Professional Services Contract No. 020120-Federal Relations Services with Bose Public Affairs Group.

Background Information

On May 12, 2009, the Gila County Board of Supervisors approved Professional Services Contract No. 042109-PSC between Gila County and Bose Public Affairs Group (BPAG) to provide government relations services for the support of development and execution of county federal programs and projects in the monthly amount of \$6,500 and in effect until June 30, 2011. On June 7, 2011, the Gila County Board of Supervisors approved the First Amendment to Professional Services Contract No. 042109-PSC with BPAG, which extended the term of the contract from July 1, 2011, to June 30, 2013. Staff began working on amendments to the contract before its expiration. It has been determined that a new contract would be more appropriate because of the June 30, 2013, end date. On July 16, 2013, the Board approved Professional Services Contract No. 070113 with BPAG to continue providing lobbying and consulting services at the federal government level to Gila County at the rate of \$6,500 per month, effective July 16, 2013, through June 30, 2014. On November 18, 2014, the Board approved Professional Services Contract No. 103114 between Gila County and Bose Public Affairs Group (BPAG) to provide government relations services for the

support of development and execution of county federal programs and projects. The contract amount was issued as a not to exceed, without prior written approval from the County, amount of \$50,000, for a contract term of November 18, 2014 to November 17, 2015, with the option to renew for two additional one-year periods. On August 17, 2015, the Board authorized an increase of \$29,645 to the contract amount, which was the amount, excluding expenses, that BPAG had estimated their projected services would be through their contract end date of November 17, 2015. The increase made a new total contract amount of \$79,645 for the contract term of November 18, 2014 to November 17, 2015. On October 20, 2015, the Board approved Amendment No. 1 to Professional Services Contract No. 103114 to extend the term of the contract from November 18, 2015 to November 17, 2016; and to increase the contract amount from \$50,000 to \$75,000, to be expensed if needed and as requested. On December 6, 2016, the Board approved Professional Services Contract No. 071014-2 with BPAG to provide consulting and lobbying services for Gila County at the federal government level in a not to exceed amount of \$75,000 for the period November 17, 2016, to November 18, 2020. (Note: The contract was dated December 6, 2016, at which time the BOS Chairman and other County staff signed it, so it would be in effect until December 5, 2020.) On February 19, 2019, Professional Services Contract No. 013019 was presented to the Board for services provided by BPAG to be on a monthly retainer fee of \$7,000 instead of an hourly rate for a total of \$84,000 plus up to \$4,000 annually for approved expenses. After discussion, the Board tabled the agenda item and opted to continue operating with BPAG under the current Professional Services Contract No. 071014-2 which expires on November 18, 2020. It has been determined that a new contract would be more appropriate and payment for service should be on a monthly retainer fee of \$7,000 instead of an hourly rate. The requested contract amount is an annual retainer fee of \$84,000 with an additional \$4,000 travel allowance if travel is necessary and approved during the course of the contract.

Evaluation

Contract No. 020120 is a new contract which supersedes Contract No. 071014-2. Services: The County hereby retains BPAG to perform certain services intended to strengthen Gila County's relationship with members of the U.S. House and Senate, and with various Federal Agencies including but not limited to: U.S. Forest Service, Environmental Protection Agency, U.S. Fish and Wildlife, Federal Emergency Management Agency, Department of Agriculture, and Bureau of Land Management. BPAG will work with the Board of Supervisors and staff to develop the County's Federal Relations Program to meet the needs of the citizens of the County.

Conclusion

The new Professional Services Contract No. 020120 with Bose Public Affairs Group will terminate the existing contract 071014-2 and will provide a better value allowing unlimited access instead of an hourly fee for Gila County by paying a retainer fee of \$7,000 monthly (\$84,000 annually) plus travel not to exceed \$4,000, if required and approved and will continue to have a qualified partner representing Gila County's interests at the federal government level.

Recommendation

Staff recommends that the Board of Supervisors approve Professional Services Contract No. 020120 with Bose Public Affairs Group in the amount of \$84,000 plus approved travel related expenses not to exceed \$4,000 to continue to provide lobbying and consulting services at the federal government level to Gila County, which cancels existing Contract No. 071014-2.

Suggested Motion

Information/Discussion/Action to approve Professional Services Contract No. 020120 with Bose Public Affairs Group, which will terminate Contract No. 071014-2 to continue providing lobbying and consulting services at the federal government level to Gila County in the amount of \$84,000 per year (at a rate of \$7,000 per month) plus up to \$4,000 in travel related expenses, effective February 1, 2020, through June 30, 2021. ARTICLE II – TERM: This Agreement shall be in effect the date it is signed and approved by the Gila County Board of Supervisors and shall remain in effect until June 30, 2021, unless terminated earlier as provide hereafter. This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such BPAG Group to conform to any federal, state or

local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by BPAG from and against any and all claims. It is agreed that BPAG will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. In consideration of the award of this Agreement, BPAG agrees to waive all rights of subrogation against the County, its officers, officials, agents and employees for losses arising from the work performed by BPAG for the County.

ARTICLE VI – LAWS AND ORDINANCES: This Agreement shall be enforced under the laws of the State of Arizona. Any action to enforce the provisions of this Agreement shall be brought in the Superior Court of the State of Arizona with venue in Gila County. BPAG shall maintain in current status all federal, state and local licenses and permits required for the operation of the business conducted by BPAG. Each party retains the legal right to inspect the papers of the other party and its subcontractors engaged in performance of this Agreement to ensure that the other party and its subcontractors are complying with the warranty. Any inspection will be conducted after reasonable notice and at reasonable times. If state law is amended, the parties may modify this paragraph consistent with state law.

ARTICLE VIII – CANCELLATION FOR CONFLICT OF INTEREST: This Agreement is subject to cancellation pursuant to **A.R.S. § 38-511**, which is hereby fully incorporated herein by this reference as if the same is fully set forth in this Agreement. If the Agreement is terminated, the County shall be liable only for payment for services rendered and accepted material received by the County before the effective date of termination. BPAG shall be considered in default of this Agreement and such default will be considered as cause to terminate the Agreement for any of the following reasons if BPAG:

County shall have the right at any time to inspect the books and records of Contractor and any subcontractor in order to verify such party's compliance with the State and Federal Immigration Laws.

Any breach of BPAG's or any subcontractor's warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, shall be deemed to be a material breach of this Contract subjecting BPAG to penalties up to and including suspension or termination of this Contract. If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Contractor shall be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor as soon as possible so as not to delay project completion.

BPAG shall advise each subcontractor of County's rights, and the subcontractor's obligations, under this Article by including a provision in each subcontract substantially in the following form: "Subcontractor hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to Subcontractor's employees, and with the requirements of A.R.S. § 23-214 (A). Subcontractor further agrees that County may inspect the Subcontractor's books and records to insure that Subcontractor is in compliance with these requirements. Any breach of this paragraph by Subcontractor will be deemed to be a material breach of this contract subjecting Subcontractor to penalties up to and including suspension or termination of this contract."

16-411. <u>Designation of election precincts and polling places; voting centers; electioneering; wait</u> times

- A. The board of supervisors of each county, on or before October 1 of each year preceding the year of a general election, by an order, shall establish a convenient number of election precincts in the county and define the boundaries of the precincts. The election precinct boundaries shall be so established as included within election districts prescribed by law for elected officers of the state and its political subdivisions including community college district precincts, except those elected officers provided for in titles 30 and 48.
- B. Not less than twenty days before a general or primary election, and at least ten days before a special election, the board shall designate one polling place within each precinct where the election shall be held, except that:
- 1. On a specific finding of the board, included in the order or resolution designating polling places pursuant to this subsection, that no suitable polling place is available within a precinct, a polling place for that precinct may be designated within an adjacent precinct.
- 2. Adjacent precincts may be combined if boundaries so established are included in election districts prescribed by law for state elected officials and political subdivisions including community college districts but not including elected officials prescribed by titles 30 and 48. The officer in charge of elections may also split a precinct for administrative purposes. The polling places shall be listed in separate sections of the order or resolution.
- 3. On a specific finding of the board that the number of persons who are listed as permanent early voters pursuant to section 16-544 is likely to substantially reduce the number of voters appearing at one or more specific polling places at that election, adjacent precincts may be consolidated by combining polling places and precinct boards for that election. The board of supervisors shall ensure that a reasonable and adequate number of polling places will be designated for that election. Any consolidated polling places shall be listed in separate sections of the order or resolution of the board.
- 4. On a specific resolution of the board, the board may authorize the use of voting centers in place of or in addition to specifically designated polling places. A voting center shall allow any voter in that county to receive the appropriate ballot for that voter on election day after presenting identification as prescribed in section 16-579 and to lawfully cast the ballot. Voting centers may be established in coordination and consultation with the county recorder, at other county offices or at other locations in the county deemed appropriate.
- 5. On a specific resolution of the board of supervisors that is limited to a specific election date and that is voted on by a recorded vote, the board may authorize the county recorder or other officer in charge of elections to use emergency voting centers as follows:
- (a) The board shall specify in the resolution the location and the hours of operation of the emergency voting centers.
- (b) A qualified elector voting at an emergency voting center shall provide identification as prescribed in section 16-579, except that notwithstanding section 16-579, subsection A, paragraph 2, for any voting at an emergency voting center, the county recorder or other officer in charge of elections may allow a qualified elector to update the elector's voter registration information as provided for in the secretary of state's instructions and procedures manual adopted pursuant to section 16-452.

- (c) If an emergency voting center established pursuant to this section becomes unavailable and there is not sufficient time for the board of supervisors to convene to approve an alternate location for that emergency voting center, the county recorder or other officer in charge of elections may make changes to the approved emergency voting center location and shall notify the public and the board of supervisors regarding that change as soon as practicable. The alternate emergency voting center shall be as close in proximity to the approved emergency voting center location as possible.
- C. If the board fails to designate the place for holding the election, or if it cannot be held at or about the place designated, the justice of the peace in the precinct, two days before the election, by an order, copies of which the justice of the peace shall immediately post in three public places in the precinct, shall designate the place within the precinct for holding the election. If there is no justice of the peace in the precinct, or if the justice of the peace fails to do so, the election board of the precinct shall designate and give notice of the place within the precinct of holding the election. For any election in which there are no candidates for elected office appearing on the ballot, the board may consolidate polling places and precinct boards and may consolidate the tabulation of results for that election if all of the following apply:
- 1. All affected voters are notified by mail of the change at least thirty-three days before the election.
- 2. Notice of the change in polling places includes notice of the new voting location, notice of the hours for voting on election day and notice of the telephone number to call for voter assistance.
- 3. All affected voters receive information on early voting that includes the application used to request an early voting ballot.
- D. The board is not required to designate a polling place for special district mail ballot elections held pursuant to article 8.1 of this chapter, but the board may designate one or more sites for voters to deposit marked ballots until 7:00 p.m. on the day of the election.
- E. Except as provided in subsection F of this section, a public school shall provide sufficient space for use as a polling place for any city, county or state election when requested by the officer in charge of elections.
- F. The principal of the school may deny a request to provide space for use as a polling place for any city, county or state election if, within two weeks after a request has been made, the principal provides a written statement indicating a reason the election cannot be held in the school, including any of the following:
- 1. Space is not available at the school.
- 2. The safety or welfare of the children would be jeopardized.
- G. The board shall make available to the public as a public record a list of the polling places for all precincts in which the election is to be held.
- H. Except in the case of an emergency, any facility that is used as a polling place on election day or that is used as an early voting site during the period of early voting shall allow persons to electioneer and engage in other political activity outside of the seventy-five foot limit prescribed by section 16-515 in public areas and parking lots used by voters. This subsection shall not be construed to permit the temporary or permanent construction of structures in public areas and parking lots or the blocking or other impairment of access to parking spaces for voters. The county recorder or other officer in

charge of elections shall post on its website at least two weeks before election day a list of those polling places in which emergency conditions prevent electioneering and shall specify the reason the emergency designation was granted and the number of attempts that were made to find a polling place before granting an emergency designation. If the polling place is not on the website list of polling places with emergency designations, electioneering and other political activity shall be permitted outside of the seventy-five foot limit. If an emergency arises after the county recorder or other officer in charge of elections' initial website posting, the county recorder or other officer in charge of elections shall update the website as soon as is practicable to include any new polling places, shall highlight the polling place location on the website and shall specify the reason the emergency designation was granted and the number of attempts that were made to find a polling place before granting an emergency designation.

- I. For the purposes of this section, a county recorder or other officer in charge of elections shall designate a polling place as an emergency polling place and thus prohibit persons from electioneering and engaging in other political activity outside of the seventy-five foot limit prescribed by section 16-515 but inside the property of the facility that is hosting the polling place if any of the following occurs:
- 1. An act of God renders a previously set polling place as unusable.
- 2. A county recorder or other officer in charge of elections has exhausted all options and there are no suitable facilities in a precinct that are willing to be a polling place unless a facility can be given an emergency designation.
- J. The secretary of state shall provide through the instructions and procedures manual adopted pursuant to section 16-452 the maximum allowable wait time for any election that is subject to section 16-204 and provide for a method to reduce voter wait time at the polls in the primary and general elections. The method shall consider at least all of the following for primary and general elections in each precinct:
- 1. The number of ballots voted in the prior primary and general elections.
- 2. The number of registered voters who voted early in the prior primary and general elections.
- 3. The number of registered voters and the number of registered voters who cast an early ballot for the current primary or general election.
- 4. The number of election board members and clerks and the number of rosters that will reduce voter wait time at the polls.

Gila County Homeless Task Force Strategic Plan 2019-2022

Background Information

The Arizona Balance of State Continuum of Care (AZBOSCOC) is responsible for planning and managing resources and services which address the various needs of people who are homeless or at risk of homelessness. The Gila County Community Services Department has been identified by the State Continuum of Care as the local lead agency for Gila County. A Homeless Task Force was created and meets monthly with the goal to prevent and end homelessness in the geographic area of Gila County. A strategic plan has been created to set goals as part of AZBOSCOC funding guidelines.

The Gila County Homeless Task Force approved the Gila County Homeless Task Force Strategic Plan 2019-2022 on September 26, 2019.

Evaluation

The Gila County Homeless Task Force Strategic Plan 2019-2022 was approved by the Gila County Homeless Task Force. The Arizona Department of Housing would like the Gila County Board of Supervisors to acknowledge receipt of this Strategic Plan.

Conclusion

The Gila County Homeless Task Force Strategic Plan 2019-2022 will allow the Homeless Task Force to continue to be eligible for BOSCOC funding and move forward with the goals to reduce homelessness, coordinate entry and assessment points, and increase the availability of permanent housing in Gila County. Per requirements of the Arizona Department of Housing, the Board of Supervisors needs to acknowledge receipt of this Strategic Plan. The best way to do this is to present this topic on a Board meeting agenda so that the Board's acknowledgement of receiving the Strategic Plan is included in the Board's minutes which are a permanent record.

Recommendation

The Community Services Department Director recommends that the Board acknowledge receipt of the Gila County Homeless Task Force Strategic Plan 2019-2022.

Suggested Motion

Information/Discussion/Action to acknowledge receipt of the Gila County Homeless Task Force Strategic Plan 2019-2022 as submitted by the Community Services Department Director and as required by the Arizona Department of Housing. (Malissa Buzan)

C. A.R.S. §38-511: This agreement is subject to the cancellation provisions of A.R.S. §38-511.

D. Arizona Legal Workers Act: Pursuant to A.R.S. § 41-4401, Provider hereby warrants that it will at all times during the term of this Agreement comply with all federal immigration laws applicable to Provider's employment of its employees, and with the requirements of A.R.S. § 23-214 (A) (together the "State and Federal Immigration Laws"). Any breach of this paragraph by Subcontractor will be deemed to be a material breach of this contract subjecting Subcontractor to penalties up to and including suspension or termination of this contract."

III. COMPENSATION, COSTS, AND BILLING PROCEDURES

A. Indigent Dependency Representation: The attorney agrees to provide legal services for the sum of ONE THOUSAND DOLLARS (\$1,000.00) PER APPOINTMENT and THREE HUNDRED DOLLARS (\$300.00) PER RECERTIFICATION OF AN EXISTING APPOINTMENT. Total compensation for Indigent Dependency Representation shall not exceed TEN THOUSAND (\$10,000.00) DOLLARS for the period of the contract without advance written authorization.

B. <u>Special Appointment Compensation</u>: The Attorney agrees to provide legal services for special appointments as follows: \$400.00 per appointment as Attorney or Investigator in a Probate (Guardianship/Conservatorship) case; \$500 per appointment as Attorney in a Probate (Guardianship/Conservatorship) case resulting in commitment of the ward/client to a Level I facility.

C. Court Payment of Costs and Expenses:

1) Routine / Non-routine expenses: Routine expenses such as photocopying, postage, travel and other operating expenses are not reimbursed by the Court, and are a personal expense of the attorney. The following non-routine expenses, relating to Dependency matters only, can be reimbursed by the Court: mileage for the purpose of a home visit; costs associated with personal services of process; and cost for services associated with service by publication. Non-routine cost reimbursement must be substantiated by supporting documentation.

- 2) Extraordinary Costs: The Attorney should file a motion in advance requesting approval for any extraordinary costs he/she wants paid by the County. This includes such items as transcripts (besides Grand Jury or appeal transcripts), expert witness fees, depositions, investigators, or any other extraordinary cost.
- 3) **Personal Expense:** Costs incurred without prior approval of the Court may be treated as a personal expense of the attorney.
- 4) <u>Costs Which Could Have Been Avoided</u>: Court expenses which could have been avoided had the Attorney been prepared, such as jury costs for a trial that did not go, Rule 11 evaluation costs for which the defendant did not show because of failure of the attorney to timely obtain an Order for Transport or reschedule the appointment, expedited transcripts, etc., may be charged back to the attorney as a personal cost.

D. Billing Procedures for Legal Services Provided for Indigents:

- 1) <u>Submission and Payment:</u> The Attorney may submit a monthly invoice for each month's services.
- 2) <u>Statistical Report:</u> The Court requires the attorney to prepare a statistical report summarizing his/her appointments and case activity each month on a statistical recap form and backup list of cases. Invoices are to be submitted only after the previous month's statistical report has been completed. The statistical report is due by the 10th of each month for the preceding month's appointments and concluded cases. (For example, appointments and dispositions made during July would be due by August 10). The statistical report for the previous month should be submitted with the bill for the current month's services. (For example, the bill for services in August would be submitted with the statistical information for July).

IV. CONTRACT CATEGORY, CONFLICTS, REASSIGNMENT

- A. <u>Contract Category:</u> To the extent practicable, the attorney will be primarily assigned **Dependency cases**, and will be subject to appointments in other contract categories, including but not limited to Domestic Relations, Guardianship, Delinquency, and Mental Health cases, (due to problems such as conflicts or insufficient number of contract attorneys for that category or geographical area) which may be made from time to time. Some of the Rule 32 issues and appeals may also be assigned to him/her rather than to the contract attorneys who are assigned appellate work.
- B. Reassignment of Case: When the Attorney has been allowed to withdraw because the case is assigned to another Attorney, the withdrawn Attorney should promptly turn over his/her file to the new Attorney and notify him/her of any pending hearing dates and the status of the case. Assignment to a case that is outside the normal category covered by this contract is not sufficient grounds for reassignment.
- C. Rule 32's and Appeals: Separate contracts exist for Rule 32's and appeals. However, circumstances may exist which would warrant a Rule 32 or appeal being assigned to a regular contract attorney and not the appellate contract attorneys, and such assignments may be made to the regular contract attorney without additional compensation.

V. SPECIFIC DUTIES OF COUNSEL

A. Readiness and Promptness for Court:

- 1) Readiness and Promptness: The Attorney agrees to be prepared and appear in Court promptly at or before the time set for hearings and not to rely on Court staff to notify or have to locate him/her when court is ready to proceed. The attorney agrees to discuss the case with her client before the time set for hearing, not at the time set for hearing.
- 2) <u>Law and Motion Day:</u> The Attorney agrees to be present for Law and Motion day and Pre-trial Conferences as scheduled. If a substitute attorney is necessary, the attorney agrees to arrange for and update the substitute on case status so the hearing can proceed rather than be continued.
- 3) <u>Delays:</u> In the event the attorney will be late due to unforeseen circumstances, he/she agrees to communicate the delay and an anticipated arrival time as soon as practicable.
- B. <u>Meetings with the Court:</u> The Attorney agrees to attend administrative meetings with the Court when, and as, scheduled regarding the court calendar, procedures, and contract issues.
- **C.** <u>Statistical Reports:</u> The Attorney agrees to accurately complete and submit the caseload and summary statistical information regarding the Attorney's appointments each month as required by the Court when submitting monthly bills for services rendered.
- **D.** <u>Criminal Case Processing:</u> The Attorney acknowledges that the Arizona Supreme Court has adopted a goal of processing Ninety Percent (90%) of all criminal cases within one hundred (100) days. Gila County will be undergoing a criminal case re-engineering process with services of a consultant, and local criminal procedures may change as a result. The Attorney agrees to assist the Court in working on and obtaining those goals.
- E. <u>Dependency Case:</u> The Attorney acknowledges that the Arizona State Legislature enacted new legislation that became effective January 01, 1999, and drastically changed the procedure for dependency cases. The Attorney agrees to become familiar with these procedures, and accept appointments made to a dependency case when circumstances necessitate such appointments.

F. Contact with and Representation of Client:

- 1) Office: The Attorney agrees to maintain regular office hours and have a method for clients to contact him/her in an emergency outside of regular hours. Preferably, the office will be in the area the Attorney is serving.
- 2) <u>Communication and Representation:</u> The Attorney agrees to promptly return phone calls and respond to correspondence, to obtain clients' consent before requesting that hearings and appointments be rescheduled, to interview witnesses, to issue subpoenas, and in other ways deal professionally with the client and diligently represent the clients' interests.
- 3) <u>Calendar:</u> The Attorney agrees to calendar her cases when they are scheduled for hearing, rather than relying on court staff to advise what is scheduled for him/her each week. The Attorney agrees to be the primary source of case information for the client. (Clients calling the Court trying to ascertain case information, clients failing to appear for hearings due to lack of notice, or clients appearing for hearings that have been changed is an indication of unavailability of counsel).

- 4) <u>Completion of Case</u>: The Attorney agrees to continue to represent any client on cases to which he/she was appointed during the term of this contract until the case is completed or he/she is relieved of that representation by order of the Court, regardless of the termination of the contract, and without additional compensation.
- **G.** Attorney Files: The Attorney should retain his/her file for no less than five (5) years after the last action taken in the case.

VI. PLEADINGS AND CASE MANAGEMENT PROCEDURES

A. Motions and Orders:

- 1) <u>Timeliness and Basis:</u> Motions should be filed sufficiently in advance of trials/hearings to allow for response and reply. The Attorney acknowledges the requirements of good cause, supported by specific legal and factual basis, in submitting motions to the Court.
- 2) <u>Copies:</u> Copies of motions should be sent to the assigned judge and the court administrator.
- 3) <u>Oral Argument:</u> If oral argument is requested, a form of notice wherein the court administrator may insert the date and time for oral argument to be conducted should be submitted.
- 4) <u>Telephone Conference</u>: Prior approval by the Court to conduct oral argument by telephone conference call should be obtained, and the requesting attorney is responsible for initiating the call to the Court at the date and time scheduled for hearing.
- 5) Non-Appearance Calendar: Motions filed without request for oral argument and which do not require an evidentiary hearing will be placed on the Court's non-appearance calendar for submission to the Court after the time for response and reply have passed.
- 6) Expedited Action: If action is sought prior to the expiration of the time for response and reply, the motion should clearly identify that fact and indicate whether the prosecutor or any codefendant objects to the requested relief.
- 7) Orders: Orders for the Court's signature should be prepared as a separate document containing the standard case heading, and should not be included as an integral part of stipulations, motions, or other pleadings.

B. Facsimile:

- 1) <u>Temporary Pleadings:</u> Facsimile documents are intended to serve as temporary pleadings only.
- 2) <u>Originals:</u> After faxing a document, the Attorney should submit an original document (without modification) within ten (10) days of transmission of the facsimile so that the Clerk can substitute the original for the facsimile in the Court file.
- 3) <u>Consent:</u> If a facsimile needs to serve as an original, the Attorney should obtain consent of the assigned judge to submit the facsimile as an original.

C. Pre-Trial Conference:

- 1) Personal Attendance: The Attorney and the defendant must be personally present.
- 2) <u>Discovery:</u> The Attorney should complete discovery by pre-trial conference so that motions to compel, motions for sanctions, etc., are unnecessary, and hearing does not need to be continued.
- 3) <u>Hearing Motions</u>: Simple motions that do not require evidentiary hearing can be heard at the pre-trial conference, and should be filed with sufficient time for response before the pre-trial conference. Motions to suppress, voluntariness hearings, and other such matters requiring evidentiary hearings will be scheduled for a time other than the pre-trial conference.
 - 4) **Continuances:** Continuances of the pre-trial conference are to be avoided.

D. Special Management/Settlement Conferences:

- 1) Personal Appearance: The Attorney and the defendant must be personally present.
- 2) Request: Any party may request a special management/settlement conference. Normally the conference will be held by a judge other than the assigned judge.
- 3) <u>Purpose:</u> The purpose is to help identify and resolve problems preventing the case from being completed, and may include discussion of possible plea agreements, diversion/deferral, ancillary motions such as discovery disputes and motions to continue.
- 4) <u>Assigned Judge:</u> Setting does not affect the assignment of trial judge, nor does it vacate any court dates set in the case. Substantive issues of law and case-dispositive hearings are to be decided by the assigned trial judge.
- **E.** <u>Deadline Date for Plea Agreements:</u> Plea negotiations should be completed by the first pretrial conference date. If the Court sets a plea negotiation deadline, counsel acknowledges that submission of plea agreements after that date may not be accepted by the Court.
- **F.** <u>Delinquency Cases:</u> All contract attorneys, not just those who primarily are assigned to represent juveniles in delinquency matters, are subject to being "on call" for representing juveniles who have been detained at accelerated hearings held on weekends and holidays.
- **G.** <u>Dependency Cases:</u> Dependency cases require that the attorney and parties personally appear at accelerated pre-hearing conferences and preliminary protective hearings. Attorney should familiarize themselves with dependency procedures that became effective on January 01, 1999.

H. Motions to Continue:

1) <u>Procedure:</u> Continuances should be avoided and only sought for good cause. When expedited action is requested, the Attorney should contact the defendant, any co-defendants' counsel, and prosecutor, advise them of the request, and indicate in the motion whether they object to the continuance.

- 2) Order: If there will be no objection, the Attorney should also submit an Order Continuing for the Courts' signature. The Attorney should not assume a continuance will be granted because there is no objection, and is responsible for ensuring that a continuance was granted and new dates have been assigned.
- 3) <u>Sanctions:</u> Sanctions, including jury costs and other court costs, may be imposed for late requests for continuances, whether granted or not.

I. Motions and Orders to Transport:

- 1) <u>Preparation:</u> When a defendant is in custody in Gila County, the Attorney should prepare a motion and order to transport so the defendant can be transported to proceedings, such as Rule 11 evaluations, outside of Gila County. When a defendant is in custody outside of Gila County, the Attorney should prepare a motion and order to transport so the defendant can be transported to any pre-trial hearings, trial, or post-trial hearings before the Court in Gila County.
- 2) <u>Time:</u> Motions and orders to transport should be prepared sufficiently in advance to permit Court action and notice to the Sheriff's Office to accomplish timely transportation.
- 3) <u>Video-Conferencing:</u> The Court may utilize video-conferencing for Court hearings. The Attorney is to become familiar with policies and procedures for video-conferencing when it is used.

J. Rule 11 Evaluations:

- 1) <u>Defendant's Attendance</u>: The Attorney should make sure the defendant is aware of and appears for scheduled Rule 11 appointments, or prepare a Motion to Transport and Order and make arrangements with the Sheriff's Office in sufficient time for the Sheriff to transport the defendant to the appointment.
- 2) <u>Rescheduling:</u> If an appointment needs to be rescheduled, the Attorney should make such arrangements with the evaluator so as to avoid a billing for a "No Show".
- 3) Expense: If the Attorney has filed a motion in advance and obtained Court approval, the Rule 11 evaluation will be an expense to the Court for the amount approved. If the defendant fails to appear for an evaluation, and the expert bills for a "No Show", such cost may be assessed to the Attorney as a personal expense.

K. Interpreters:

- 1) Notice: The Attorney should give the Court at least one week advance notice when an interpreter will be necessary to ensure an interpreter can be scheduled.
- 2) <u>Permission:</u> The Attorney should get court permission in advance to use an interpreter at court expense for interviews, depositions, etc.
- 3) <u>Attorney Presence:</u> The Attorney should be present with the interpreter during interviews, depositions, and attorney-client discussions.

IN WITNESS WHEREOF, three (3) identical counterparts of this contract, each which shall include original signatures and for all purposes be deemed an original thereof, have been duly executed by the parties hereinabove named, on the date and year first above written.

PROFESSIONAL SERVICES CONTRACT NO. 051017 LEGAL SERVICES

I. GENERAL STATEMENT

By signing this Contract, the Attorney agrees to maintain the credentials necessary to practice law in the courts of the State of Arizona and to do so in a competent, professional, ethical manner and as an officer of the Court at all times.

The Attorney has a duty to the Court to be prepared, prompt, comply with Court rules, submit timely reports, attend meetings with the Court, accept appointments within the main category of assignment as well as those outside the main category when circumstances require, and complete cases assigned during the term of the contract.

The Attorney has a duty to his/her clients to keep them advised of the status of their cases, be available for consultation, and to diligently represent their interests.

The Attorney has a duty to opposing counsel to cooperate with scheduling and prompt disposition of the case.

The Attorney is required to purchase, maintain and provide proof of coverage for Lawyers Professional Liability insurance with a minimum limit of \$250,000 per occurrence and \$500,000 aggregate; Attorney shall provide a Certificate of Insurance naming Gila County and the Superior Court of Gila County as additional insureds.

II. TERM OF AGREEMENT

A. <u>Period Covered:</u> It is understood between the undersigned attorney, LAW OFFICE OF HARRIETTE P. LEVITT and the SUPERIOR COURT OF GILA COUNTY that the attorney will accept appointments to represent persons found to be indigent or for whom the Court is required to provide legal counsel in Gila County, from JULY 1, 2017 TO JUNE 30, 2018.

The County shall have the option to renew the contract for two (2) additional one (1) year periods, upon agreement of both parties.

B. <u>Termination:</u> Upon thirty (30) days written notice, either party may terminate this agreement without cause. The attorney would be expected to complete any assignments made prior to such termination.

In the event of formal discipline of the Attorney by the State Bar of Arizona, The Court may suspend or terminate the contract.

- C. A.R.S. §38-511: This agreement is subject to the cancellation provisions of A.R.S. §38-511.
- D. <u>Arizona Legal Workers Act:</u> Pursuant to A.R.S. § 41-4401, Provider hereby warrants that it will at all times during the term of this Agreement comply with all federal immigration laws applicable to Provider's employment of its employees, and with the requirements of A.R.S. § 23-214 (A) (together the "State and Federal Immigration Laws"). Provider shall further ensure that each approved subcontractor who performs any work for Provider under this Agreement likewise complies with the State and Federal Immigration Laws. County shall have the right at any time to inspect the books and records of Provider and any approved subcontractor performing services under this Agreement in order to verify such party's compliance with the State and Federal Immigration Laws.

Any breach of Provider's or any approved subcontractor's warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, shall be deemed to be a material breach of this Agreement subjecting Provider to penalties up to and including suspension or termination of this Contract. If the breach is by an approved subcontractor, and the subcontractor is suspended or terminated as a result, Provider shall be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain an approved replacement subcontract as soon as possible so as not to delay completion of Provider's obligations.

Provider shall advise each approved subcontractor of County's rights, and the subcontractor's obligations, under this Article by including a provision in each subcontract substantially in the following form:

"Subcontractor hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to Subcontractor's employees, and with the requirements of A.R.S. § 23-214 (A). Subcontractor further agrees that County may inspect the Subcontractor's books and records to insure that Subcontractor is in compliance with these requirements.

Any breach of this paragraph by Subcontractor will be deemed to be a material breach of this contract subjecting Subcontractor to penalties up to and including suspension or termination of this contract."

E. ISRAEL BOYCOTT CERTIFICATION: Contractor hereby certifies that it is not currently engaged in and will not, for the duration of this agreement, engage in a boycott of Israel as defined by A.R.S. § 35-393.01. Violation of this certification by Contractor may result in action by County up to and including termination of this agreement.

III. COMPENSATION, COSTS, AND BILLING PROCEDURES

A. <u>Indigent Appellate or Post-Conviction Representation</u>: The attorney agrees to provide legal services for the sum of **ONE THOUSAND DOLLARS** (\$1,000.00) **PER APPOINTMENT**. Total compensation for Indigent Dependency Representation shall not exceed **TEN THOUSAND FIVE HUNDRED DOLLARS** (\$10,500.00) **DOLLARS** for the period of the contract without advance written authorization.

B. Court Payment of Costs and Expenses:

- 1) Routine / Non-routine expenses: Routine expenses such as photocopying, postage, travel and other operating expenses are not reimbursed by the Court except with prior approval, and are a personal expense of the attorney. Non-routine cost reimbursement must be substantiated by supporting documentation.
- 2) Extraordinary Costs: The Attorney should file a motion in advance requesting approval for any extraordinary costs he/she wants paid by the County. This includes such items as transcripts (besides Grand Jury or appeal transcripts), expert witness fees, depositions, investigators, or any other extraordinary cost.
- 3) <u>Personal Expense:</u> Costs incurred without prior approval of the Court may be treated as a personal expense of the attorney.
- 4) <u>Costs Which Could Have Been Avoided:</u> Court expenses which could have been avoided had the Attorney been prepared, such as jury costs for a trial that did not go, Rule 11 evaluation costs for which the defendant did not show because of failure of the attorney to timely obtain an Order for Transport or reschedule the appointment, expedited transcripts, etc., may be charged back to the attorney as a personal cost.

C. Billing Procedures for Legal Services Provided for Indigents:

1) <u>Submission and Payment:</u> The Attorney may submit a monthly invoice for each month's services.

2) <u>Statistical Report:</u> The Court requires the attorney to prepare a statistical report summarizing his/her appointments and case activity each month on a statistical recap form and backup list of cases. Invoices are to be submitted only after the previous month's statistical report has been completed. The statistical report is due by the 10th of each month for the preceding month's appointments and concluded cases. (For example, appointments and dispositions made during July would be due by August 10). The statistical report for the previous month should be submitted with the bill for the current month's services. (For example, the bill for services in August would be submitted with the statistical information for July).

IV. CONTRACT CATEGORY, CONFLICTS, REASSIGNMENT

- A. <u>Contract Category:</u> The attorney will be assigned **appellate or post-conviction relief** cases on an "as needed" basis.
- B. Reassignment of Case: When the Attorney has been allowed to withdraw because the case is assigned to another Attorney, the withdrawn Attorney should promptly turn over his/her file to the new Attorney and notify him/her of any pending hearing dates and the status of the case. Assignment to a case that is outside the normal category covered by this contract is not sufficient grounds for reassignment.

V. SPECIFIC DUTIES OF COUNSEL

A. Readiness and Promptness for Court:

- 1) Readiness and Promptness: The Attorney agrees to be prepared and appear in Court promptly at or before the time set for hearings and not to rely on Court staff to notify or have to locate him/her when court is ready to proceed. The attorney agrees to discuss the case with her client before the time set for hearing, not at the time set for hearing.
- 2) <u>Law and Motion Day:</u> The Attorney agrees to be present for Law and Motion day and Pre-trial Conferences as scheduled. If a substitute attorney is necessary, the attorney agrees to arrange for and update the substitute on case status so the hearing can proceed rather than be continued.
- 3) <u>Delays:</u> In the event the attorney will be late due to unforeseen circumstances, he/she agrees to communicate the delay and an anticipated arrival time as soon as practicable.
- **B.** <u>Meetings with the Court:</u> The Attorney agrees to attend administrative meetings with the Court when, and as, scheduled regarding the court calendar, procedures, and contract issues.
- C. <u>Statistical Reports:</u> The Attorney agrees to accurately complete and submit the caseload and summary statistical information regarding the Attorney's appointments each month as required by the Court when submitting monthly bills for services rendered.

- D. <u>Criminal Case Processing:</u> The Attorney acknowledges that the Arizona Supreme Court has adopted a goal of processing Ninety Percent (90%) of all criminal cases within one hundred (100) days. Gila County will be undergoing a criminal case re-engineering process with services of a consultant, and local criminal procedures may change as a result. The Attorney agrees to assist the Court in working on and obtaining those goals.
- E. <u>Dependency Case:</u> The Attorney acknowledges that the Arizona State Legislature enacted new legislation that became effective January 01, 1999, and drastically changed the procedure for dependency cases. The Attorney agrees to become familiar with these procedures, and accept appointments made to a dependency case when circumstances necessitate such appointments.

F. Contact with and Representation of Client:

- 1) Office: The Attorney agrees to maintain regular office hours and have a method for clients to contact him/her in an emergency outside of regular hours. Preferably, the office will be in the area the Attorney is serving.
- 2) <u>Communication and Representation:</u> The Attorney agrees to promptly return phone calls and respond to correspondence, to obtain clients' consent before requesting that hearings and appointments be rescheduled, to interview witnesses, to issue subpoenas, and in other ways deal professionally with the client and diligently represent the clients' interests.
- 3) <u>Calendar</u>: The Attorney agrees to calendar her cases when they are scheduled for hearing, rather than relying on court staff to advise what is scheduled for him/her each week. The Attorney agrees to be the primary source of case information for the client. (Clients calling the Court trying to ascertain case information, clients failing to appear for hearings due to lack of notice, or clients appearing for hearings that have been changed is an indication of unavailability of counsel).
- 4) <u>Completion of Case</u>: The Attorney agrees to continue to represent any client on cases to which he/she was appointed during the term of this contract until the case is completed or he/she is relieved of that representation by order of the Court, regardless of the termination of the contract, and without additional compensation.
- G. <u>Attorney Files:</u> The Attorney should retain his/her file for no less than five (5) years after the last action taken in the case.

VI. PLEADINGS AND CASE MANAGEMENT PROCEDURES

A. Motions and Orders:

- 1) <u>Timeliness and Basis:</u> Motions should be filed sufficiently in advance of trials/hearings to allow for response and reply. The Attorney acknowledges the requirements of good cause, supported by specific legal and factual basis, in submitting motions to the Court.
- 2) <u>Copies:</u> Copies of motions should be sent to the assigned judge and the court administrator.

- 3) <u>Oral Argument:</u> If oral argument is requested, a form of notice wherein the court administrator may insert the date and time for oral argument to be conducted should be submitted.
- 4) <u>Telephone Conference:</u> Prior approval by the Court to conduct oral argument by telephone conference call should be obtained, and the requesting attorney is responsible for initiating the call to the Court at the date and time scheduled for hearing.
- 5) <u>Non-Appearance Calendar:</u> Motions filed without request for oral argument and which do not require an evidentiary hearing will be placed on the Court's non-appearance calendar for submission to the Court after the time for response and reply have passed.
- 6) <u>Expedited Action</u>: If action is sought prior to the expiration of the time for response and reply, the motion should clearly identify that fact and indicate whether the prosecutor or any co-defendant objects to the requested relief.
- 7) Orders: Orders for the Court's signature should be prepared as a separate document containing the standard case heading, and should not be included as an integral part of stipulations, motions, or other pleadings.

B. Facsimile:

- 1) <u>Temporary Pleadings:</u> Facsimile documents are intended to serve as temporary pleadings only.
- 2) <u>Originals:</u> After faxing a document, the Attorney should submit an original document (without modification) within ten (10) days of transmission of the facsimile so that the Clerk can substitute the original for the facsimile in the Court file.
- 3) **Consent:** If a facsimile needs to serve as an original, the Attorney should obtain consent of the assigned judge to submit the facsimile as an original.

C. Pre-Trial Conference:

- 1) <u>Personal Attendance:</u> The Attorney and the defendant must be personally present.
- 2) <u>Discovery:</u> The Attorney should complete discovery by pre-trial conference so that motions to compel, motions for sanctions, etc., are unnecessary, and hearing does not need to be continued.
- 3) <u>Hearing Motions</u>: Simple motions that do not require evidentiary hearing can be heard at the pre-trial conference, and should be filed with sufficient time for response before the pre-trial conference. Motions to suppress, voluntariness hearings, and other such matters requiring evidentiary hearings will be scheduled for a time other than the pre-trial conference.

4) **Continuances:** Continuances of the pre-trial conference are to be avoided.

D. Special Management/Settlement Conferences:

- 1) <u>Personal Appearance:</u> The Attorney and the defendant must be personally present.
- 2) <u>Request:</u> Any party may request a special management/settlement conference. Normally the conference will be held by a judge other than the assigned judge.
- 3) <u>Purpose:</u> The purpose is to help identify and resolve problems preventing the case from being completed, and may include discussion of possible plea agreements, diversion/deferral, ancillary motions such as discovery disputes and motions to continue.
- 4) <u>Assigned Judge:</u> Setting does not affect the assignment of trial judge, nor does it vacate any court dates set in the case. Substantive issues of law and case-dispositive hearings are to be decided by the assigned trial judge.
- **E.** <u>Deadline Date for Plea Agreements:</u> Plea negotiations should be completed by the first pre-trial conference date. If the Court sets a plea negotiation deadline, counsel acknowledges that submission of plea agreements after that date may not be accepted by the Court.
- **F.** <u>Delinquency Cases:</u> All contract attorneys, not just those who primarily are assigned to represent juveniles in delinquency matters, are subject to being "on call" for representing juveniles who have been detained at accelerated hearings held on weekends and holidays.
- **G.** <u>Dependency Cases:</u> Dependency cases require that the attorney and parties personally appear at accelerated pre-hearing conferences and preliminary protective hearings. Attorney should familiarize themselves with dependency procedures that became effective on January 01, 1999.

H. Motions to Continue:

- 1) <u>Procedure:</u> Continuances should be avoided and only sought for good cause. When expedited action is requested, the Attorney should contact the defendant, any codefendants' counsel, and prosecutor, advise them of the request, and indicate in the motion whether they object to the continuance.
- 2) Order: If there will be no objection, the Attorney should also submit an Order Continuing for the Courts' signature. The Attorney should not assume a continuance will be granted because there is no objection, and is responsible for ensuring that a continuance was granted and new dates have been assigned.
- 3) <u>Sanctions:</u> Sanctions, including jury costs and other court costs, may be imposed for late requests for continuances, whether granted or not.

I. Motions and Orders to Transport:

- 1) <u>Preparation:</u> When a defendant is in custody in Gila County, the Attorney should prepare a motion and order to transport so the defendant can be transported to proceedings, such as Rule 11 evaluations, outside of Gila County. When a defendant is in custody outside of Gila County, the Attorney should prepare a motion and order to transport so the defendant can be transported to any pre-trial hearings, trial, or post-trial hearings before the Court in Gila County.
- 2) <u>Time:</u> Motions and orders to transport should be prepared sufficiently in advance to permit Court action and notice to the Sheriff's Office to accomplish timely transportation.
- 3) <u>Video-Conferencing:</u> The Court may utilize video-conferencing for Court hearings. The Attorney is to become familiar with policies and procedures for video-conferencing when it is used.

J. Rule 11 Evaluations:

- 1) <u>Defendant's Attendance</u>: The Attorney should make sure the defendant is aware of and appears for scheduled Rule 11 appointments, or prepare a Motion to Transport and Order and make arrangements with the Sheriff's Office in sufficient time for the Sheriff to transport the defendant to the appointment.
- 2) Rescheduling: If an appointment needs to be rescheduled, the Attorney should make such arrangements with the evaluator so as to avoid a billing for a "No Show".
- 3) <u>Expense:</u> If the Attorney has filed a motion in advance and obtained Court approval, the Rule 11 evaluation will be an expense to the Court for the amount approved. If the defendant fails to appear for an evaluation, and the expert bills for a "No Show", such cost may be assessed to the Attorney as a personal expense.

K. Interpreters:

- 1) <u>Notice:</u> The Attorney should give the Court at least one week advance notice when an interpreter will be necessary to ensure an interpreter can be scheduled.
- 2) <u>Permission:</u> The Attorney should get court permission in advance to use an interpreter at court expense for interviews, depositions, etc.
- 3) <u>Attorney Presence:</u> The Attorney should be present with the interpreter during interviews, depositions, and attorney-client discussions.

IN WITNESS WHEREOF, three (3) identical counterparts of this contract, each which shall include original signatures and for all purposes be deemed an original thereof, have been duly executed by the parties hereinabove named, on the date and year first above written.

Amendment No. 7 to Request for Qualified Vendor Agreement (RFQVA) No. DDD 710000 between the Arizona Department of Economic Security, Division of Developmental Disabilities (DDD), and Gila County, Gila Employment and Special Training (GEST).

Background Information

On September 16, 2014, the Board of Supervisors approved Amendment No. 1 to RFQVA No. DDD 710000. Upon receipt of Amendment No. 1, the Arizona Department of Economic Security (ADES) notified the Gila County GEST Division that the amendment needed to be corrected and returned to ADES as soon as possible. Former Chairman Pastor signed the corrected Amendment No. 1 on October 6, 2014, and it was then resubmitted to ADES.

The Gila County Board of Supervisors approved Amendment No. 2 on April 18, 2017.

The Gila County Board of Supervisors approved Amendment No. 3 on May 9, 2017.

The Gila County Board of Supervisors approved Amendment No. 4 on October 10, 2017.

The Gila County Board of Supervisors approved Amendment No. 5 on September 11, 2018.

Per DES Amendment No. 6 was skipped in the numbering process; therefore, Amendment No. 7 will follow Amendment No. 5.

Evaluation

By signing Amendment No. 7, Gila County, GEST, is acknowledging a revision to Section 5 - Service Requirements Scope of Work and Section 6 - DES/DDD Standard Terms and Conditions for Qualified Vendors. The submittal of said document will allow the GEST Department to maintain a Qualified Vendor Agreement with the DDD.

Conclusion

Amendment No. 7 to the RFQVA No. DDD 710000 will allow the GEST Department to continue to provide DDD services to residents of Gila County, and remain in compliance with federal and state regulations and provisions of the RFQVA.

Recommendation

The Community Services Department Director recommends that the Board of Supervisors approve Amendment No. 7 to the RFQVA No. DDD 710000 in order to acknowledge changes to Section 5 - Service Requirements Scope of Work, and Section 6 - DES/DDD Standard Terms and Conditions for Qualified Vendors, so that the GEST Division can continue to provide services to eligible residents of Gila County.

Suggested Motion

Approval of Amendment No. 7 to Request for Qualified Vendor Agreement No. DDD 710000 between the Arizona Department of Economic Security, Division of Developmental Disabilities (DDD), and Gila County, Gila Employment and Special Training Division, to allow for the continued provision of DDD services to eligible residents of Gila County, and remain in compliance with federal and state regulations and provisions of the Qualified Vendor Agreement.

DCWs are prohibited from providing services to ALTCS members if the DCW is precluded from receiving a Fingerprint Clearance Card or has a substantiated report of abuse, neglect or exploitation of vulnerable adults listed on the Adult Protective Services Registry pursuant to A.R.S. §46-459.

5.319 Staffing

5.2.5 AHCCCS has implemented a court order under the Ball v. Betlach lawsuit related to non-provision of services ("NPS") for in-home Attendant Care, Homemaker, or Respite. In addition, the Division requires the tracking for NPS (gaps) in Individually Designed Living Arrangement and Nursing services. The Qualified Vendor shall have processes in place to ensure that appropriately trained additional staff is available within two (2) hours of reporting when the primary staff person is not available, and the service is critical to assure the maintenance of health and safety of the member receiving service. As part of the court order, the Arizona Health Care Cost Containment System ("AHCCCS") requires a monthly report which outlines when a member has reported a non-provision of service, meaning a service did not happen as scheduled. Qualified Vendors shall comply with the AHCCCS NPS reporting requirements as directed by the Division. Please refer to the Division's "Providers & Vendors - Division of Developmental Disabilities" website for instructions and forms at https://des.az.gov/services/disabilities/developmental-child-and-adult/help-providers. RFQVA # DDD 710000 Amendment #5

INSTRUCTIONS

The Division of Developmental Disabilities has amended RFQVA # DDD 710000. To maintain a Qualified Vendor Agreement (QVA) with the Division, each Qualified Vendor must amend its Qualified Vendor Agreement.

To amend the Qualified Vendor Agreement, the Division requires the Qualified Vendor to submit the signed **RFQVA Amendment #5** document(s) to the Division's Contracts Management Unit no later than **Monday, August 27, 2018, 5:00 p.m. M.S.T.**

Additionally, if the Qualified Vendor contracts for the service "Habilitation, Vendor Supported Developmental Home (Child and Adult)" and has active Adult Developmental Home (ADH) or Child Developmental Home (CDH) service providers, the Division requires the Qualified Vendor to enter into a new subcontract with each of their ADH\CDH service providers. The new Attachment-F subcontract document has incorporated the changes made by issuance of Amendment #5. Acknowledgment of the changes implemented will be done through the completion and submittal of a new Developmental Home Third Party Agreement (Section 9 – Attachment F) for each ADH/CDH service provider currently registered in the Quick Connect system. The Division will also be verifying that each ADH/CDH service provider is listed in the "Administrative & Service Sites" section of the QVA effective the date of Amendment #5 before processing the amendment.

In order to ensure continued service delivery, the Division is requesting receipt of these documents no later than <u>Monday</u>, <u>August 27, 2018, 5:00 p.m. M.S.T.</u>

In the event a Qualified Vendor fails to have an approved Amendment in place by August 31, 2018, the Division may pursue contractual remedies, up to and including termination of the Qualified Vendor Agreement.

The steps for completing the documents associated with Amendment # 5 is outlined below:

1. RFQVA Amendment #5 Document (one-page document):

 - Print the name and the title of the authorized signatory below the word "SIGNATURE"
- b) Leave the signatory line in bottom right corner blank, this section is for the Contract Administrator's signature only and will be signed when the amendment is approved.

Please note failure to complete this page correctly will cause the Division to return the Amendment #5 to the QVA for correction and resubmittal which will delay the processing of your amendment.

Provider Indemnity Program

The Provider Indemnity Program, better known as PIP, is an insurance program developed by the State which provides liability coverage for individual providers while caring for a State client, and acts of clients that result in damage to their property or to third parties. There is no charge to the individual provider for this coverage because PIP is funded by the State of Arizona. While PIP is not designed to meet all of the insurance needs an individual provider may require, PIP can respond to certain losses when an individual provider has been found negligent while providing necessary care to a client as part of the services which are required under the four covered programs.

Each individual provider should check with his/her insurance agent to make sure that all other insurance needs are covered. Information regarding PIP may be found at:

Program Description

Briefly describe your program for this service from referral through service delivery.

Upon referral the GEST staff review documents provided by the Division Support Coordinator and assign the appropriate staff to meet the client's needs. GEST staff will work with the ISP team in the formulation of the plan. The plan shall include specific written training strategies and methods of instruction. Ongoing assessment will be done by staff to ensure that any changes in needs be brought to the ISP team's attention. Transportation needs will be assessed by the ISP team and documented in the plan. Each month the ISP objectives will be reviewed, documented and forwarded to the designated Division representative. The ISP team will determine when the individual's goals have been achieved in accordance with the ISP. Staff will provide ongoing evaluation to provide the documentation for the team and will assist in determining new goals and objectives. Through activities provided by GEST individuals will develop methods of starting and/or developing friendships, social skills, problem solving, appropriate leisure activities according to age. Planning activities will include input from the clients, and a calender of events will be posted on site and each client will be advised of the events.

Community Access

When community access is required to meet the ISP, how do you support direct service staff for community access?

NO Transportation in an individual/staff owned vehicle

YES Transportation in an agency owned, leased or contracted

NO Reimbursement for public transportation

Describe methods used to ensure that all provider and agency supplied vehicles are properly maintained.

The GEST Program has a fleet of 7 vehicles including two full sized vans. The vehicles are regularly maintained and serviced by the mechanics at the Gila County Shop. Other vehicles from our Division Pool are also available to us should the need arise, this also ensures our ability to provide services should one of our vehicles be out of service for any length of time. Regular maintainance needs reports are forwarded to our department from the County Shop Office to alert us as to the need for servicing. Prior to any out of town activity trips, the GEST staff schedule the vehicle to be utilized in the shop for a complete "check over" prior to traveling out of town.

Describe methods used to ensure that all individual and staff owned and agency supplied vehicles maintain state minimum insurance requirements.

All GEST Program vehicles are insured annually through the Arizona Counties Insurance. Vehicles insurance policies are housed at the Gila County Courthouse, Emergency Services department.

When community access is required to meet the ISP, how do you support direct service staff for community access?

NO Transportation in an individual/staff owned vehicle

YES Transportation in an agency owned, leased or contracted

NO Reimbursement for public transportation

Describe methods used to ensure that all provider and agency supplied vehicles are properly maintained.

The GEST Program has a fleet of 7 vehicles including two full sized vans. The vehicles are regularly maintained and serviced by the mechanics at the Gila County Shop. Other vehicles from our Division Pool are also available to us should the need arise, this also ensures our ability to provide services should one of our vehicles be out of service for any length of time. Regular maintenance needs reports are forwarded to our department from the County Shop Office to alert us as to the need for servicing. Prior to any out of town activity trips, the GEST staff schedule the vehicle to be utilized in the shop for a complete "check over" prior to traveling out of town.

Describe methods used to ensure that all individual and staff owned and agency supplied vehicles maintain state minimum insurance requirements.

All GEST Program vehicles are insured annually through the Arizona Counties Insurance. Vehicles insurance policies are housed at the Gila County Courthouse, Emergency Services department.

Recruitment and Training Policies

Describe briefly the recruitment and initial training plan for direct service staff.

All GEST staff are Gila County Employees, therefore recruitment for direct service staff is done following Gila County policy.

When a position for direct service staff becomes available, a "Request To Post" form is completed and routed to the Personnel Department. A Job description containing all the necessary qualifications and experience is posted. Applications are forwarded to GEST Department from the Personnel Department, where they are reviewed. When the posting end date is reached, all the applications that have been reviewed will be separated according to applicable qualifications and/or experience necessary for the position. The applicants to be considered for the position (usually not more than seven) will be called in for an interview. The interviewing panel which consists of at least three staff will then interview the qualified candidates, and make a decision based on the information, qualifications, and experience given by the applicants. All newly hired staff is required to attend a Gila County "New Employee" (four hours) orientation. All Gila County Job postings are displayed at the Courthouse location and are published in the local newspaper.

Describe briefly the ongoing training plan for direct service staff.

Training of direct service staff is done in an "On The Job" manner and the length of the training time depends on the experience and expertise of the trainee. (All newly hired staff are required to complete a six month probationary time.) A current experienced and seasoned direct service staff person will conduct the training, and work along side of the trainee to ensure that services are provided in compliance with the Divisions Policies and Procedures and that the client's needs are being met and the trainee understands all aspects of service provision. All current GEST staff, with the exception of a newly hired Mobile Crew Coordinator/direct service staff person have longevity, (at least seven years plus) with the GEST program and the program does not experience much turn over in staff. GEST staff stays in compliance with the Division regarding required recertification in CPR, First Aid, CIT and Fingerprint clearance.

Describe briefly the backup plan for direct service staff absences (preplanned and emergency absence).

Recruitment and Training Policies

Describe briefly the recruitment and initial training plan for direct service staff.

All GEST staff are Gila County Employees, therefore recruitment for direct service staff is done following Gila County policy.

When a position for direct service staff becomes available, a "Request To Post" form is completed and routed to the Personnel Department. A Job description containing all the necessary qualifications and experience is posted. Applications are forwarded to GEST Department from the Personnel Department, where they are reviewed. When the posting end date is reached, all the applications that have been reviewed will be separated according to applicable qualifications and/or experience necessary for the position. The applicants to be considered for the position (usually not more than seven) will be called in for an interview. The interviewing panel which consists of at least three staff will then interview the qualified candidates, and make a decision based on the information, qualifications, and experience given by the applicants. All newly hired staff is required to attend a Gila County "New Employee" (four hours) orientation. All Gila County Job postings are displayed at the Courthouse location and are published in the local newspaper.

Describe briefly the ongoing training plan for direct service staff.

Training of direct service staff is done in an "On The Job" manner and the length of the training time depends on the experience and expertise of the trainee. (All newly hired staff are required to complete a six month probationary time.) A current experienced and seasoned direct service staff person will conduct the training, and work along side of the trainee to ensure that services are provided in compliance with the Divisions Policies and Procedures and that the client's needs are being met and the trainee understands all aspects of service provision. All current GEST staff, with the exception of a newly hired Mobile Crew Coordinator/direct service staff person have longevity, (at least seven years plus) with the GEST program and the program does not experience much turn over in staff. GEST staff stays in compliance with the Division regarding required recertification in CPR, First Aid, CIT and Fingerprint clearance.

Recruitment and Training Policies

Describe briefly the recruitment and initial training plan for direct service staff.

All GEST staff are Gila County Employees, therefore recruitment for direct service staff is done following Gila County policy.

When a position for direct service staff becomes available, a "Request To Post" form is completed and routed to the Personnel Department. A Job description containing all the necessary qualifications and experience is posted. Applications are forwarded to GEST Department from the Personnel Department, where they are reviewed. When the posting end date is reached, all the applications that have been reviewed will be separated according to applicable qualifications and/or experience necessary for the position. The applicants to be considered for the position (usually not more than seven) will be called in for an interview. The interviewing panel which consists of at least three staff will then interview the qualified candidates, and make a decision based on the information, qualifications, and experience given by the applicants. All newly hired staff is required to attend a Gila County "New Employee" (four hours) orientation. All Gila County Job postings are displayed at the Courthouse location and are published in the local newspaper.

Describe briefly the ongoing training plan for direct service staff.

Training of direct service staff is done in an "On The Job" manner and the length of the training time depends on the experience and expertise of the trainee. (All newly hired staff are required to complete a six month probationary time.) A current experienced and seasoned direct service staff person will conduct the training, and work along side of the trainee to ensure that services are provided in compliance with the Divisions Policies and Procedures and that the client's needs are being met and the trainee understands all aspects of service provision. All current GEST staff, with the exception of a newly hired Mobile Crew Coordinator/direct service staff person have longevity, (at least seven years plus) with the GEST program and the program does not experience much turn over in staff. GEST staff stays in compliance with the Division regarding required recertification in CPR, First Aid, CIT and Fingerprint clearance.

Quit Claim Deed for Sale of Assessor's Tax Parcel No. 208-07-028.

Background Information

On May 26, 2015, the Board of Supervisors adopted Resolution No. 15-05-05 which outlines the policy and procedures for the sale of land held by the State of Arizona under tax deed. The procedures allow the Clerk of the Board to sell these parcels over the counter for the total lien amount. A separate \$30 fee is required to be paid by the purchaser in order to record the Quit Claim Deed. The procedures also state that a consent agenda action item will be submitted to the Board of Supervisors on a regular meeting agenda to obtain authorization from the Board for the Chairman's signature on the Quit Claim Deed.

Assessor's tax parcel number 208-07-028 was deeded to the State of Arizona in 2016 with a total lien amount of \$541.19. It did not sell at the Board of Supervisors' annual tax sale/auction that was held on December 6, 2016.

Evaluation

On January 29, 2020, the Clerk of the Board sold the subject parcel to Alfred Denton Cline for the lien amount. Said payment was deposited with the Gila County Treasurer on the same day. A separate \$30 payment was submitted to record the Quit Claim Deed. This property is an undeveloped lot in Globe.

Conclusion

The Board of Supervisors needs to authorize the Chairman's signature on the Quit Claim Deed for the sale of Assessor's tax parcel number 208-07-028. Once the deed has been finalized and recorded, the property will go back on the County's tax rolls.

Recommendation

The Clerk of the Board recommends that the Board of Supervisors authorize the Chairman's signature on a Quit Claim Deed to finalize the sale of Assessor's tax parcel number 208-07-028 to Alfred Denton Cline.

Suggested Motion

Authorization of the Chairman's signature on the Quit Claim Deed for the Clerk of the Board's over-the-counter sale of Assessor's tax parcel number 208-07-028 to A. Denton Cline.

Executive Session Item 7. A.

Regular BOS Meeting

Meeting Date: 02/18/2020

Submitted By: Jefferson Dalton, Deputy County Attorney, Civil Bureau

Chief

Department: County Attorney

<u>Information</u>

Request/Subject

The County Attorney requests that the Board of Supervisors vote to go into executive session under A.R.S. section 38-431.03(A)(3) & (4) regarding the Mutual Release and Settlement Agreement entered into on or about May 1, 2019 between Gila County, Ray Stephens, Jr., and Julie La Magna.

Background Information

On May 6, 2014, the Board of Supervisors approved Conditional Use Permit No. 14-02 for Ray Stephens, Jr. to make wine in the basement of his residence located at 3465 Harps Way in Pine, Arizona. At least by July 2017, Mr. Stephens began offering wine tours with onsite wine consumption and retail wine sales at the Harps Way property. On July 28, 2017, Gila County Code Enforcement opened a complaint for the zoning violation of offering wine consumption and sales in a R1 zoned district without an approved Conditional Use Permit. This complaint progressed through the complaint procedure process including a hearing in front of the Hearing Officer, an appellate review before the Board of Supervisors and, lastly, in Superior Court. The County also brought an action in the Superior Court to enjoin wine retail activities on the property. The County, Mr. Stephens, and Julie La Magna entered into a mutual release and settlement agreement on or about May 1, 2019. The settlement agreement included the surrender of the Conditional Use Permit, the end of any liquor-related business on the property, and permitting or removal of the tree platform.

Evaluation

Ray Stephens, Jr. and Julie La Magna have not kept all of the promises they made in the settlement agreement.

Conclusion

The County Attorney's conclusion is that the Board would benefit from holding an executive session under A.R.S. section 38-321.02(A)(3) and (4) for discussion and consultation to obtain legal advice from the Board's attorneys and in order for the Board to consider its position and instruct its attorneys regarding its position regarding contracts that are the subject of negotiations, in pending or contemplated litigation, or in settlement discussions in order to avoid or resolve litigation.

Recommendation

The County Attorney recommends that the Board vote to hold an executive session under A.R.S. section 38-431.03(A)(3) and (4) for discussion and consultation to obtain legal advice from the Board's attorneys and in order for the Board to consider its position and instruct its attorneys regarding the Board's position regarding contracts that are the subject of negotiations, in pending or contemplated litigation, or in settlement discussions in order to avoid or resolve litigation.

Suggested Motion

Information/Discussion/Action to vote to hold an executive session under A.R.S. § 38-431.03(A)(3) and (4) for discussion and consultation to obtain legal advice from the Board's attorneys regarding the Mutual Release and Settlement Agreement concerning Ray Stephens, Jr. and Julie La Magna, and in order for the Board to consider its position and instruct its attorneys regarding the Board's position regarding contracts that are the subject of negotiations, in pending or contemplated litigation, or in settlement discussions in order to avoid or resolve litigation.
