelines. Mr. O'Driscoll recommended that the contract award be granted to Guild Consulting LLC. Upon motion by Vice-Chairman Cline, seconded by Supervisor Martin, the Board unanimously awarded a contract to Guild Consulting LLC in the amount of \$115,000 in response to RFP No. 091718.

Item 5 - CONSENT AGENDA ACTION ITEMS: (Any matter on the Consent Agenda will be removed from the Consent Agenda and discussed and voted upon as a regular agenda item upon the request of any member of the Board of Supervisors.)

A. Approval of Amendment (#3) to the Intergovernmental Agreement (IGA) that is between Gila County Community College District (Provisional); Gila County; and Graham County Community College District d/b/a Eastern Arizona College for post-secondary educational services in Gila County, which extends the IGA to June 30, 2019.

Board members may not discuss items that are not specifically identified on the agenda. Therefore, pursuant to Arizona Revised Statute §38-431.01(H), at the conclusion of an open call to the public, individual members of the Board of Supervisors may respond to criticism made by those who have addressed the Board, may ask staff to review a matter or may ask that a

matter be put on a future agenda for further discussion and decision at a future date.

There were no public comments.

Item 7 - At any time during this meeting pursuant to A.R.S. §38-431.02(K), members of the Board of Supervisors and the County Manager may present a brief summary of current events. No action may be taken on information presented.

Each Supervisor and the County Manager presented a summary of current events.

Item 8 - EXECUTIVE SESSION ITEMS:

A. Information/Discussion/Action to vote to go into executive session pursuant to A.R.S. § 38-431.03(A)(3)-(4) to discuss and consult with the attorneys for the Board of Supervisors regarding Rivers Edge Payson, LLC v. Gila County No. CV201800044, consider its position, and receive legal advice from and instruct its attorneys regarding the public body's position in pending or contemplated litigation or in settlement discussions to avoid or resolve the litigation, and after the regular meeting has been reconvened, move to direct its attorneys to proceed as directed in the executive session regarding this agenda item.

Chairman Humphrey read aloud this agenda item and announced that he received a public participation form from Michael Harper requesting to address this agenda item. Chairman Humphrey called on Mr. Harper to speak. Mr. Harper advised that he is the attorney for Rivers Edge Payson, LLC. He talked about the history of the easement being granted by the Eldeans to Gila County. The Eldeans were the previous property owners prior to his clients. His concerns are: The County has not yet begun road work on the subject road; the definition of a primitive road is not the same as a public highway; and his client would have the liability if something went wrong on the road, not the County. He referenced a map to show his concerns about the location of the easement, which he says is not the same description as was used in 1988. Chairman Humphrey thanked Mr. Harper for his comments and asked for a Board motion. Upon motion by Supervisor Martin, seconded by Vice-Chairman Cline, the Board unanimously voted to go into executive session at 11:21 a.m. to address this agenda item.

Chairman Humphrey reconvened the regular meeting at 12:06 p.m. and he asked for a motion on agenda item 8A. Upon motion by Supervisor Martin, seconded by Vice-Chairman Cline, the Board voted unanimously to direct the County's attorney to proceed as directed in the executive session.

There being no further business to come before the Board of Supervisors,
Chairman Humphrey adjourned the meeting at 12:08 p.m.
